

Education and the Environment Initiative (EEI) Educators Curriculum Workshop: K-12 Science and Social Studies Teachers, Administrators, and Curriculum Specialists

Join us for an introduction to the EEI Curriculum,
California's new K-12 curriculum that teaches select
History-Social Science and Science Standards to mastery.

- 85 K-12 units teach over 100 **Science and History-Social Science Standards** using the California environment as an exciting context for learning
- **California State Board of Ed. (SBE) Approved**—and aligned to replace sections of your textbooks with engaging new lessons
 - Includes beautiful materials for **English Language Development**
 - Lessons intended to teach content standards to mastery

Receive one EEI unit of your choice and all your grade level units on DVD

To learn more and download the curriculum go to: <http://www.californiaeei.org>

PLUS, you'll have time to network with local organizations providing resources to help you extend EEI lessons beyond the classroom.
