Association and  
Santa Clara County School Boards  
Association present:**

## **"The revolution of electronic-based instruction – what's next?"**

**Saturday, February 11, 2012**

**10 a.m. – 12:00 noon**

Palo Alto School District Board Room, 25 Churchill Ave, Palo Alto (At El Camino Real)

Panelists will include:

- **Stephanie Hamilton** – Apple Education Group
- **Charles Kanavel** – Kanavel Group, a Tech Consultant for Education
- **Raymundo Rodriguez**, Vice President, West – Houghton Mifflin Harcourt

Will technology be the next "real reform" for schools?

Have we reached the tipping point and what does it mean for school districts?

What are the possibilities with electronic-based curriculum?

What are the points of view/perspectives of a technology company,  
an existing textbook company that needs to adapt, and a school district?

What are the possibilities and what's practical?

Coffee and snacks to be served

Free to attendees – there will be no formal registration
