Campers will be split into groups of 10-12 children with 2 to 3 counselors and 1 staff member, on the first morning during orientation. We will try to group campers according to age and are almost always able to accommodate children who want to be in groups with their friends.

Trail Time allows groups to enjoy the outdoors together while going on hikes, learning about nature, exploring, and playing games.

In the afternoon campers will have two activity periods called Camper's Choice, in which they will be able to choose from a variety of activities. Choices include, arts and crafts, archery, playing in the creek, hiking, fishing at pond, sports, music, gardening, berry picking and much more. These activities are chosen by the staff and are determined by camper interest.

This schedule is flexible and may change if necessary. If you have any questions or concerns please call (408) 573-3050 and ask for Aurora.
