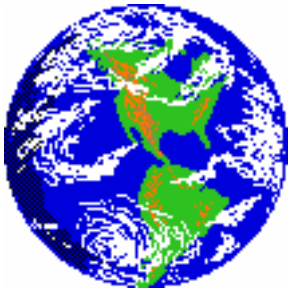
JOIN OUR
ECO-ACTION KIDS CLUB

Have you done anything environmental at your school or in your community? I have heard from very few schools this year and no project is too small. All students who participate in an eco-action will receive an incredible Walden West bumper sticker.
The teacher/class with the best eco-action will win the following:



- First choice date for next year
- $5.00 off per child next year
- A class ice-cream party
- Your school name on our eco-action plaque
- A presentation at your district board meeting

SCHOOL NAME: _____ TEACHER:_____
NUMBER OF STUDENTS:_____
