

The Santa Clara County Office of Education has access for our employees to make payroll contributions to several credit union providers in the Bay Area. Below is a list of the credit unions we have partnered with and a summary for each organization. If you are interested in opening an account or would like more information, please go to their website listed below.

Provident Credit Union

www.providentcu.org

Provident Credit Union was established in 1950 to serve the California Teachers Association. Headquartered in the San Francisco Bay Area. Provident Credit Union now serves more than 129,000 members and over 1,200 employer groups and maintains branches throughout California. With over 3.09 billion dollars in assets, Provident has earned a reputation for absolute safety and soundness.

Provident Credit Union is committed to the safety of their members' deposits. Provident maintains a very high capital ratio and members' savings are insured up to \$250,000 per member and up to \$250,000 for IRAs by the National Credit Union Administration (NCUA).

Provident has earned a superior 5-Star rating designation for 108 consecutive quarters from financial institution rating agency Bauer Financial that ranks them among the top 10% of credit unions in the nation.

Santa Clara County Federal Credit Union

www.sccfcu.org

For 70 years, Santa Clara County Federal Credit Union has focused their attention on providing members with the best financial solutions possible. Their thoughtful, caring approach has helped thousands of individuals step closer to their dreams.

Today, County Federal remains steadfast in their commitment to county, city and school employees and the affiliated organizations that support them. They provide this family of organizations — which forms the foundation for their membership — with exceptional service based on a philosophy they call the County Federal Experience.

At County Federal, you'll know right away that you aren't just a customer, you're a member. And that means preferred rates, a comprehensive line of products and services — and the kind of personal service that builds Relationships for Life.

Commonwealth Central Credit Union

www.wealthcu.org

CommonWealth is a not-for-profit, member-owned cooperative dedicated to the financial well-being of their members. They offer a full range of financial services from savings and checking accounts to loans and credit cards, all coupled with their exceptional service and genuine care for their members.

Today, CommonWealth has 5 local branch locations, and their members can access their accounts for free at over 30,000 ATMs. Even though they may be 60 years old, they still know how to keep up with the times and make sure their members have the latest in banking technology and conveniences such as Online and Mobile Banking, Financial Education Modules and Seminars, Personal Finance Management Tools, and more.
