Mission and Vision

The Opportunity Youth Academy (OYA) strives to break the cycle of poverty by providing students, who have dropped out of school or are otherwise disengaged from school, the opportunity to complete their high school education. OYA views disengaged students as 'At-Promise' as opposed to 'At-Risk'. To that end, OYA's organizational mission is to provide a premier high school reengagement program engaging students through relationship-focused, high-tech, and rigorous learning experiences resulting in students and graduates being ***"Ready to Learn, Ready to Work and Ready to Live"***.

OYA DASS Renewal Criteria

For Dashboard Alternative School Status "DASS" schools, authorizers will consider the school's performance on the CA Dashboard (all performance indicators and local indicators), as well as "alternative metrics."
