

**Polly Bove**  
Superintendent

Even in the toughest of times, there is so much for us to be proud of and treasure. I continue to be so grateful for the privilege to work in the Fremont Union High School District with the most incredible team of educators and school staff. Since the pandemic began, our staff has invested countless hours in professional learning and collaboration, manned our front offices, served nutritious meals to our students, purchased PPE and cleaning and disinfection supplies, distributed Chromebooks and other critical technology, kept our campuses clean and safe for the many staff members that continue to be on site each day and checked in with families to ensure engagement in learning. This year has challenged us in many ways, but has also proven the power of this district and this community.
