

Framing the Arts for Success in California Schools

Data, Funding, and More

Artspiration invites you to join representatives from California's leading arts education and advocacy organizations: Create CA, California Alliance for Arts Education and CCSESA Arts Initiative and the California Department of Education, for a special arts education workshop.

Outcomes:

- Understand the background and history of the Blueprint for Creative Schools and the CREATE CA initiative
- Explore the Arts Education Data Project and its role in ensuring equitable access to high-quality, standards-based arts education
- Discuss the strategy of creating a district-wide arts plan and hear examples from the field
- Build knowledge of why and how arts education meets the eight state LCFF Priorities
- Receive valuable updates on state and federal arts legislation that impacts school and district policies

Topics:

Tools & Resources to
Frame Arts Education
Equity & Access in VAPA
California Arts Education Data Project
VAPA Legislation Updates
