

California Arts Ed Data Project 2.6

File created on: 6/7/2019 for Santa Clara County

Welcome to the Arts Education Data Project Interactive Dashboard for California. Here you will be able to explore the 2016/2017 school year arts education data from the California Department of Education. Please note, the data includes schools with grades 6 through 12. Elementary schools and programs not reported to the California Department of Education are not included. Use the tabs at the top of the page to navigate to different dashboards. Hover over the "*" for additional details and instructions.

State Overview

% Student and School Access % Student Access by Free Lunch % Enrollment by School Type

Nearly 97% of all students enrolled have access to arts instruction in schools while 86% of schools reported offering at least one arts course. 39% of students are enrolled in an arts course. However, only 25% of all students and 12% of all schools offer the required four arts disciplines.

Student arts enrollment is impacted by the percentage of students on Free and Reduced Lunch (FRPL). Low FRPL schools have arts enrollment of 44% while High FRPL schools have arts enrollment of 36%.

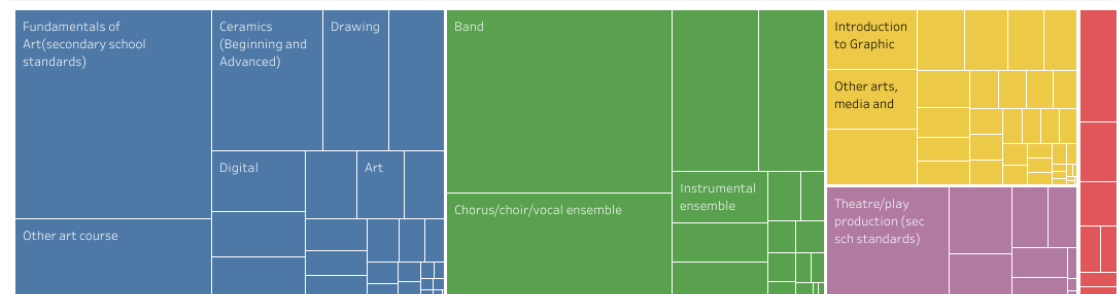

Enrollment varies based on the school type with high schools reporting the highest enrollment. Select the school type below to view the data by school type.
