Introductions to the Current College Career Pathways Team!

Tina Dave - College and Career Pathways Coordinator

My name is Tina Dave, I am the College and Career Coordinator for the SCCOE. I have been with the County Office for a little over two years and have previously served as the Manager of Work-Based Learning. I am looking forward to continuing to assist our county schools to develop dual enrollment programs, establish pre-apprenticeship and apprenticeship pathways, and work together to build our consortium and expand our support network.

Anthony Tsuiisaka - Manager - Work-Based Learning

Nice to meet y'all!

I'm Anthony Tsujisaka, but go by Tony with my friends whom I hope is everybody! My goals here at the SCCOE in the College Career Pathways department are to help provide resources and student work/learning opportunities to school districts, expand our communication and partnership networks, and innovate our county's CTE pathways through collaboration.

Looking forward to connecting and working with you all!

Webinar PDs For You and Your Staff!

The Future of CTE: Modernizing Career Education with the New Career Clusters Framework

Date: Wed. Feb 19th, 2025

Time: 12:00-1:00 pm PST

[The National Career Clusters® Framework](#) has guided career and technical education (CTE) since 2002. Yet, over the past two decades, smartphones, AI, and other technologies have transformed the way we work. New careers—and entirely new industries—have emerged, while existing careers now require new skills. To keep pace with these changes, Advance CTE introduced a comprehensive update to the Career Clusters Framework in October 2024.
