

SCCOE CTE and College & Career News

March Edition

March 2022 Newsletter

In order to bring important information in one venue, the Santa Clara County Office of Education CTE Team, and the SCCOE College Day Committee has combined efforts to bring important CTE and College and Career updates to our community through one monthly SCCOE CTE/College and Career Newsletter. We look forward to building and improving communication with the goal of creating equitable access to high quality CTE pathways and College and Career workshops, opportunities, and information for all our students throughout Santa Clara County.

A Note From the CTE Coordinator

Welcome to our March Edition, celebrating the many exciting CTE and College and Career events happening this spring. We have added a new feature, Padlet, where you can browse CTE and College and Career opportunities across Santa Clara County and the Bay Area for upcoming events in an easy venue. We work continuously to update exciting opportunities and hope that Padlet offers you an easier way to preview and select what types of opportunities best fit your interests and needs.

Collaborator of the Month

Generations Healthcare is Collaborator of the Month

Generations Healthcare operates 3 facilities in Santa Clara County, and is committed to growing careers from local talent, including paid work experience accessible to high school-aged youth.

From the website:

At Generations Healthcare, we believe that caring for the sick, the elderly, and the infirm is a special and sacred stewardship—and we need people who believe the same. We count ourselves blessed that our facilities are filled with people committed to providing kind, competent, compassionate care—and we're always looking for new faces to join our team.

As part of the Generations Healthcare family, you will have the chance to make a difference in the lives of residents, family members, and your colleagues. Everyone—from CNAs, RNs, and LVNs to dietitians, bookkeepers, and custodians—contributes to the daily delivery of care to our patients. No job is too small, no role unimportant in achieving our mission.

Welcome to the College Success Hub

The California Student Opportunity and Access Program ([Cal-SOAP](#)) was established by the state legislature in 1978. Today, Cal-SOAP is instrumental in improving the flow of information about postsecondary education and financial aid while raising the achievement levels of low-income, elementary and secondary school students or geographic regions with documented low-eligibility or college participation rates, and who are first in their families to attend college. UPCOMING EVENTS

Educating for Careers

Returning to Instruction in a New World

Don't miss out on this exciting annual event!

[The Educating for Careers Conference](#) is an annual three-day professional development event surrounding career technical education (CTE). A variety of delivery systems, strategies, and Industry Sectors throughout the CTE system are represented in the more than 200 sessions offered over the course of this three-day conference. Technical assistance is also provided by several of the delivery systems through a variety of methods during the conference.

Even though education continues to face challenges across the nation, professional development continues to be an important strategy. All stakeholders understand the importance of continuing to improve classroom instruction and that student achievement is critical for our success as a nation. Therefore, the overarching goal of this conference is to offer high-quality, cost-effective professional development for all stakeholders with broad general breakout session themes such as: Assessment & Accountability; California Partnership Academies Model; Career Pathways/Industry Sectors; Curriculum & Instructional Strategies; Employer & Community Partnerships; Mentor & Internship Programs; Middle School Connections; Perkins Policy & Programs; Secondary-Postsecondary Connections; and Work-Based Learning
