

SCCOE CTE and College & Career News

May Edition

May 2022 Newsletter

In order to bring important information in one venue, the Santa Clara County Office of Education CTE Team, and the SCCOE College Day Committee has combined efforts to bring important CTE and College and Career updates to our community through one monthly SCCOE CTE/College and Career Newsletter. We look forward to building and improving communication with the goal of creating equitable access to high quality CTE pathways and College and Career workshops, opportunities, and information for all our students throughout Santa Clara County.

Santa Clara County
Office of Education

A Note From the CTE Coordinator

Welcome to our May Edition of the SCCOE CTE College and Career Newsletter! May is a month bustling with end of the year activities, including testing, finals, and preparing for summer and beyond. In this newsletter, you will have ample opportunities to share with your students and families, including the Health Sector Week, scholarship information, and exciting summer externships and programs. We hope you have an amazing May full of excitement and promise. We know you, as educators on the front line of our students' future, have excelled through these challenging times. We thank you for your dedication and commitment to College and Career!

SCCOE CTE Team Padlet

Welcome to our SCCOE CTE Team Padlet - a one stop shop resource to browse exciting opportunities in an easy to use venue! Click on this link to preview upcoming events, and exciting resources!

UPCOMING EVENTS

Attention Middle School and High School Students and Educators

Health Sector Week May 9 - May 12

During the week of May 9th, we will be hosting a Health Sector event. Even if your school does not have a formal health pathway, students might be interested in learning more about these career opportunities. Please register at the following

link: <https://na.eventscloud.com/ereg/index.php?eventid=679519&>

CTE Connector Community of Practice - May 9

We look forward to seeing you at the May 9th CTE Teacher and Connector Community of Practice! We have so much to share and talk about. The CoP meeting is from 3:30-4:30 PM, At this meeting you will:

- Connect with colleagues from across the County and share challenges and best practices.
- Get acquainted with the free services of Earn & Learn and PilotCity that are available to help you provide innovative and life-changing career exploration and work-based learning experiences to your students.
- Help shape events and opportunities to impact more students.
- Have a chance to share your support needs, so the Santa Clara County Office of Education can provide you with the best services possible.

Collaborator of the Month

We are proud to announce that the **Collaborator of the Month for May** is [Thermo Fisher Scientific](#): *"The nature of our business is to enable growth and innovation within the global scientific community and to help researchers, organizations, and companies solve some of the world's most pressing*

issues. We do that by providing cutting-edge technologies and services that are the result of our significant investment in research and development. We believe creating a better tomorrow starts with the action we take today, and we continually strive toward improvement and excellence for the benefit of our customers, our colleagues, and the world.”

Informational Interviews to Expand WBL: Easy to use Toolkit from Earn & Learn!

Are you wanting to challenge students in further exploring careers? Informational Interviews are one way to expand students' interests and information in careers with local industries. Check out the toolkit for Informational Interviews at this link: <http://toolset.earnlearn.us/work-based-learning-activity-guides-directory/informational-interview-guide/>

Teacher Summer Externship Opportunities

[Ignited](#)

www.ignitededucation.org

Get paid to learn. Meet STEM professionals. Build relationships. Our Summer Fellowship Program is an immersive professional development experience for teachers that you can also use in your classrooms. You'll work on projects at local companies, nonprofits, and university research labs to learn how classroom concepts and skills are applied, and can engage your students with new curriculum, while benefiting from ongoing relationships with a new network of professionals.

Cash For College Workshops

Cash for College Workshops for Students and Parents -The Commission is hosting virtual statewide Cash for College workshops to assist students and families with completing the FAFSA or CADAA, and Chafee Grant for Foster Youth applications, ahead of the September 2 Community College deadline:

Wednesday, May 18: 5:30PM – 7:00PM [Register for this workshop](#)

Senior Opportunities! Please Share

Welcome to the College Success Hub

The California Student Opportunity and Access Program ([Cal-SOAP](#)) was established by the state legislature in 1978. Today, Cal-SOAP is instrumental in improving the flow of information about postsecondary education and financial aid while raising the achievement levels of low-income, elementary and secondary school students or geographic regions with documented low-eligibility or college participation rates, and who are first in their families to attend college.
