GENERAL CONDITIONS TO PROFESSIONAL SERVICES AGREEMENT

1. AVAILABILITY OF FUNDS AND BUDGET AND FISCAL PROVISION AND TERMINATION IN THE EVENT OF NON-APPROPRIATION
   a. This Agreement is subject to the budget and fiscal policies, regulations and practices of the SCCOE, and approval and appropriation of funds for this Agreement. Charges will accrue only after prior written authorization is provided by the authorized representative of SCCOE and proper execution of this Agreement by the parties.
   b. The amount of the SCCOE's obligation hereunder shall not at any time exceed the amount herein stated.
   c. The SCCOE has no obligation to renew this Agreement after expiration of its term. If funds are appropriated for a portion of a fiscal year, this Agreement will terminate, without penalty, at the end of the term for which funds are appropriated.
   d. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement.
   e. This section controls against any and all other provisions of this Agreement.

2. DISALLOWANCE
   a. If Contractor claims or receives payment from the SCCOE for a service, reimbursement for which is later disallowed by the State of California or United States Government, Contractor shall promptly refund the disallowed amount to the SCCOE upon the SCCOE's request. At its option, the SCCOE may offset the amount disallowed from any payment due or to become due to Contractor under this Agreement or any other Agreement.
   b. By executing this Agreement, Contractor certifies that Contractor is not suspended, debarred or otherwise excluded from participation in federal or state programs. Contractor acknowledges that this certification of eligibility to receive state or federal funds is a material term of this Agreement.

3. SUBMITTING FALSE CLAIMS: MONETARY PENALTIES
   Pursuant to Government Code §12650 et. seq., any person, including a contractor, subcontractor or a consultant, who submits a false claim, shall be liable to the SCCOE for three times the amount of damages which the SCCOE sustains because of the false claim. A person who commits a false claim act shall also be liable to the SCCOE for the costs of a civil action brought to recover any of those penalties or damages, and may be liable to the SCCOE for a civil penalty of up to ten thousand dollars ($10,000) for each false claim. A person will be deemed to have submitted a false claim to the SCCOE if the person:
   a. knowingly presents or causes to be presented to an officer or employee of the SCCOE, a false claim for payment or approval;
   b. knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the SCCOE;
   c. conspires to defraud the SCCOE by getting a false claim allowed or paid by the SCCOE;
   d. has possession, custody, or control of public property or money used or to be used by the SCCOE and knowingly delivers or causes to be delivered less property than the amount for which the person receives a certificate or receipt;
   e. is authorized to make or deliver a document certifying receipt of property used or to be used by the SCCOE and knowingly makes or delivers a receipt that falsely represents the property used or to be used;
   f. knowingly buys, or receives as a pledge of an obligation or debt, public property from any person who lawfully may not sell or pledge the property;
   g. knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the SCCOE; or
   h. is a beneficiary of an inadvertent submission of a false claim to the SCCOE, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the SCCOE within a reasonable time after discovery of the false claim.
4. **PAYMENT DOES NOT IMPLY ACCEPTANCE OF WORK**
No payment shall in any way lessen the liability of Contractor to remedy or replace unsatisfactory work, service, equipment, or materials, if the unsatisfactory character of such work, service, equipment or materials was not detected at the time of payment. Service, materials, equipment, components, or workmanship that do not conform to the requirements of this Agreement may be rejected by the SCCOE and in such case must be remedied or replaced by Contractor without delay at no additional cost to the SCCOE.

5. **QUALIFIED PERSONNEL**
   a. Work under this Agreement shall be performed only by competent personnel under the supervision of and in the employment of Contractor. Contractor will comply with the SCCOE’s reasonable requests regarding assignment of personnel, but all personnel, including those assigned at the SCCOE’s request, must be supervised by Contractor. Contractor shall commit adequate resources to complete the project schedule specified in this Agreement.
   b. SCCOE represents and warrants that: (a) COE staff has all professional licenses/credentials necessary or appropriate to render the medical services it currently provides to its students, and to be eligible for reimbursement from Medi-Cal; (b) SCCOE will maintain such licenses in full force and effect during the Term of this Agreement; and (c) SCCOE has all necessary authority to enter into this Agreement and to perform all of its obligations hereunder.

6. **RESPONSIBILITY FOR EQUIPMENT**
The SCCOE shall not be responsible for any damages to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or by any of its employees, even though such equipment be furnished, rented or loaned to Contractor by the SCCOE.

7. **TAXES**
Contractor shall pay all taxes levied in connection with this Agreement, or the services delivered pursuant hereto.

8. **INDEPENDENT CONTRACTOR**
   a. Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and not an employee of the SCCOE. Contractor shall be wholly responsible for the manner in which it performs the services required of it under this Agreement. Nothing contained in this Agreement shall be construed as creating an employment or agency relationship between the SCCOE and Contractor or its agents and employees.
   b. Any terms in this Agreement referring to direction from the SCCOE shall be construed as providing for direction as to policy and the result of Contractor’s work only, and not as the means by which such a result is obtained. The SCCOE does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Nothing contained in this Agreement shall be construed as creating an employment or agency relationship between the SCCOE and Contractor or its agents and employees.
   c. If any governmental authority should, nevertheless, determine that Contractor is an employee, then the SCCOE’s payment obligations hereunder shall be reduced so that the aggregate amount of payments directly to Contractor and to the applicable governmental authority does not exceed the maximum amount specified in this Agreement under Section C., “Compensation”. Contractor shall refund any amounts necessary to effect such reduction.
   d. Contractor shall also complete and file with the SCCOE the attached W-9 form.
9. **INSURANCE**
   a. Without in any way limiting Consultant’s liability pursuant to the “Indemnification” Agreement, Consultant shall procure and maintain during the full term of this following insurance amounts and coverage:
      1) Commercial General Liability Insurance with limits not less than $1,000,000 (one million dollars) each occurrence Combined Single Limit for Bodily Injury and Property Damage (including coverage for claims of sexual abuse and molestation).

Coverage must at a minimum apply to negligent Errors and Omissions arising out of professional services, performed under the contract, with any deductible not to exceed $100,000 each claim.
   b. Commercial General Liability policy must provide the following:
      1) **Name as Additional Insured the Santa Clara County Office of Education, its Board, officers and employees.**
      2) That such policy is primary insurance to any other insurance available to the Additional Insured, with respect to any claims arising out of this Agreement and that such policies apply separately to each insured against who claim is made or suit is brought.
   c. If any policies are written on a claims-made form, Consultant agrees to maintain such insurance continuously in effect for three years following completion of this Agreement or extend the period for reporting claims for three years following the completion of this Agreement, such that occurrences which take place during the Agreement period shall be insured for three years following completion of the Agreement.
   d. The Consultant shall provide the SCCOE with the appropriate certificate(s) of insurance prior to commencing performance. The Consultant shall also be obligated to notify the SCCOE in writing at least 30 (thirty) days in advance of any cancellation, non-renewal or reduction of any of its insurance policies required under this Agreement. Consultant also understands and agrees that the SCCOE may withhold payment for services performed for any violations of the insurance provisions of this Agreement.

10. **INDEMNIFICATION**
    a. **Contractor's Indemnification Obligations.** Contractor shall indemnify and hold harmless SCCOE, its school board, officers, directors, employees, and agents against and from any and all Claims to the extent such claims arise from Contractor’s negligence, gross negligence or intentional misconduct in the course of performing services under this Agreement.
    b. **SCCOE's Indemnification Obligations.** SCCOE shall indemnify and hold harmless Contractor, its managing members, employees, and agents against and from any and all liabilities, claims, demands, losses, damages, and expenses including reasonable attorneys’ fees and costs (collectively “Claims”) to the extent arising from SCCOE’s negligence, gross negligence or intentional misconduct in the course of SCCOE’s discharge of its obligations under this Agreement, including without limitation: (i) breach of any provisions of this Agreement by SCCOE; (ii) failure of SCCOE or its health care providers, to provide any service for which reimbursement is sought; (iii) failure of SCCOE or its health care providers to perform health care or related services in accordance with any professional standards applicable thereto; (iv) failure of the SCCOE to provide accurate Confidential Information; or (v) failure of SCCOE or its health care providers to obtain or maintain in good standing any licenses, permits or registrations required to render the healthcare and related services for which reimbursement is sought. Notwithstanding the foregoing, SCCOE shall not be required to indemnify Contractor hereunder to the extent that Contractor is obligated to indemnify SCCOE pursuant to the following paragraph, “Contractor’s Indemnification Obligations.”
c. The indemnification rights set forth in this Section, “Indemnification,” are conditional on the following: (i) the party seeking indemnification (each an “Indemnified Party”) shall provide prompt written notice of any Claim as to which indemnification is sought to the party from whom indemnification is sought (the “Indemnifying Party”), provided, however, that failure to give such notice shall not relieve the Indemnifying Party of its obligations hereunder except to the extent that it is materially prejudiced thereby; (ii) all Indemnified Parties shall reasonably cooperate with the Indemnifying Party in the defense and settlement of the underlying Claim at no cost to the Indemnified Party; and (iii) the Indemnifying Party shall have full and exclusive authority to defend or settle the underlying Claim, provided that the Indemnifying Party shall not enter into any settlement that includes an admission of liability by the Indemnifying Party or injunction against any Indemnified Party without the consent of such Indemnified Party, such consent not to be unreasonably withheld or delayed, and provided further that each Indemnified Party shall have the right to participate in such Claim with counsel of its own selection at its own expense.

11. LIABILITY OF SCCOE
a. SCCOE’S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT PROVIDED FOR IN SECTION C (“COMPENSATION”) OF THIS AGREEMENT. SCCOE SHALL NOT BE LIABLE FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING BUT NOT LIMITED TO, LOST PROFITS IN CONNECTION WITH THIS AGREEMENT.
b. Limitation of Contractor’s Liability. In no event shall Contractor be liable to SCCOE for any incidental, indirect, consequential, special, or punitive damages arising out of or relating to this Agreement, including without limitation damages for lost reimbursements, lost healthcare services, or lost data, unless it is determined that Contractor was the cause of the loss involved. In no event shall Contractor’s total liability for damages to SCCOE arising out of or related to this Agreement exceed SCCOE’s payment provided for in Section C (“Compensation”) of this Agreement plus the insurance amounts identified in Section 9, regardless of the number of claims, causes of action, or amount of the alleged losses. In the event SCCOE elects, in writing, not to utilize Contractor’s services to prepare its annual CRCS Workbook or fails to make available information necessary to timely complete the Workbook, after written requests from Contractor, Contractor will not be liable in any manner for resulting termination of SCCOE from participation in the LEA Billing Option or for any resulting disallowance of SCCOE claims.

12. DEFAULT: REMEDIES
a. Each of the following shall constitute an event of default (“Event of Default”) under this Agreement:
   1) Contractor fails or refuses to perform or observe any term, covenant or condition contained in this Agreement.
   2) Contractor (A) is generally not paying its debts as they become due, (B) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement of any other petition in bankruptcy or for liquidation or to take advantage or any bankruptcy, insolvency or other debtors’ relief law of any jurisdiction, (C) makes an assignment for the benefit of its creditors, (D) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Contractor or of any substantial part of Contractor’s property, (E) takes action for the purpose of any of the foregoing, or (F) is the subject of any order of a court or government authority related to the Federal Bankruptcy Act.
b. On and after any Event of Default, the SCCOE shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement for cause or to seek specific performance of all or any part of this Agreement. In addition, SCCOE shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to the SCCOE on demand all costs and expenses incurred by the SCCOE in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. The SCCOE shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between SCCOE and Contractor all damages, losses, costs, or expenses incurred by the SCCOE as a result of such Event of Default due from Contractor pursuant to the terms of this Agreement.

c. All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules, regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy.

13. TERMINATION

a. It is expressly understood and agreed that in the event the Consultant fails to perform its obligations under this Agreement, this Agreement may be terminated for cause by the SCCOE and all the Consultant's rights hereunder ended. Termination for cause shall be upon ten (10) days written notice to Consultant, and no work will be undertaken by Consultant after receipt of the notice. In the event this Agreement is terminated by the SCCOE pursuant to this paragraph; the Consultant shall be paid for services performed up to the date of termination.

b. It is further understood and agreed that the SCCOE may terminate this Agreement for the SCCOE's convenience and without cause at any time by giving the Consultant thirty (30) days written notice of such termination. In such an instance, the Consultant shall be entitled to compensation for services performed up to the effective date of termination.

c. Upon receipt of written notice that this Agreement is terminated, the Consultant will submit an invoice to the SCCOE for an amount that represents the value of services actually performed up to the date of termination for which the Consultant has not previously been compensated as provided for herein. Upon approval and payment of this invoice by the SCCOE, the SCCOE shall be under no further obligation to the Consultant, monetarily or otherwise.

d. Effect of Termination. At SCCOE sole discretion, upon the expiration or termination of this Agreement for any reason: (1) Contractor shall submit for reimbursement and shall be entitled to receive payment pursuant to this Agreement for claims submitted for healthcare services provided by SCCOE during the Term of this Agreement, provided that such claims are documented and submitted to Contractor for reimbursement within six (6) months after the earlier of expiration or termination of this Agreement.

e. All provisions of this Agreement which by their express terms extend beyond expiration or termination of this Agreement or which by their nature so extend shall survive expiration or termination, including but not limited to Paragraphs: “Protection of Proprietary Information,” “Limitation of Liability,” “Indemnification,” “Termination,” and “Proprietary Rights.”

14. CONFLICT OF INTEREST

a. Conflict of Interest Standards. The following is a brief overview of conflict of interest laws and policies. Contractor is responsible to know, and comply with, the full requirements of the law.

1) Under the California Political Reform Act (CPRA), codified in part as Government Code section 1090 and sequential, and section 87100 and sequential: No public official shall make, participate in making, or in any way attempt to use his or her official position, to influence a contract on behalf of the public agency when he or she knows, or has reason to know, that he or she has a personal financial interest in that contract.
2) Government Code section 1090 defines "making" a contract broadly to include actions that are preliminary or preparatory to the selection of a contractor such as but not limited to: involvement in the reasoning, planning, and/or drafting of scopes of work, making recommendations, soliciting bids and requests for proposals, and/or participating in preliminary discussions or negotiations. (Cal. Govt. Code § 1090).

3) State law limits the amount of gifts that may be received by public officials from a single source during a calendar year. In 2013, the gift limit is $440 per person per calendar year. (See e.g. Cal. Govt. Code 89503; 2 CCR 18940.2. See also www.fppc.ca.gov)

4) State law prohibits, with limited exceptions, certain former local public officials from appearing before their former public agency for the purpose of influencing a governmental decision for 12 months from the date the former employee left that public agency. (Cal. Govt. Code § 87406.3)

5) State law bars a public agency employee from making governmental decisions regarding an organization which is engaged in employment negotiations with that public agency employee. (Cal. Govt. Code § 87407)

6) Contractors and their representatives may be required to disclose economic interests that they hold that could foreseeably be affected by the exercise of their public duties. If applicable, Contractors/representatives must submit a disclosure filing called a Statement of Economic Interests or "Form 700." (Cal. Govt. Code §§ 81000-91015; SCCOE Board Rules and Procedures 9270, "Conflict of Interest Code")

b. Obligations of Contractor. It is the obligation of the Contractor, as well as any subcontractors, to determine whether or not participation in a contract may constitute a conflict of interest. While the SCCOE staff maintains records regarding the award and execution of contracts, it does not have access to specific information concerning which entities, partners, subcontractors or team members perform specific work on these contracts. A conflict of interest or an unfair advantage may exist without any knowledge of the SCCOE. The determination of the potential for a conflict must be made by the Contractor. Contractor is responsible to notify the SCCOE immediately if it finds that a potential conflict may exist.

c. Consultation with Counsel. The SCCOE strongly advises any Contractor, and any proposing/bidding firm, to consult with its legal counsel to determine whether a conflict of interest may exist. It is the responsibility of a Contractor, or a proposing/bidding firm, to make that determination.

d. Consequences of a Violation. Any contract made in violation of Section 1090 is void and cannot be enforced. When Section 1090 is violated, a government agency is not obligated to pay the Contractor for any goods or services received under the void contract. The government agency can seek repayment from the Contractor of any amounts already paid, and refer the matter to appropriate authorities for prosecution. Additional consequences may also apply.

e. Disclosure Requirement. Contractor will submit to the SCCOE a list of all of Contractor's employees (including owners) who are also current SCCOE Board members or employees, or former SCCOE Board members or employees in the last year. Contractor will submit the attached "Contractor's Disclosure Form Regarding SCCOE Officials." Contractor will update this form with SCCOE, as needed, during the term of this Agreement. Exception: Public agencies that provide contract services to the SCCOE are not subject to this disclosure requirement.

f. Compliance with Gift Limits. Contractor will abide by legal gift limits and use good judgment, discretion and moderation when offering gifts, meals or entertainment or other business courtesies to SCCOE officials, and in order not to place SCCOE officials in conflict with any specific gift restrictions: (1) No Contractor or representative thereof shall offer, give, or promise to offer or give, directly or indirectly, any money, gift or gratuity to any SCCOE contracting or procurement official at any time. (2) No Contractor or representative thereof shall offer or give, directly or indirectly, any gifts in a calendar year to a SCCOE official which exceed the allowable gift limit. (See e.g. Cal. Govt. Code 89503; 2 CCR 18940.2. See also www.fppc.ca.gov)
15. **Proprietary Information of SCCOE**
   
a. Contractor understands and agrees that, in connection with this Agreement, the Contractor may have access to proprietary or confidential information which may be owned or controlled by the SCCOE and that such information may contain proprietary details, the disclosure of which to third parties will be damaging to the SCCOE, its employees or students. Contractor also understands and agrees that the disclosure of such information may violate state and/or federal law and may subject the Contractor to civil liability. Consequently, Contractor agrees that all information disclosed by the SCCOE to the Contractor shall be held in strict confidence and used only in performance of the Agreement, unless disclosure is required by law or court order. Contractor shall exercise the same standard of care to protect such information as is used to protect its own proprietary or confidential information.

b. Contractor shall comply at all times with the requirements of the Family Educational Records Privacy Act ("FERPA") and relevant state law regarding the confidentiality and handling of student records, including but not limited to California Education Code sections 49073 and sequential. Contractor shall only access confidential student information pursuant to prior written parental consent, legitimate educational interest in performing duties on behalf of SCCOE under this Agreement, or other provisions of federal and state law permitting access to confidential student information. **Contractor shall not use confidential student data for any purposes other than providing services to the SCCOE pursuant to this Agreement. Contractor shall not re-disclose confidential student information to any third party without the prior written consent of the SCCOE and any such re-disclosure shall be consistent with state and federal law.**

c. The confidentiality provisions of this Section shall survive the termination or expiration of this Agreement.

d. **Definition.** Contractor’s "Proprietary Information" shall mean all information in whatever form provided by Contractor in connection with the services rendered under this Agreement that, at the time of first receipt is clearly marked "proprietary" or which reasonably should be understood by SCCOE to be proprietary, including but not limited data entry means, processed data, instructions, management or performance reports, data file specifications, instructional materials, algorithms, software, forms, boilerplate plans, technologies, and know-how related to making LEA Billing eligibility determinations, and data and results derived from the foregoing. Proprietary Information shall exclude any information that is or becomes publicly known through no fault of SCCOE, or is already known by SCCOE at the time of disclosure based on information received from a source other than Contractor, or is rightfully received or independently developed by SCCOE after disclosure.

e. **Protection of Contractor’s Proprietary Information.** SCCOE shall use reasonable and appropriate measures to safeguard all Contractor’s Proprietary Information and shall not disclose, use, or copy any Contractor’s Proprietary except as necessary to implement the Agreement. Such reasonable and appropriate measures shall be no less than the measures taken by SCCOE to protect its own confidential information of a similar nature. Each employee, independent contractor or agent of the SCCOE to whom Contractor’s Proprietary Information is disclosed must first be informed of the confidentiality provisions of this Agreement, and must have agreed to be bound by such provisions to the same extent as SCCOE, which shall be responsible for any breach of the proprietary provisions of this Agreement by its employees, independent contractors, or agents.
f. Retention of SCCOE's Proprietary Information. SCCOE authorizes Contractor in its discretion to dispose of service documentation (including but not limited to paper-based documentation such as provider logs) in a manner that preserves the confidentiality of such documentation provided that no documentation of Medi-Cal eligible services shall be discarded earlier than three (3) years after the service date and no documentation of services that are not Medi-Cal eligible shall be discarded earlier than one (1) year after the service date or as otherwise required by law. Provided that in the event of a conflict between this paragraph and any provision of a DUA between SCCOE and DHCS, the terms of the DUA will control.

g. Lawful Disclosure. This Paragraph shall not be construed as prohibiting SCCOE from disclosing information to the extent required by law, regulation, or court order, provided SCCOE notifies Contractor promptly after becoming aware of such obligation, and permits Contractor to exercise their right to challenge or limit such required disclosure within the time permitted by law.

16. OWNERSHIP OF THE RESULTS
a. Any drawings, plans, specifications, blueprints, studies, reports, memoranda, computation sheets, computer data files and media or other documents prepared by Contractor in connection with services to be performed under this Agreement, shall be the property of and be promptly transmitted to the SCCOE. However, Contractor may retain and use copies for reference and as documentation of its experience and capabilities, but only to the extent that such retention and use complies with Section 15 of this Agreement ("Proprietary Information of SCCOE").

b. SCCOE acknowledges and agrees that Contractor retains all right, title, and interest, including without limitation all intellectual property rights, in and to Contractor’s Proprietary Information (as defined in Paragraph 34, “Proprietary Information of Contractor”) and all forms, materials, submissions, and software prepared or supplied by Contractor. Except as and to the extent otherwise provided in this Agreement, neither this Agreement nor Contractor’s performance of services under this Agreement shall give SCCOE any ownership interest in or license to any of Contractor’s intellectual or other property.

17. AUDIT AND INSPECTION OF RECORDS
The Consultant agrees to maintain and make available to the SCCOE accurate accounting and other records relative to its obligations under this Agreement. The Consultant will participate promptly and cooperatively in any audits conducted by the SCCOE or its nominee, and permit the SCCOE or a representative to audit, examine and make copies from such books and records, and to perform audits related to all matters covered by this Agreement, whether funded in whole or in part under this Agreement. The Consultant shall maintain such data and records in an accessible location and condition for a period of not less than three years after a final payment under this Agreement or until after final audit has been completed, whichever is later.

18. SUBCONTRACTING
The Consultant is prohibited from subcontracting this Agreement or any services provided pursuant to this Agreement unless such subcontracting is agreed to in writing and executed in the same manner as this Agreement. No party on the basis of this Agreement shall in any way contract on behalf of or in the name of the other party of this Agreement, and violation of this provision shall confer no rights on any party and shall be void.

19. ASSIGNMENT
It is understood and agreed that the services to be performed by the Consultant are personal in character and neither this Agreement nor any duties or obligations hereunder shall be assigned or delegated by the Consultant without the prior written consent of the SCCOE.
20. **NON DISCRIMINATION**  
Contractor agrees that it shall not discriminate on the basis of sex, race, religious creed, national origin, age, marital status, sexual orientation, gender, AIDS/ARC/HIV status, or disability, in its performance under this Agreement.

21. **CRIMINAL BACKGROUND CHECKS**  
   a. Criminal Background Check  
      1) Contractor is required to comply with the criminal background check provisions of Education Code Section 45125.1. Contractor will conduct criminal background checks with the California Department of Justice (CDOJ) for all Contractor employees, agents, and volunteers assigned to the SCCOE, and will certify that no employees, agents, or volunteers who have been convicted of serious or violent felonies as specified, will have contact with SCCOE pupils pursuant to this Agreement. This prohibition does not apply to an employee, agent or volunteer who has obtained a certificate of rehabilitation and pardon pursuant to California Penal Code Section 4852.01 et seq. for a serious or violent felony listed under EC 45122.1.  
      2) Contractor will provide the SCCOE with a list of all employees, agents and volunteers who have cleared the criminal background check, as detailed above, and who will have contact with SCCOE pupils pursuant to this Agreement, and specify to which sites they will be assigned.  
      3) Contractor will be responsible for the costs of the criminal background checks.  
      4) As written certification of its compliance with this Section, Contractor will complete and submit the Criminal Background Check/Tuberculosis Clearance Certification Form ("CBC/TB form") (ATTACHED).  
      5) For any Contractor employees, agents or volunteers that Contractor hires subsequent to Contractor's initial submission of the CBC/TB form to SCCOE, Contractor will conduct background checks and submit additional CBC/TB forms to SCCOE, as required.  
      6) The criminal background check requirement applies only to Contractor's employees, agents or volunteers will have more than limited contact with students. Contractor's employees, agents or volunteers who will have no contact or only limited contact with students are not required to meet criminal background check requirements. If Contractor asserts that all of its employees, agents or volunteers will have no contact or only limited contact with SCCOE students, the SCCOE's Cabinet-level Administrator supervising this Agreement has the responsibility to make a reasonable determination of whether Contractor, its employees, agents or volunteers will have only limited contact with students.  

   b. Subsequent Arrest Notification  
      1) In addition to the initial criminal background check, Contractor will obtain subsequent arrest notification to monitor future arrests of employees, agents and volunteers who will have contact with SCCOE students, and is responsible for all costs associated with these subsequent notifications.  
      2) Upon receipt of notice that any of its employees, agents, or volunteers has been arrested or convicted of a serious or violent felony as described in EC 45125.1 (citing 45122.1), a sexual offense as defined by EC 44010, or a controlled substance offense as described in EC 44011, Contractor will immediately prohibit such employee, agent, or volunteer from having any contact with pupils, and will immediately notify SCCOE.  

   c. Failure by Contractor to comply with this Section may result in termination of this Agreement at the SCCOE's sole discretion.
22. **TUBERCULOSIS TESTING**
   a. Contractor agrees that all of its employees, agents or volunteers whose functions require frequent or prolonged contact with students will complete tuberculosis testing the same as the testing that is described in California Education Code section 49406. The examination shall consist of an approved intradermal tuberculin test, which, if positive, shall be followed by an x-ray of the lungs. Thereafter, the Contractor shall ensure that its employees, agents or volunteers who are skin test negative have undergone the foregoing examination at least once every four years if the Contractor is still rendering services to the SCCOE.
   b. The Contractor shall be responsible for the costs of the examination.
   c. Contractor shall submit written certification to the SCCOE, using the attached Criminal Background Check/Tuberculosis Clearance Written Certification Form, that its employees, agents or volunteers who will have frequent or prolonged contact with students have passed the tuberculosis test requirements. Contractor shall list such employees, agents or volunteers by name and date of test on the Criminal Background Check/Tuberculosis Clearance Written Certification Form.
   d. The tuberculosis testing requirement applies only to Contractor’s employees, agents or volunteers will have frequent or prolonged contact with students. Contractor’s employees, agents or volunteers who will have no contact or only limited contact with students are not required to meet tuberculosis testing requirements. If Contractor asserts that all of its employees, agents or volunteers will have no contact or only limited contact with SCCOE students, the SCCOE’s Cabinet-level Administrator supervising this Agreement has the responsibility to make a reasonable determination of whether Contractor, its employees, agents or volunteers will have no contact or only limited contact with students.
   e. Contractor shall ensure that only its employees, agents or volunteers who have submitted to and passed a TB test will have frequent or prolonged contact with students. Contractor will maintain on file in Contractor’s offices current documentation that each of its employees, agents or volunteers who will have frequent or prolonged contact with students meets tuberculosis testing requirements.

23. **WAIVER**
   Either party's failure at any time to enforce any default or right reserved to it, or to require performance of any of the Agreement's terms, covenants, or provisions by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

24. **MODIFICATION OF AGREEMENT**
   This Agreement may only be modified or amended by written instrument executed and approved in the same manner as this Agreement.

25. **DISPUTE RESOLUTION**
   a. Prior to any action or resort to any legal remedy, SCCOE and Contractor agree to exercise reasonable efforts, and to negotiate in good faith, to amicably resolve any dispute that may arise concerning the performance by either party of their obligations under this Agreement. If SCCOE's and Contractor's project managers cannot resolve disputes through such negotiations, then the Parties' project managers will escalate the dispute to their respective executives who shall have authority to resolve the controversy and who are at a higher level of management than the project managers.
b. In such event, either SCCOE or Contractor shall give the other party written notice of any dispute not resolved by good faith negotiations between the Parties’ respective project managers. Within fifteen (15) days after delivery of such initial notice, the receiving party shall submit to the other a written response. Both the initial notice, and the response, shall include (i) a statement of that party's position, (ii) a summary of arguments supporting that position, and (iii) the name and title of the executive who will represent that party and of any other person who will accompany the executive.

c. Within thirty (30) days after delivery of the initial notice, the executives of both parties shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to attempt to resolve the dispute. All reasonable requests for information made by one party to the other shall be honored. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence.

d. If the executives cannot resolve the dispute to the satisfaction of both Parties, then SCCOE and Contractor may attempt to mutually agree on the conditions under which such unresolved disputes can be referred to mediation or non-binding arbitration. If the parties do not mutually agree to mediation or non-binding arbitration, or mutually select a mediator or arbitrator for the dispute, or such efforts do not resolve the dispute, then either party may pursue any remedy available under California law.

26. **COMPLIANCE WITH AMERICANS WITH DISABILITIES ACT**
Contractor acknowledges that, pursuant to the Americans Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. Contractor shall provide the services specified in this Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. Contractor agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agree that any violation of this prohibition on the part of Contractor, its employees, agents or assigns will constitute a material breach of this Agreement.

27. **COMPLIANCE WITH LAWS**
Contractor shall keep itself fully informed of the applicable state and federal law affecting the performance of this Agreement, and shall at all times comply with such laws as they may be amended from time to time.

28. **GOVERNING LAW: VENUE**
This Agreement shall be governed by the laws of the State of California. The venue for all litigation relative to this Agreement shall be Santa Clara County.

29. **SECTION HEADINGS**
The section headings contained herein are for convenience in reference and are not intended to define the scope of any provision of this Agreement.

30. **ENTIRE AGREEMENT**
The entire Agreement between the parties is included herein and no warranties, expressed or implied, representations, promises, or statements have been made by either party unless endorsed herein in writing, and no change or waiver of any provision hereof shall be valid unless made in writing and executed in the same manner as this Agreement.
31. **EXECUTION OF THE AGREEMENT, EXECUTION IN COUNTERPARTS**
   a. Original copies of this Agreement shall be executed by the respective party’s authorized signatory(ies).
   b. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original agreement, but all of which shall be considered one instrument and shall become a binding agreement when one or more counterparts have been signed by each of the parties and delivered to the other.

32. **SEVERABILITY**
   If any term or provision of this Agreement shall be found illegal or unenforceable, this Agreement shall remain in full force and effect and such term or provision shall be deemed stricken.

33. a. **Accuracy of Information, SCCOE’s Efforts:** SCCOE will make reasonable efforts to insure that the information supplied to Contractor hereunder shall be true, complete, and accurate in all respects. SCCOE assumes sole responsibility, and Contractor shall have no liability, for the truth, completeness and accuracy of all information supplied to Contractor.
   b. **Accuracy of Information, Contractor’s Efforts:** Contractor shall make reasonable efforts to verify the completeness and accuracy of information underlying the claims it submits on SCCOE’s behalf. Due to the volume of data being processed from manual data entry forms and the necessity of correlating student records from several databases maintained by Contractor, it is inevitable that some requests for reimbursement (or categories of requests or patients) will be denied due to incorrect or incomplete supporting data or healthcare insurance information. Contractor will make reasonable efforts to minimize such denials. Contractor will recommend to SCCOE if such rebilling is reasonable and cost effective. Contractor shall not be liable, and SCCOE shall have no remedy, for any reimbursement denial for healthcare or administrative services that are not reimbursable under state or federal law. Contractor shall make reasonable efforts to submit all operational plans and claims made thereunder in a timely manner. However, Contractor shall not be responsible in any way in the event that any operational plan or any claim made thereunder is submitted late or incomplete directly because of the failure or delay by SCCOE or its employees, students, agents or independent contractors in making all necessary information available to Contractor. SCCOE acknowledges that Contractor is not providing SCCOE with legal, medical or healthcare information or services and that any forms, software, and other materials supplied to SCCOE hereunder are not intended to provide legal, medical, or healthcare advice.
34. **NOTICE TO PARTIES**
All notices to be given by the parties hereto shall be in writing and served by depositing the same in the United States Post Office, postage prepaid and registered, as follows:

APPENDIX A

The Consultant shall provide the following services:

   a. Program Implementation Services. Contractor will assist SCCOE with all start-up documentation required by the California Department of Health Care Services (“DHCS”) to enroll SCCOE as a Medi-Cal Provider, and establish Contractor as the SCCOE agent for purposes of submitting reimbursement requests under this Agreement. Contractor will work with SCCOE to assess program potential, establish provider and site databases for effective service tracking, and provide implementation training to SCCOE program coordinator(s). This implementation process will be designed to identify areas of reimbursement and to facilitate an effective partnership between the SCCOE and Contractor.
   b. Training and Materials. Contractor will provide training to SCCOE’s program coordinator(s), and healthcare providers as part of the initial contract implementation and at least annually thereafter. Training will include the following subject areas: DHCS audit requirements for SCCOE’s LEA billing program; all necessary information and procedures for submitting SCCOE billing data to Contractor; and “best practices” to implement and maintain an optimized, audit-ready program. Contractor will provide SCCOE personnel with all necessary training materials including a proprietary “Coordinator’s Handbook” containing a detailed review of the rules and regulations governing the billing program. At SCCOE’s request Contractor will also make available its proprietary “provider forms” for use in documenting the delivery of healthcare services (available in paper and electronic versions).
   c. Claims Preparation and Submission. Upon the commencement of LEA Billing Services under this Agreement and quarterly thereafter during the Term of the Agreement, Contractor will use its proprietary algorithms and know-how to determine Medi-Cal eligibility and identify Medi-Cal numbers within limits imposed by the DHCS and county governments. Eligibility match information will be retained by Contractor and will be used solely to provide services hereunder subject to all the confidentiality provisions provided in the Agreement. Contractor will make reasonable efforts to submit each Medi-Cal claim within thirty (30) days of receipt from SCCOE of all information necessary for processing that claim. Contractor will also make reasonable efforts to bill retroactive claims existing at the commencement of this Agreement so as to minimize revenue lost due to Medi-Cal’s one (1) year billing limit. Contractor will monitor the submittal and payment process, review denials, suspensions and holds, as reported by DHCS, and make reasonable efforts to resolve any challenged SCCOE reimbursement claim.
   d. Management Reports and Program Analysis. Contractor will provide SCCOE with periodic management reports using provider, procedure, and/or site parameters. The frequency of such reports will be determined by mutual agreement of Contractor and SCCOE, but in any event shall occur no less frequently than quarterly.
   e. Coordination with SCCOE. Contractor will provide SCCOE with information regarding program policy, interpretation of policy, and regulatory updates as applicable. Quarterly “Bulletins” will be provided to SCCOE’s coordinator(s) to ensure timely communication about program changes and updates to Contractor’s systems and processes. Contractor will provide a “SCCOE Care Center” available for the use of SCCOE’s program coordinator(s) and accessible via toll-free phone and email. A Contractor Help Desk will be available to SCCOE program coordinator(s) and participants utilizing Contractor’s web-based software, accessible by toll-free phone during regular business hours and by email. Contractor will provide SCCOE personnel with training on audit requirements and program compliance. In the event of a program audit or review, Contractor will assist in preparing for and responding to the audit to the extent permitted by DHCS and or any other auditing party.
   f. Contractor Technologies Software. Contractor will make available its proprietary web-based software to assist SCCOE in effective management of program participation, including at SCCOE’s option, the web-based Contractor Technologies application. Note: Access to any Contractor Technologies web-based applications requires acceptance of a separate, no-fee online Software License Agreement found at Contractor’s website.

2. SCCOE’s LEA Billing Service Obligations.
   a. Program Coordinator(s). SCCOE will make available designated personnel to assist with the implementation of Contractor’s services, and coordinate with SCCOE’s individual program participants.
   b. Provider Logs. SCCOE will maintain complete and accurate provider logs of all healthcare services provided by SCCOE and will return the completed logs to Contractor at the end of each month.
   c. Student Data. Upon commencement of the Agreement and quarterly thereafter (October 1st, December 15th, March 15th, and June 15th), SCCOE will provide Contractor with a computer file in a format specified by Contractor of all student data reasonably requested by Contractor in connection with its performance under this agreement from SCCOE’s computer systems or from the computer systems of the individual schools SCCOE comprises.

3. Contractor’s CRCS Services.
   Contractor will prepare the annual Cost and Reimbursement Comparison Schedule (“CRCS”) Workbook in accordance with the claim guidelines approved by DHCS, based on information supplied by SCCOE for each fiscal year, in accordance with the terms of the Agreement. SCCOE will have final approval over the CRCS Workbook submission prepared by Contractor.
4. **SCCOE’s CRCS Obligations.**
   SCCOE will submit to Contractor, in a format specified by Contractor, all elements needed to complete the CRCS Workbook for each provider for whom reimbursement is sought. Documentation will be submitted to Contractor no later than sixty (60) days after the end of the Fiscal Year for which the CRCS is to be submitted.

5. **Contractor’s MAA Program Consulting Services.**
   a. Ongoing Consultation. Contractor will work with SCCOE to assess program potential, and establish an optimized claim plan, which consists of review and analysis of all program participants and their fiscal eligibility. Ongoing consultation will be designed to identify areas of reimbursement and to facilitate SCCOE’s full participation in the MAA program.
   
b. Training. Contractor will provide training to SCCOE’s program coordinator(s). Training will include the following subject areas: DHCS audit requirements for SCCOE’s MAA program; information and procedures for submitting MAA fiscal information to Contractor; and “best practices” to implement and maintain an optimized, audit-ready program.
   
c. Information Sharing. Contractor will provide SCCOE with information regarding program policy, interpretation of policy, and regulatory updates as applicable. Quarterly “Bulletin” will be provided to SCCOE’s coordinator(s) to ensure timely communication about program changes and updates to Contractor’s systems and processes.
   
d. Program Compliance Support. Contractor will provide SCCOE personnel with training on audit requirements and program compliance, and will perform “compliance reviews” to assist the SCCOE in maintaining audit records. In the event of a program audit or review, Contractor will assist in preparing for and responding to the audit to the extent permitted by DHCS and or any other auditing party.
   
e. Supplemental Support. Contractor will provide a “SCCOE Care Center” available for the use of SCCOE’s program coordinator(s) and accessible by toll-free phone during regular business hours and by email. A Contractor Help Desk will be available to SCCOE program coordinator(s) and staff utilizing Contractor’s web-based software, accessible by toll-free phone during regular business hours and by email.
   
f. Contractor Technologies. Contractor will make available, as applicable, its proprietary web-based software to assist SCCOE in effective program participation. Note: Access to any Contractor Technologies web-based applications requires acceptance of a separate, no-fee online Software License Agreement found at Contractor’s website.
