September 17, 2014

TO: Santa Clara County Board of Education
FROM: Angelica Ramsey, Ed.D., Chief Academic Officer
VIA: Jon R. Gundry, County Superintendent of Schools
SUBJECT: Educational Services Branch Report

Associated Goals

Goal 1: Improve student equity and reduce access discrepancies to high quality education
Goal 2: Provide support to districts, communities, schools and students
Goal 3: Be a premier employer
Goal 4: Improve organizational effectiveness and efficiency

Background

The Educational Services Branch (ESB) provides leadership, support, indispensable services to school districts and charters through professional development and specialized training, curriculum and instruction development, assessment and accountability supports and district and school improvement services. ESB conducts seminars and workshops for K-12 teachers and administrators, and supports the development and integration of career technical education skills. Educational Services Branch is comprised of five departments; 43 employees with 290 collective years of services to education.

This presentation was developed to explain who we are, what we do, our focus for the coming years, and how our work is impacting students.
