ATTORNEY

The Santa Clara County Board of Education ("County Board") recognizes the complex legal environment in which the Santa Clara County Office of Education operates and desires reliable, high-quality legal advice at reasonable rates.

Appointment of Legal Counsel

Education Code section 35041.5 requires the County Board and the Santa Clara County Superintendent of Schools ("County Superintendent") to appoint the same legal counsel. Accordingly, in order to meet legal needs, the County Board shall, jointly with the County Superintendent, contract with county counsel, attorneys in private practice, or appoint legal counsel and fix and order paid the counsel’s compensation as a Santa Clara County Office of Education ("SCCOE") employee or independent contractor. Such legal counsel shall be admitted to practice law in the State of California and shall not be required to have any certification qualification. (Education Code 351041.5)

The County Board also supports pursuing collaborative legal efforts with other agencies and districts as appropriate.

In the event that legal counsel jointly appointed by the County Board and the County Superintendent determines that a conflict of interest would result if he or she were to represent or advise both the Board and the County Superintendent on a particular issue, the County Board may employ or contract with any qualified person for the provision to the County Board of special services and advice in legal matters. The County Board shall fix the compensation to be paid for the special service or advice, and may pay such compensation from any available funds. (Education Code 1042)

(cf. 3320 - Claims and Actions Against the SCCOE)
(cf. 3400 - Management of SCCOE Assets/Accounts)
(cf. 4312.1 - Contracts)
(cf. 9000 - Role of the Board)
(cf. 9260 - Legal Protection)
Duties of Legal Counsel

The duties of SCCOE's legal counsel shall include: (Education Code 35041.5)

1. Rendering legal advice to the County Board and the Santa Clara County Superintendent of Schools or designee

2. Serving the County Board and the County Superintendent or designee in the preparation and conduct of SCCOE litigation and administrative proceedings

3. Rendering advice to the County Board or County Superintendent on school bond and tax increase measures and prepare the necessary forms for the voting on these measures

4. Perform other administrative duties as assigned by the County Board and County Superintendent or designee

Retaining Legal Counsel

When the County Board and County Superintendent seek legal advice or representation, the County Superintendent or designee shall initiate a Request for Proposals (RFP) to advertise and solicit proposals for legal services. In evaluating the proposals, the County Board and County Superintendent shall consider the firm’s or attorney’s background, experience, and reputation in education law; experience advising or representing school districts in California; fees; and experience of attorneys at the firm who will provide legal services.

The County Board and County Superintendent shall, whenever they deem it appropriate, evaluate the performance of the firm and/or attorneys providing legal services in such areas as efficiency and adequacy of advice; results obtained for the SCCOE; reasonableness of fees; and responsiveness to and interactions with the County Board, administration, and community. Upon a successful evaluation, the County Office and County Superintendent may renew the agreement with legal counsel without initiating an RFP.

Contacting Legal Counsel

The County Superintendent or County Board President may contact legal counsel to provide the County Board with legal information or advice when so directed by a majority of the County Board.

Individual County Board members may not seek advice from legal counsel on matters of County Board business unless so authorized by a majority of the County Board. Any advice or opinion given to an individual County Board member so authorized shall be shared with the entire County Board.

County Board Committees

BB 9130
Board Bylaws

The Santa Clara County Board of Education ("County Board") may establish a County Board committee whenever it determines that such a committee would benefit the Santa Clara County Office of Education ("SCCOE") by providing diverse viewpoints, specialized knowledge or expertise, or increased efficiency. Such committees may be subcommittees of the County Board or committees that include members of the community, staff, or other stakeholder groups.

(cf. 1220 – Citizen Advisory Committees)
(cf. 9140 – Board Representatives)

Upon establishing a committee, the County Board shall clearly define the committee’s purpose, any timeline for completion of assigned responsibilities, any stakeholder groups or individuals to be represented on the committee, length of time that committee members are expected to serve, and expectations for reporting to the County Board and/or the Superintendent or designee. Unless specifically authorized by the County Board to act on its behalf, the committee shall act in an advisory capacity.

Except for subcommittees of the County Board, committee members shall, as appropriate, be recommended by the County Superintendent or designee and appointed by the Board president, subject to County Board approval.

(cf. 9121 – President)

The Santa Clara County Superintendent of Schools ("County Superintendent") or designee shall provide committee members with information and assistance necessary for the fulfillment of the committee’s charges, and may serve as a non-voting advisor to the committee at the discretion of the County Board.

Whenever so charged, committees may actively seek input and participation by parents/guardians, staff, community, and students and may consult with local public boards and agencies.

Any committee not required by law may be dissolved when its duties or term has been completed or whenever the County Board deems necessary.
Committee Meetings

Unless otherwise exempted by law, Board-created committees shall provide public notice of their meetings and conduct meetings in accordance with Government Code 54950-54963 (the Brown Act).

(cf. 9320 - Meetings and Notices)
(cf. 9322 - Agenda/Meeting Materials)

However, Board subcommittees composed solely of less than a quorum of the members of the Board are not subject to open meeting laws unless they are standing committees. Standing committees of the Board, irrespective of membership, are those that have a continuing subject matter jurisdiction or a meeting schedule established by action of the Board. (Government Code 54952)

Standing committees with a continuing subject matter jurisdiction include, but are not limited to, those responsible for providing advice on budgets, audits, Board policy, contracts, and personnel matters at the County Board’s request.

(cf. 3100 – Budget)
(cf. 9310 – Board Policies)

When a majority of the members of the County Board attend an open and noticed meeting of a standing committee, the County Board members who are not members of the standing committee shall attend only as observers. (Government Code 54952.2)

Whenever any advisory or standing committee, including a committee not otherwise subject to the Brown Act, posts a meeting agenda at least 72 hours in advance of the meeting, that meeting shall be considered as a regular meeting of the County Board for purposes of the Brown Act and therefore must be held within SCCOE boundaries unless otherwise authorized by law. (Government Code 54954)

Committees may meet in a closed session during a regular or special meeting only for those purposes specifically authorized by law for closed session held by the County Board.

(cf. 9010 - Public Statements)
(cf. 9130 - Board Committees)

Appointments of County Board Members

The County Board President shall maintain a County Board-approved list of advisory councils/committees and any other bodies that require appointments of County Board members. Any modification to this list shall require a consensus of the County Board.

There are two methods by which appointments may be made – by a vote of the County Board and by appointment by the County Board President. Appointments made by the County Board President shall be made on an annual basis or as required, ensuring that, to the extent possible, such appointments are on a yearly rotating basis, and that wide and varying participation is sought. Assignments to each of these bodies shall be limited to less than a majority of the County Board. Prior to making appointments, the County Board President shall determine the interest level and availability of County Board members for particular assignments and shall consider such interests and availability in making all committee appointments.

advertise in the local media to solicit candidate applications or nominations from legally
qualified citizens who are electors of the trustee area represented by the vacancy to be filled on
the County Board. A committee consisting of less than a quorum of the County Board shall
ensure that applicants are eligible for County Board membership and announce the names of the
eligible candidates. The County Board shall interview the candidates at a public meeting, accept
oral or written public input, and select the provisional appointee by a majority vote.

(cf. 9130 - County Board Committees)
(cf. 9323.2 - Actions by the County Board)
FILLING VACANCIES (continued)

Any registered voter is eligible to be a member of the County Board except the County Superintendent, any member of his/her staff, or any employee of a school district. (Education Code 1006)
(cf. 9220 - Governing County Board Elections)

Within 10 days after the provisional appointment is made, the County Board shall post notices of the actual County Board vacancy, or the filing of a deferred resignation, and the provisional appointment. The notice shall be posted in at least three public places within the Santa Clara County, and shall be published in a local newspaper of general circulation unless there is no such newspaper within Santa Clara County. (Education Code 5092, Government Code 6061)

The posted and published notices shall contain: (Education Code 5092)

1. The date of the occurrence of the County Board vacancy or the date of the filing of, and the effective date of, the resignation.

2. The full name of the appointee.

3. The date of appointment.

4. A statement notifying the voters that unless a petition calling for a special election pursuant to Education Code 5091 is filed in the office of the County Superintendent within 30 days of the provisional appointment, it shall become an effective appointment.

The person appointed shall hold office until the next regularly scheduled election for County Board members and shall be afforded all the powers and duties of a County Board member upon appointment. A person elected at an election to fill a vacancy on the County Board shall hold office for the remainder of the term in which the vacancy occurs or will occur. (Education Code 5091)

Appointment Due to Failure to Elect

When a vacancy occurs because no person or an insufficient number of candidates have been nominated (i.e., a failure to elect), and an election will not be held, the County Board shall appoint a qualified person to the office. This appointment shall be made at a meeting prior to the day fixed for the election and the appointee shall be seated at the organizational meeting as if elected at the election. (Education Code 5328)

(cf. 9100 - Organization)
FILLING VACANCIES (continued)

When an appointment is being made because of a failure to elect, SCCOE shall publish a notice once in a newspaper of general circulation published in Santa Clara County. This notice shall state that the County Board intends to make an appointment and shall inform persons of the procedure available for applying for the appointment. (Education Code 5328.5)

The procedure for selecting and interviewing candidates shall be the same as the procedures for "Provisional Appointments," as specified above.

ORIENTATION

Board Candidate Orientation

The Santa Clara County Board of Education (“County Board”) desires to provide County Board candidates with orientation that will enable them to understand the responsibilities and expectations of County Board membership. The Santa Clara County Superintendent of Schools (“County Superintendent”) or designee shall provide all candidates with general information about school programs, Santa Clara County Office of Education (“SCCOE”) operations, and County Board responsibilities. The County Superintendent shall encourage all candidates to attend public County Board meetings during the period of their candidacy. (cf. 1340 - Access to District Records)
(cf. 9011 - Disclosure of Confidential/Privileged Information)

New Board Member Orientation

The County Board and the County Superintendent shall assist each member-elect and provisional appointee to the County Board in understanding the County Board’s functions, policies and procedures, and the general operation of the SCCOE as soon as possible following the incoming member’s election or appointment. Such assistance shall include the following:

1. The County Superintendent shall convene a meeting to provide an orientation and information to incoming County Board members to assist them in understanding the County Board's functions, policies, procedures, protocols, and agreed-upon standards of conduct.

2. Incoming County Board members shall receive access to the SCCOE policy manual and other materials related to SCCOE and County Board member responsibilities, such as the Board Handbook and customary rules of order and meeting conduct.

3. Upon their election, incoming County Board members shall be provided a copy of the Brown Act and informed that, pursuant to Government Code 54952.1, they must conform to the Act's requirements as if they had already assumed office.
4. Incoming County Board members will be invited to visit SCCOE programs with the County Superintendent or designee.

5. The County Superintendent may, as appropriate, provide incoming County Board members with additional background and information regarding the SCCOE’s vision and goals, operations, and current challenges in areas that include, but are not be limited to, student achievement, curriculum, finance, facilities, policy, and human resources.

Prior to assuming office, incoming County Board members are encouraged to attend all County Board meetings, including those study sessions and special meetings of the County Board which are held in open session, and review agenda materials available to the public in order to become familiar with current issues facing SCCOE.

Incoming County Board members may attend, as appropriate, at SCCOE expense, and with approval of the County Board, workshops and trainings conducted by the California Department of Education and/or the California School Boards Association (“CSBA”) or other agencies for the purpose of understanding the duties and responsibilities of County Board membership.

Incoming members also may, at County Board expense and with approval of the County Board, attend workshops and conferences relevant to their individual needs or to the needs of the County Board as a whole; however, pursuant to law, an incoming member may not be compensated or reimbursed for expenses until he or she has taken the oath of office or affirmation. COUNTY BOARD PROFESSIONAL DEVELOPMENT

Citizens elected to the Santa Clara County Board of Education (“County Board”) are entrusted with the responsibility of governing Santa Clara County Office of Education schools. The County Board recognizes that its members benefit from participation in professional development activities that help them understand their responsibilities, stay abreast of new developments in education, and develop boardmanship skills.

Except for annual workshops conducted jointly by the Department of Education and CSBA or the California County Boards of Education (“CCBE”) pursuant to Education Code sections 33360 and 33363, members or members-elect wishing to be reimbursed for professional development activities must request approval in advance of their participation in all such activities.

With the prior approval of the County Board, County Board members may attend and participate in professional development activities, including but not limited to meetings, conferences, in-services, trainings, and workshops that may be relevant to the duties and responsibilities of their office. Professional development activities provide members with an opportunity to collect information that benefits the member in carrying out his or her County Board duties, and also benefits the County Board as a whole and the SCCOE. For this reason, County Board members attending professional development activities are encouraged to report back to their fellow County Board members on topics of general interest to the SCCOE. Such reports may take many forms, including, but not limited to, written summaries, detailed position papers, or oral reports. County Board members are also encouraged to forward to the Professional Library materials of general interest that they have collected at conferences, workshops, and trainings.

All County Board members are also encouraged to participate in the Masters in Governance program conducted by the California School Boards Association (“CSBA”).

County Board business shall not be discussed at conferences, workshops, trainings, or other professional development activities.

(cf. 9230 - Orientation)
(cf. 9320 - Meetings and Notices)

Funds for County Board professional development activities shall be budgeted annually by the Santa Clara County Superintendent of Schools.

Board Bylaws

Each member of the Santa Clara County Board of Education (County Board) shall each be entitled to receive monthly compensation as provided for in law and County Board bylaw as follows:

1. Each County Board member who attends all regular and special County Board meetings during a month shall receive as compensation for his or her services a sum approved by the County Board and consistent with Education Code 1090. A member who does not attend all regular and special County Board meetings shall receive a percentage of monthly compensation equal to the percentage of meetings attended unless otherwise excused from attendance by the County Board in accordance with law.

In accordance with Government Code 54953, any County Board member who participates in at least 50 percent of a meeting by electronic means, including through audio and/or video, shall be regarded as having attended the meeting.

2. A County Board member may be paid for any regular or special meeting of the County Board from which he or she is absent if the County Board, by resolution duly adopted and included in its minutes, finds that at the time of the meeting, the member: (1) was performing services outside of the meeting on behalf of the County Board, including attending at another meeting at the direction of the County Board which prevented the member’s attendance at a County Board meeting; (2) was ill; (3) was on jury duty; or (4) was otherwise absent due to a hardship deemed acceptable by the County Board.

a. For purposes of this section, a “hardship” includes the following:
   • An act of God
   • An emergency pertaining to real or personal property such as fire, theft, or flood.
   • A transportation emergency such as a delayed or cancelled flight
   • The illness or death of an immediate family member.

b. With board approval and by resolution duly adopted and included in its minutes (see Exhibit), attendance at other official Board functions, such as JPA activities, subcommittee meetings, attending necessary State Board of Education meeting, or engaged in comparable assignments during the month, may be considered a proper substitute for an absence from a regular meeting.

No Board member shall be paid for more than three consecutive regular Board meeting
absences regardless of the reasons or circumstances for the absences.

3. No member shall receive more than the County Board approved monthly amount for attending meetings in any one month.

4. Any County Board member not desiring to receive monthly compensation for his or County Board service shall file a written statement with the ex-officio Secretary of the County Board, indicating non-acceptance of payment for serving as a County Board member.

5. At its annual organizational meeting each year, the County Board may change the maximum monthly compensation each member shall receive, within the limits prescribed by law.

Health and Welfare Benefits
In accordance with state and federal law, any current County Board member may participate in the Santa Clara County Office of Education’s (“SCCOE”) health and welfare benefit plans. The benefit coverage for current County Board members will be the same as is provided to SCCOE management employees, consistent with the provisions of the benefit plans. A member who elects to accept such benefits shall authorize the deduction of premiums or other charges from their compensation to the extent such charges are not covered by payments from SCCOE funds. Premiums or other charges exceeding the member’s compensation shall be paid directly to the Santa Clara County Superintendent of Schools. Board members may not receive cash payments in lieu of health and welfare benefits.

Travel and Expense Reimbursement
Pursuant to law and Board bylaw, County Board members are encouraged to attend and participate in meetings, conferences, training, workshops, and other professional development activities relevant to the duties and responsibilities of their office.

Each County Board member using a privately owned automobile to travel in the line of official duty shall be entitled to mileage reimbursement. Automobile travel in the line of official duty shall include, but not be limited to, the following: meetings with school district trustees and staff on matters of mutual interest, visits to schools, conferences with city and county officials regarding issues affecting SCCOE, and meetings with parents, citizens, and community groups on educational concerns.

County Board members shall be reimbursed for their expenditures while on approved travel at the rates and according to the regulations and procedures of SCCOE and under the same guidelines and at the same rates as are applicable to the County Superintendent. Requests for reimbursements should be submitted within a reasonable amount of time following an approved activity. The Superintendent shall monitor all County Board travel expenditures and provide the County Board president with a status report on a quarterly basis.

COURT DECISIONS
The Santa Clara County Board of Education desires to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the county office of education and the public. In accordance with law, County Board members and designated employees shall disclose any conflict of interest and, as necessary, shall abstain from participating in the decision.

(cf. 9005 - Governance Standards)

The County Board shall adopt a resolution that specifies the terms of the county office of education's conflict of interest code, the county office of education's designated positions, and the disclosure categories required for each position.

Upon direction by the code reviewing body, the County Board shall review the county office of education's conflict of interest code and submit any changes to the code reviewing body.

When a change in the county office of education's conflict of interest code is necessitated due to changed circumstances, such as the creation of new designated positions, changes to the duties assigned to existing positions, amendments, or revisions, the amended code shall be submitted to the code reviewing body within 90 days. (Government Code 87306)

When reviewing and preparing the county office of education's conflict of interest code, the Santa Clara County Superintendent of Schools or designee shall provide officers, employees, consultants, and members of the community adequate notice and a fair opportunity to present their views. (Government Code 87311)

(cf. 9320 - Meetings and Notices)

County Board members and designated employees shall annually file a Statement of Economic Interest/Form 700 in accordance with the disclosure categories specified in the county office of education's conflict of interest code. A County Board member who leaves office or a designated employee who leaves county office of education employment shall, within 30 days, file a revised statement covering the period of time between the closing date of the last statement and the date of leaving office or county office of education employment. (Government Code 87302, 87500)

(cf. 4117.2/4217.2/4317.2 - Resignation)
(cf. 9222 - Resignation)
Conflict of Interest under the Political Reform Act

A County Board member or designated employee shall not make, participate in making, or in any way use or attempt to use his/her official position to influence a governmental decision in which he/she knows or has reason to know that he/she has a disqualifying conflict of interest. A conflict of interest exists if the decision will have a "reasonably foreseeable material financial effect" on one or more of the County Board member's or designated employee's "economic interests," unless the effect is indistinguishable from the effect on the public generally or the County Board member's or designated employee's participation is legally required. (Government Code 87100, 87101, 87103; 2 CCR 18700-18709)

A County Board member or designated employee makes a governmental decision when, acting within the authority of his/her office or position, he/she votes on a matter, appoints a person, obligates or commits the county office of education to any course of action, or enters into any contractual agreement on behalf of the county office of education. (2 CCR 18702.1)

A County Board member who has a disqualifying conflict of interest on an agenda item that will be heard in an open meeting of the County Board shall abstain from voting on the matter. He/she may remain on the dais, but his/her presence shall not be counted towards achieving a quorum for that matter. A County Board member with a disqualifying conflict of interest shall not be present during a closed session meeting of the County Board when the decision is considered and shall not obtain or review a recording or any other nonpublic information regarding the issue. (2 CCR 18702.1)

Conflict of Interest under Government Code 1090

County Board members, employees, or county office of education consultants shall not be financially interested in any contract made by the County Board on behalf of the county office of education, including in the development, preliminary discussions, negotiations, compromises, planning, reasoning, and specifications and solicitations for bids. If a County Board member has such a financial interest, the county office of education is barred from entering into the contract. (Government Code 1090; Klistoff v. Superior Court, (2007) 157 Cal.App. 4th 469)

A County Board member shall not be considered to be financially interested in a contract if his/her interest is a "noninterest" as defined in Government Code 1091.5. One such noninterest is when a County Board member's spouse/registered domestic partner has been a county office of education employee for at least one year prior to the County Board member's election or appointment. (Government Code 1091.5)

A County Board member shall not be considered to be financially interested in a contract if he/she has only a "remote interest" in the contract as specified in Government Code 1091 and if the remote interest is disclosed during a County Board meeting and noted in the official County Board minutes. The affected County Board member shall not vote or debate on the matter or attempt to influence any other County Board member to enter into the contract. (Government Code 1091)
Even if there is not a prohibited conflict of interest, a County Board member shall abstain from voting on personnel matters that uniquely affect his/her relatives. However, a County Board member may vote on collective bargaining agreements and personnel matters that affect a class of employees to which his/her relative belongs. Relative means an adult who is related to the County Board member by blood or affinity within the third degree, as determined by the common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

A relationship within the third degree includes an individual's parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse/registered domestic partner unless the individual is widowed or divorced.

Common Law Doctrine Against Conflict of Interest

A County Board member shall abstain from any official action in which his/her private or personal interest may conflict with his/her official duties.

Rule of Necessity or Legally Required Participation

On a case-by-case basis and upon advice of legal counsel, a County Board member with a financial interest in a contract may participate in the making of the contract if the rule of necessity or legally required participation applies pursuant to Government Code 87101 and 2 CCR 18708.

Incompatible Offices and Activities

County Board members shall not engage in any employment or activity or hold any office which is inconsistent with, incompatible with, in conflict with, or inimical to the County Board member's duties as an officer of the county office of education. (Government Code 1099, 1126)

(cf. 4136/4236/4336 - Nonschool Employment)

Gifts

County Board members and designated employees may accept gifts only under the conditions and limitations specified in Government Code 89503 and 2 CCR 18730.

The limitation on gifts does not apply to wedding gifts and gifts exchanged between individuals on birthdays, holidays, and other similar occasions, provided that the gifts exchanged are not substantially disproportionate in value. (Government Code 89503)

Gifts of travel and related lodging and subsistence shall be subject to the current gift limitation except as described in Government Code 89506.

A gift of travel does not include travel provided by the county office of education for County Board members and designated employees. (Government Code 89506)
Honoraria

County Board members and designated employees shall not accept any honorarium, which is defined as any payment made in consideration for any speech given, article published, or attendance at any public or private gathering, in accordance with law.  (Government Code 89501, 89502)

The term honorarium does not include:  (Government Code 89501)

1. Earned income for personal services customarily provided in connection with a bona fide business, trade, or profession unless the sole or predominant activity of the business, trade, or profession is making speeches

2. Any honorarium which is not used and, within 30 days after receipt, is either returned to the donor or delivered to the county office of education for donation into the general fund without being claimed as a deduction from income for tax purposes

Attest:

Board President
Conflict of Interest Code of the
Santa Clara County Office of Education

The provisions of 2 CCR 18730 and any amendments to it adopted by the Fair Political Practices Commission, together with the attached Exhibits specifying designated positions and disclosure categories, are incorporated by reference and shall constitute the SCCOE's conflict of interest code.

Governing Board members and designated employees shall file a Statement of Economic Interests/Form 700 in accordance with the disclosure categories listed in the attached Exhibits. The Statement of Economic Interests shall be filed with the SCCOE's filing official and with the SCCOE’s code reviewing body. If statements are received in signed paper format, the SCCOE’s filing official shall make and retain a copy and forward the original of this statement to the SCCOE’s filing officer, the County of Santa Clara Clerk of the Board of Supervisors. If statements are electronically filed using the County of Santa Clara’s Form 700 e-filing system, both the SCCOE’s filing official and the County of Santa Clara Clerk of the Board of Supervisors will receive notice and access to the e-filed statement simultaneously.

The SCCOE’s filing official shall make the statements available for public inspection and reproduction pursuant to Government Code section 81008.

This document is the conflict of interest code for Santa Clara County Office of Education and is subject to statutory requirements for review and approval by the County Board of Supervisors. In order to be effective by law, any time updates are to be made to this section, the Human Resources Office must be consulted and the code amendment must be sent to the County of Santa Clara Office of the County Counsel for review and code-reviewing body approval by the Count Board of Supervisors pursuant to Government Code section 87303.
Newly Created Positions

Newly Created Positions that make or participate in the making of decisions that may foreseeably have a material effect on any financial interest, and which specific position title is not yet listed in an SCCOE’s conflict of interest code are included in the list of designated positions and shall disclose pursuant to the broadest disclosure category in the code, subject to the following limitation: The Superintendent or designee may determine in writing that a particular newly created position, although a “designated position,” is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the broadest disclosure requirements, but instead must comply with more tailored disclosure requirements specific to that newly created position. Such written determination shall include a description of the newly created position's duties and, based upon that description, a statement of the extent of disclosure requirements. The SCCOE’s determination is a public record and shall be retained for public inspection in the same manner and location as this conflict-of-interest code. (Gov. Code Section 81008.)

As soon as the SCCOE has a newly created position that must file statements of economic interests, the SCCOE’s filing official shall contact the County of Santa Clara Clerk of the Board of Supervisors Form 700 division to notify it of the new position title to be added in the County’s electronic Form 700 record management system, known as eDisclosure. Upon this notification, the Clerk’s office shall enter the exact position title of the newly created position into eDisclosure and the SCCOE’s filing official shall ensure that any individual(s) holding the newly created position is entered under that position title in eDisclosure.

Additionally, within 90 days of the creation of a newly created position that must file statements of economic interests, the SCCOE shall update this conflict-of-interest code to reflect the exact position title in its list of designated positions, and submit the amended conflict of interest code to the County of Santa Clara Office of the County Counsel for code-reviewing body approval by the County Board of Supervisors. Any policy, rule, or regulation of the County Board may be adopted, repealed, or amended providing such action is consistent with the laws and Constitution of the State of California. (Education Code 1040, 1042.)

The County Board recognizes the importance of maintaining a policy manual that is up to date and reflects the mandates of law. Policies shall be regularly reviewed at a time allocated for this purpose on the agenda of public County Board meetings.

(cf. 9130 – Board Committees
(cf. 9130.1 – Standing Committees
(cf. 9320 - Meetings and Notices)
(cf. 9322 - Agendas/Meeting Materials)

Policy Development and Adoption Process

Policies are statements of intent which are adopted by the Santa Clara County Board of Education (“County Board”). The County Board shall adopt written policies to convey its expectations for actions that will be taken in the Santa Clara County Office of Education (“County Office”), clarify roles and responsibilities of the County Board and Santa Clara County Superintendent of Schools (“County Superintendent”), and communicate the County Board’s philosophy and positions to the students, staff, parents/guardians and the community. Board policies are binding on the County Office to the extent that they do not conflict with federal or state law and are consistent with the County Office's collective bargaining agreements.

(cf. 0000 - Vision)
(cf. 0100 - Philosophy)
(cf. 9000 - Role of the Board)

The County Office policy development process shall include the following basic steps:

1. The County Board and/or County Superintendent or designee shall identify the need for a new policy, or amendment or repeal of an existing policy. The need may arise from a change in law, new County Office vision or goals, educational research or trends, or a change in the office of County Superintendent or County Board membership. The need may also occur as a result of an incident that has arisen in the County Office or a recommendation or request from County Office staff or other interested persons.
2. As needed, the County Superintendent or designee shall gather fiscal and other data, staff and public input, related County Office policies, sample policies from other organizations or agencies, and other useful information to fully inform the County Board about the issue.

(cf. 1220 - Citizen Advisory Committees)

3. The County Board may hold discussions during a public County Board meeting to gain an understanding of the issue and provide initial direction to the County Superintendent or designee. The discussion may include, but not be limited to, how the proposed policy, or amendment or repeal of a policy, may affect student learning, community expectations, staff recommendations, and fiscal impact, as well as the proposed policy's impact on governance and operational efficiency.

4. The County Board Policy Review Committee shall develop and present a draft policy or policy amendment for a first reading at a public County Board meeting. At its second reading, the County Board may take action on the proposed policy, amendment, or repeal.

5. The County Board may waive the second reading or may require an additional reading if necessary.

(cf. 9323 - Meeting Conduct)

The County Board or County Superintendent may request that legal counsel review the draft policy or policy amendment as appropriate.

When drafting or amending County Board policies which affect other governmental agencies or areas of common interest, the County Superintendent or designee shall seek input from those agencies on matters of mutual concern.

In addition to presenting the County Board with drafts or suggestions for new policy or policy amendments when changes in the law or when a specific need arises, the County Superintendent or designee shall maintain procedures for the continuous orderly review of existing policies at a time allocated for such purpose on the agenda of regular County Board meetings.

When policies are amended by the County Board, the County Superintendent or designee shall review any corresponding administrative regulations to ensure they conform with the intent of the revised policy.

Only policies formally adopted by a majority vote of the County Board shall constitute official County Office policy. Such actions shall be recorded in the minutes of the County Board.

(cf. 9322 - Agenda/Meeting Materials)
(cf. 9323.2 - Actions by the Board)
BOARD POLICIES (continued)

The County Office policy development process may be revised or expanded as needed based on the issue being considered, the need for more information, or to provide greater opportunities for consultation and public input.

Policies shall become effective upon County Board adoption or at a future date designated by the County Board at the time of adoption.

Board Bylaws

Bylaws are rules governing the internal operation of the County Board. When need for a new bylaw or amendment of an existing bylaw is recognized, the County Board may develop or may direct the County Superintendent or designee to develop and present the County Board with a new or amended bylaw for consideration.

Bylaws may be adopted, and amended by a majority vote of all members of the County Board following the same procedures as those used for the adoption or amendment of Board policy.

Administrative Regulations

The County Superintendent or designee shall be responsible for developing and enforcing administrative regulations for the operation of the County Office. Administrative regulations shall be consistent with law and Board policy and shall be designed to promote the achievement of County Office goals and objectives. Administrative regulations may describe specific actions to be taken, roles and responsibilities of staff, timelines, and/or other necessary provisions. The County Superintendent or designee also may develop procedures manuals, handbooks, or other guides to carry out the intent of County Board policy.

The County Board may review and adopt all new administrative regulations, amendments to existing administrative regulations, or decisions to eliminate existing administrative regulations at a regular or special meeting of the County Board.

When Board policies are amended, the County Superintendent or designee shall review corresponding regulations to ensure that they conform to the intent of the amended policy. In case of conflict between administrative regulation and County Board policy, County Board policy shall prevail.

Monitoring and Evaluation

At the time a County Board policy is adopted, the County Board and County Superintendent or designee may determine whether an evaluation of the policy should be scheduled and, if so, shall agree upon a timeline and measures for evaluating the effectiveness of the policy in achieving its purpose.

(cf. 0500 - Accountability)
BOARD POLICIES (continued)

Access to Policies

The County Superintendent or designee shall ensure that all County Board members, County Office employees and the public have access to an up-to-date County Office policy manual, either as a paper copy or electronically.

(cf. 1113 - SCCOE Web Sites)
(cf. 1340 - Access to SCCOE Records)

Suspension of Policies

No County Board policy, bylaw, or administrative regulation, or any portion thereof, shall be operative if it is found to be in conflict with applicable federal or state law or regulations or court decisions. If any portion of a policy is found to be invalid, that invalidity shall not affect other provisions of the policy.

The operation of any section or sections of Board policies not established by law or contract may be temporarily suspended by majority vote of the County Board at a regular or special meeting.

Based on the advice of its legal counsel, the County Board may hold a closed session to confer with or receive advice from its legal counsel regarding pending litigation when a discussion of the matter in open session would prejudice the County Board's position in the case. For this purpose, "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956.9)

1. Litigation to which the County Board is a party has been initiated formally. (Government Code 54956.9(a))

2. A point has been reached where, in the County Board's opinion based on the advice of legal counsel and on the existing facts and circumstances, there is a significant exposure to litigation against the County Office, or the County Board is meeting solely to determine whether, based on existing facts or circumstances, a closed session is authorized. (Government Code 54956.9(b))
CLOSED SESSION PURPOSES AND AGENDAS (continued)

3. Based on existing facts and circumstances, the County Board has decided to initiate or is deciding whether to initiate litigation. (Government Code 54956.9(c))

"Existing facts and circumstances" authorizing a closed session pursuant to Government Code 54956.9(b) as described in item #2 above are limited to the following: (Government Code 54956.9)

1. Facts and circumstances that might result in litigation against the County Office but which the County Office believes are not yet known to potential plaintiffs and which do not need to be disclosed.

2. Facts and circumstances including, but not limited to, an accident, disaster, incident or transactional occurrence which might result in litigation against the County Office, which are already known to potential plaintiffs, and which must be publicly disclosed before the closed session or specified on the agenda.

3. The receipt of a claim pursuant to the Tort Claims Act or a written threat of litigation from a potential plaintiff. The claim or written communication must be available for public inspection.

(cf. 3320 - Claims and Actions Against the District)

4. A threat of litigation made by a person in an open meeting on a specific matter within the responsibility of the County Board.

5. A threat of litigation made by a person outside of an open meeting on a specific matter within the responsibility of the County Board, provided that the County Office official or employee receiving knowledge of the threat made a record of the statement before the meeting and the record is available for public inspection.

The above record does not need to identify an alleged victim of tortious sexual conduct or anyone making a threat on his/her behalf or identify an employee who is the alleged perpetrator of any unlawful or tortious conduct, unless the identity of this person has been publicly disclosed.

Before holding a closed session pursuant to this section, the County Board shall state on the agenda or publicly announce the subdivision of Government Code 54956.9 under which the closed session is being held. If authority is based on Government Code 54956.9(a), the County Board shall either state the title or specifically identify the litigation to be discussed or state that doing so would jeopardize the district's ability to effectuate service of process upon unserved parties or to conclude existing settlement negotiations to its advantage. (Government Code 54956.9)
CLOSED SESSION PURPOSES AND AGENDAS (continued)

Agenda items related to "pending litigation" shall be described as a conference with legal counsel regarding "existing litigation" or "anticipated litigation." (Government Code 54954.5)

"Existing litigation" items shall identify the name of the case specified by either the claimant's name, names of parties and case or claim number, unless the County Board states that to identify the case would jeopardize service of process or existing settlement negotiations. (Government Code 54954.5)

"Anticipated litigation" items shall state that there is significant exposure to litigation pursuant to Government Code 54956.9(b) and shall specify the potential number of cases. When the County Office expects to initiate a suit, items related to anticipated litigation shall state that the discussion relates to the initiation of litigation pursuant to Government Code 54956.9(c) and shall specify the potential number of cases. The agenda or an oral statement before the closed session may be required to provide additional information pursuant to items #2-5 above. (Government Code 54954.5, Government Code 54956.9(b)(3)(B-E))

Joint Powers Agency Issues

The County Board may meet in closed session to discuss a claim against a joint powers authority formed for the purpose of insurance pooling or self-insurance authority of which it is a member, for the payment of tort liability losses, public liability losses or workers' compensation liability. (Government Code 54956.95)

Closed session agenda items related to liability claims shall specify the claimant's name and the name of the agency against which the claim is made. (Government Code 54954.5)

(cf. 3320 - Claims and Actions Against the District)
(cf. 3530 - Risk Management/Insurance)

When the board of the joint powers agency has so authorized and upon advice of its legal counsel, the County Board may meet in closed session in order to receive, discuss and take action concerning information obtained in a closed session of the joint powers agency. During the district's closed session, a County Board member serving on the JPA board may disclose confidential information acquired during a closed session of the JPA to fellow County Board members. (Government Code 54956.96)

The County Board member may also disclose the confidential JPA information to its legal counsel in order to obtain advice on whether the matter has direct financial or liability implications for the SCCOE. (Government Code 54956.96)

Bylaw
adopted: November 2, 2011
MEETING CONDUCT

Meeting Procedures

All Santa Clara County Board of Education (“County Board”) meetings shall begin on time and shall be guided by an agenda prepared in accordance with County Board bylaws and posted and distributed in accordance the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

(cf. 9322 - Agenda/Meeting Materials)

The County Board President shall conduct County Board meetings in accordance with County Board bylaws, and procedures adopted for the orderly conduct of the County Board’s business. At all County Board meetings where existing bylaws do not prescribe a procedure, the County Board shall be guided by the parliamentary procedures set forth in Robert’s Rules of Order, last revised edition.

(cf. 9121 - President)

The County Board believes that late night meetings can discourage public participation, can affect the County Board's decision-making ability, and can constitute an unnecessary burden on staff. Regular County Board meetings shall be adjourned at 9:00 p.m. unless extended to a specific time determined by a majority of the County Board. The meeting shall be extended no more than once and subsequently may be adjourned to a later date.

(cf. 9320 - Meetings and Notices)

Quorum and Abstentions

A majority of the members of the County Board shall constitute a quorum for the transaction of business. (Education Code 1013) Affirmative votes by a majority of the County Board are required to approve any action item under consideration regardless of the number of County Board members present unless otherwise provided by law.

(cf. 9323.2 - Actions by the Board)

The County Board believes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains, his/her abstention shall not be counted for purposes of determining whether a majority of the membership of the County Board has taken action.

(cf. 9270 - Conflict of Interest)
MEETING CONDUCT (continued)

Public Participation

Members of the public are encouraged to attend Santa Clara County Board of Education (“County Board”) meetings and to address the County Board concerning any item on the agenda or within the County Board's jurisdiction. So as not to inhibit public participation, persons attending County Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting. However, the County Board President may ask any speaker wishing to address the County Board to identify himself or herself for the record.

In order to conduct Santa Clara County Office of Education (“County Office”) business in an orderly and efficient manner, the County Board requires that public presentations to the County Board comply with the following procedures:

1. The County Board shall give members of the public an opportunity to address the County Board on any item of interest to the public that is within the subject matter jurisdiction of the County Board, either before or during the County Board's consideration of the item. (Government Code 54954.3)

2. At a time so designated on the agenda at a regular meeting, members of the public may bring before the County Board matters that are not listed on the agenda but that are within the County Board’s subject matter jurisdiction. The County Board shall take no action on any item not appearing on the posted agenda, except as authorized by law. (Government Code 54954.2)

3. Without taking action, County Board members, the County Superintendent, or County Office staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a County Board member, the County Superintendent, or a County Office staff member may ask a question for clarification, make a brief announcement, or make a brief report on his/her own activities. (Government Code 54954.2)

Furthermore, the County Board or a County Board member may provide a reference to the County Superintendent or to County Office staff or other resources for factual information, ask County Office staff to report back to the County Board at a subsequent meeting concerning any matter, or take action directing the County Superintendent to place a matter of business on a future agenda. (Government Code 54954.2)

4. The County Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of County Board members at a public meeting where the public had the opportunity to address the committee on that item.
MEETING CONDUCT (continued)

However, if the County Board determines that the item has been substantially changed since the committee heard the item, the County Board shall provide an opportunity for the public to speak. (Government Code 54954.3)

(cf. 9130 - Board Committees)

5. A person wishing to be heard by the County Board shall first be recognized by the County Board President and shall then proceed to comment as briefly as the subject permits.

Individual speakers shall be allowed three minutes to address the County Board on each agenda or non-agenda item. The County Board shall limit the total time for public input on each item to 20 minutes. With County Board consent, the County Board President may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The County Board President may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

6. The County Board President may rule on the appropriateness of a topic. If the topic would be more suitably addressed at a later time, the County Board President may indicate the time and place when it should be presented.

7. The County Board shall not prohibit public criticism of its policies, procedures, programs, services, acts, or omissions. (Government Code 54954.3)

In addition, the County Board shall not prohibit public criticism of County Board members, the County Superintendent, or employees of the County Office. However, if the County Board President determines that a member of the public is initiating a specific complaint or charge(s) against a County Office employee, he/she shall inform the complainant that it is the policy of the County Board to refer such complaints or charges to the County Superintendent in order to protect the employee’s right to adequate notice before a hearing of such complaints or charges.

(cf. 1312.1 - Complaints Concerning County Office Employees)
(cf. 9321 - Closed Session Purposes and Agendas)

8. The County Board President shall not permit any disturbance or willful interruption of County Board meetings. Persistent disruption by an individual or group shall be grounds for the County Board President to terminate the privilege of addressing the County Board.
MEETING CONDUCT (continued)

The County Board President may remove disruptive individuals and order the room cleared if necessary. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the County Board President. When the room is ordered cleared due to a disturbance, further County Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

When such disruptive conduct occurs, the Santa Clara County Superintendent of Schools or designee shall contact local law enforcement.

Recording by the Public

The County Superintendent or designee shall designate locations from which members of the public may broadcast, photograph, or tape record open meetings without causing a distraction.

(cf. 9324 - Board Minutes and Recordings)

If the County Board finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the County Board. (Government Code 54953.5, 54953.6)

SANTA CLARA COUNTY OFFICE OF EDUCATION
San Jose, California
Board Bylaws  

BB 9323.2(a)

ACTIONS BY THE BOARD

It is the intention of the Legislature of the State of California that the actions of public bodies be taken openly and that their deliberations be conducted openly. (Government Code 54950) The Santa Clara County Board of Education (“County Board”) therefore, shall take no action outside of a regular or special public meeting of the County Board, except with regard to those subjects and under those conditions described for closed sessions in Sections 54957 through 54957.6 of the Government Code.

The Santa Clara County Board of Education shall only act by a majority vote of all of the membership constituting the County Board, regardless of the number of members present, unless otherwise required by law. An "action" by the County Board means: (Government Code 54952.6)

1. A collective decision by a majority of the County Board members;

2. A collective commitment or promise by a majority of the members to make a positive or negative decision; or

3. A vote by a majority of the members when sitting as the County Board upon a motion, proposal, resolution, order or ordinance

The County Board may take action in a regular meeting on a subject not listed on the published agenda only when it publicly identifies the item to be acted upon in conjunction with one of the following circumstances: (Government Code 54954.2)

1. The County Board, by majority vote of its members, determines that an emergency exists, pursuant to Government Code Section 54956.5.

(cf. 9320 - Meetings and Notices)

2. The County Board determines, either by a two-thirds majority vote of the members present at the meeting or, if less than two-thirds of the members are present, by a unanimous vote of all members present, that the need to take immediate action came to the County Board’s attention after the posting of the agenda.

3. The matter was properly posted for a previous meeting occurring not more than five days earlier and was continued to the meeting at which action is being taken.

(cf. 9322 - Agenda/Meeting Materials)

The County Board shall not take action by secret ballot, whether preliminary or final. (Government Code 54953)
On a call by any County Board member, a voice vote shall be taken upon any proposition and the vote shall be recorded in the County Board meeting minutes. (Education Code 1015)

Where the County Board President is unable to determine a majority by voice vote (ayes and nays), he or she may ask for a show of hands or a roll call. (Education Code 1015)

(cf. 9324 - Minutes and Recordings)

Challenging Board Actions

Any demand by the district attorney’s office or any interested person to correct a County Board action shall be presented to the County Board in writing within 90 days of the date when the action was taken. Such demand shall allege a violation of any of the following: (Government Code 54960.1)

1. Government Code 54953, regarding open meeting and teleconferencing
2. Government Code 54954.5, regarding closed session item descriptions
3. Government Code 54954.6, regarding new or increased tax assessments
4. Government Code 54956, regarding special meetings
5. Government Code 54956.5, regarding emergency meetings

If the alleged violation concerns action taken in an open session but in violation of Government Code 54954.2 (agenda posting), the written demand must be made within 30 days of the date when the alleged action took place. (Government Code 54960.1)

Any demand to "cure and correct" an alleged violation shall clearly describe the challenged action and the nature of the alleged violation. (Government Code 54960.1)

Within 30 days of receiving the demand, the County Board shall cure or correct the challenged action and inform the demanding party in writing of its actions to cure or correct. If the County Board decides to not cure or correct the challenged action, the demanding party shall be informed in writing of that decision. (Government Code 54960.1)

If the County Board takes no action within the 30-day review period, its inaction shall be considered a decision not to cure or correct the action. (Government Code 54960.1)

Note: The law specifies certain Board actions as requiring more than a majority vote; a specific list of such actions is in included in the Exhibit attached hereto as E(1) 9323.2
ACTIONS BY THE BOARD  (continued)

In addition, the district attorney's office or any interested party may file an action in court to determine the applicability of the Brown Act to any past Board action not specified in Government Code 54960.1, if the following conditions are met: (Government Code 54960.2)

1. Within nine months of the alleged violation, a cease and desist letter is submitted to the Board, clearly describing the past Board action and the nature of the alleged violation.

2. The time for the Board to respond has expired and the Board has not provided an unconditional commitment to cease and desist from and not repeat the past action alleged to have violated the Brown Act.

SANTA CLARA COUNTY OFFICE OF EDUCATION

adopted: November 2, 2011

San Jose, California
BOARD SELF-EVALUATION

The Santa Clara County Board of Education (“County Board”) shall, as directed by the County Board President, annually conduct a self-evaluation in order to demonstrate accountability to the community and ensure that its governance of the Santa Clara County Office of Education (“County Office”) effectively supports student achievement and the attainment of the County Office's vision and goals.

(cf. 0000 - Vision)
(cf. 2123 - Evaluation of the Superintendent
(cf. 9121 – Board President)

The evaluation may address any areas of County Board responsibility, including but not limited to County Board performance in relation to vision setting, curriculum, finance, policy, and community relations. The evaluation also may address objectives related to County Board meeting operations, relationships among County Board members, the County Board’s relationship with the Santa Clara County Superintendent of Schools (“County Superintendent”), understanding of County Board and County Superintendent roles and responsibilities, communication skills, or other boardsmanship skills.

(cf. 9000 - Role of the Board)
(cf. 9005 - Governance Standards)

By January of each year, the County Board President shall establish a timeline and create a committee composed of no more than three County Board members, including the County Board President, to determine an evaluation method or instrument that measures a reasonable number of identified performance objectives. The County Superintendent or designee shall provide assistance and support, if requested. The criteria, process, and schedule for the County Board’s self-evaluation shall be approved annually by the County Board in open session.

The evaluation instrument should measure how County Board interactions, operations and performance contribute to the mission, vision and goals of the County Office. Outcomes of the process may include the development of strategies for strengthening County Board interactions, operations and performance; the assurance that ethical standards and legal regulations are being followed; the establishment of priorities and objectives for the following year’s evaluation; and the identification of opportunities for County Board member development.

The County Board shall be evaluated as a whole and not as individual members. However, individual County Board members are also encouraged to use the evaluation process as an opportunity to privately assess their personal performance as a County Board member. Although the County Board President may direct County Board members to complete an evaluation instrument individually, any discussion of the County Board's self-evaluation shall be conducted in open session. At the request of the County Board, a facilitator may be used to assist with the evaluation process. The County Board may invite the County Superintendent or others to provide input into the evaluation process.
