

**RESOLUTION  
AFFIRMING SUPPORT FOR AB 342– THE SAFE STREETS ACT OF 2017**

**SANTA CLARA COUNTY BOARD OF EDUCATION  
RESOLUTION No. 2207-1**

**WHEREAS**, AB 342: the Safe Streets Act of 2017 will allow the cities of San Francisco and San Jose to use Automated Speed Enforcement (ASE), a critical tool that will reduce speeds and save lives on our streets; and

**WHEREAS**, in San Jose, more than 50 people have lost their lives and approximately 150 have been severely injured in recent years as the result of traffic collisions; and

**WHEREAS**, ASE, or speed safety cameras, have been proven repeatedly to reduce speeding and save lives and AB 342 will allow the cities of San Francisco and San Jose to implement a five-year pilot ASE; and

**WHEREAS**, both San Francisco and San Jose have adopted Vision Zero goals to eliminate all serious and fatal traffic-related injuries and Assemblymember David Chiu sees this legislation as a critical tool particularly for people walking and bicycling, especially schoolchildren; and

**WHEREAS**, while we cannot reverse the crashes that have already claimed the lives of too many residents, we can prevent future deaths through the implementation of speed cameras as a solution to keep people safe.

**NOW, THEREFORE, BE IT RESOLVED** that the Santa Clara County Board of Education and County Superintendent of Schools does hereby adopt this resolution to affirm support for AB 342 – the Safe Streets Act of 2017.
