

**RESOLUTION SUPPORTING RESPONSIBLE, AGE-APPROPRIATE, HUMAN-CENTERED
ARTIFICIAL INTELLIGENCE IN EDUCATION**

**SANTA CLARA COUNTY BOARD OF EDUCATION
RESOLUTION No. 2692-3**

WHEREAS, artificial intelligence (AI) technology, including generative and conversational AI, is becoming increasingly accessible to students, educators, and families. This is quickly influencing instruction, learning, communication, and information access; and

WHEREAS, AI technology presents both opportunities and challenges with regard to education, including the potential to support learning, creativity, accessibility, and workforce readiness. Challenges include privacy, misinformation, bias, academic integrity, mental health, safety, and age-appropriate use; and

WHEREAS, the Santa Clara County Office of Education (SCCOE) is intentionally advancing AI literacy and responsible use that help educators and students understand how AI systems work, their limitations, potential biases, and safe practices for long-term impact; and

WHEREAS, the SCCOE supports responsible technology integration through [professional learning opportunities](#), digital citizenship efforts, student privacy protections, and the development of [AI guidance and resources](#) for districts; and

WHEREAS, safeguarding student information, protecting privacy, and promoting transparency and accountability in educational technology remain essential responsibilities for local educational agencies; and

WHEREAS, the Santa Clara County Board of Education supports ongoing collaboration among families, educators, students, policymakers, and vendors to advance responsible AI practices that protect students while fostering innovation and learning; now

THEREFORE, BE IT RESOLVED, that the Santa Clara County Board of Education and the County Superintendent of Schools do hereby adopt this resolution supporting the importance of promoting responsible, age-appropriate, and human-centered use of AI in educational settings.
