Distance Learning Resources/Opportunities for History-Social Science

The following links have been identified or created by History-Social Science Content Coordinators as resources that may be helpful to distance learning. Please send suggestions for additional History-Social Science resources to Laura Guajardo at lguajardo@sccoe.org or Olivia Santillan at osantillan@sccoe.org.

Resources are included below in order to provide access to information. The inclusion of a resource is neither an endorsement nor recommendation by SCCOE. Schools and districts should review the resource and determine their appropriateness for their students.

Content Area	Grade Span	Intended Audience	Description	Link
History-Social Science	Grades K-12	Teachers/ Administrators	Teaching California: Sets of primary source documents aligned to the CA HSS Framework with teaching suggestions and downloadable worksheets.	https://www.teachingcalifornia.org/
