Message from the County Superintendent of Schools, Dr. Mary Ann Dewan

Hello everyone,

We are so fortunate to live in an area of the country that provides legendary scenery and diverse landscapes, coast to coast. Being able to get outside and enjoy nature is a prescription for better health. It is an endorsement for exploration, recreation, and reinvigoration of our physical and mental well-being.

June is Great Outdoors Month. While connecting to the outdoors means different things to different people, spending time outside lowers stress, blood pressure, and heart rate. In 2020, [researchers](#) at Cornell University found that as little as 10 minutes in a natural setting can help us feel happier and lessen the effects of both physical and mental stress. So, whether you're walking, biking, or digging around in the garden this weekend, start by exploring the great outdoors that is in our very own backyards and experience all it has to offer. Then, should you choose to travel a little farther, the [Santa Clara County parks & trails](#) have ample choices for visitors.

For those who visit any of Santa Clara County's 28 magnificent parks, be sure to capture the moment! [Santa Clara County parks & trails](#) hopes to collect images capturing a moment in time found in nature. Be sure to post your photos on social media, and tag the photo with [#SCCParksCalendar](#) and [#WeAreSCCOE](#) so we can journey with you. For more information, visit <https://www.sccgov.org/sites/parks/Pages/County-Parks-Calendar-Contest.aspx>.

Be well,

About the Santa Clara County Office of Education

Working collaboratively with school and community partners, the Santa Clara County Office of Education (SCCOE) is a regional service agency that provides instructional, business, and technology services to the 31 school districts of Santa Clara County. The County Office of Education directly serves students through special education programs, alternative schools, Head Start and State Preschool programs, migrant education, and Opportunity Youth Academy. The SCCOE also provides academic and fiscal oversight and monitoring to districts in addition to the 22 Santa Clara County Board of Education authorized charter schools.
