

Santa Clara County  
Office of Education

Dear Families:

As we continue to navigate the regional and state shelter-in-place orders and distance learning for the safety and well-being of our students and families, we want to provide you with information about **2 months free and reduced-cost affordable home Internet service offers available for as low as \$10-\$15 a month.**

In collaboration with the California Emerging Technology Fund, we are sending information in English, Spanish, and Vietnamese about: **which affordable Internet offers are available** through Internet Service Providers in your area; **how you may qualify** for an Internet offer that meets the online needs of your family; and **how to apply online or phone** by contacting Community-Based Organizations (in alphabetical order) who have staff that are trained and available to assist you with applying:
