Prepare with experts in the field of reading instruction on the computer-based RICA! This workshop is designed to help teachers and potential elementary school teachers prepare for the computer-based RICA Written Examination. The workshop is taught by credentialed experts who will give you an awareness of the elements of this written examination, teaching you strategies and insights to help you focus your study time. This test preparation workshop is not meant as a substitute for formal or informal classes in reading and reading instruction. *CliffsNotes RICA Preparation Guide* is included in the course and is written by BTPS Testing instructors Beth Anderson, Ph.D., Rhonda Byer, M.A., and Dana Gottlieb, M.A., reading specialists, authors, and instructors.
