

Guest Guide

A guest is anyone visiting SCCOE sites for a period of time that does not exceed 10 hours (within a fiscal year). Any person whose visit exceeds 10 hours will need to be processed as a volunteer or contractor. *The department/program representative is responsible for keeping track of the guest's hours to ensure that they do not exceed the allotted amount of time provided.*

We strongly believe in protecting the children we serve, our staff, and the community.

Please review the following checklist for items that will need to be submitted to the department/program representative for your guest activity with the SCCOE:

- Complete the Guest Code of Conduct Form
- Copy of State Identification or License

If an Early Learning Services Guest needs to be cleared to be active in the classroom, immunization records of the following are required:

- Pertussis (whooping cough)
- Measles
- Annual flu vaccination (proof of a flu shot is required between August 1st and December 1st of each year) or complete the Immunization Verification/Waiver Form

The Department/Program Representative will then submit all documents to HRProgramSupport@sccoe.org.

Resource Support Services will use the Guest's legal name to conduct a search on Megan's Law and the National Sex Offender Registries website. Once cleared, RSS will notify the department/program representative.
