

Adding/Removing Covered Dependents

To make changes to covered dependents, please submit a SISC Membership Change and/or Dental, Vision and Life Enrollment form with required documentation. No documentation is required to drop dependents.

All dependent children are eligible for medical coverage up to age 26 regardless of student status. For dental and vision coverage, dependent children between the ages of 19-25 **MUST** be full-time students (12 units).

Below are the necessary forms and list of documents required to add eligible dependents.
