LEADERSHIP TEAM RESPONSIBILITIES

Members of the leadership team of the Santa Clara County Office of Education (SCCOE) have certain fundamental responsibilities. Those responsibilities are to:

1. Make the well-being of all students in Santa Clara County the basis of all decisions and actions;
2. Understand that the County Superintendent of Schools is the sole employer of all SCCOE employees;
3. Support the directives, vision, goals, values and principles of the County Superintendent of Schools.
4. Exhibit professional conduct in words and actions;
5. Implement SCCOE policies and regulations;
6. Maintain education, ethical and professional standards at the highest possible level;
7. Adhere to the requirements outlined in the Employee Compliance Handbook (available on the Intranet / HR Forms Tab);
8. Adhere to all applicable State and Federal laws, rules and regulations;
9. Remain current on the knowledge, skills, and abilities essential to the position held and in service to the vision of the SCCOE;
10. Lead in ways that contribute to a trusting, inclusive, collaborative, professional, welcoming, action-oriented, and respectful environment;
11. Attend and participate at all meetings called by the County Superintendent of Schools, including those designated as Leadership Team meetings unless excused; and
12. Demonstrate competence of the knowledge, skills, and abilities necessary for the assigned role.

SECTION ONE—SELECTION AND ASSIGNMENT

1.1 ASSIGNMENT

Leadership team members are assigned to specific positions within their classifications by the County Superintendent of Schools. Assignments are made to ensure the effective functioning of the SCCOE and are accomplished in such a way as to show respect for and value in all members of the leadership team. All members of the leadership team shall serve at the pleasure of the County Superintendent of Schools.

1.2 LEADERSHIP VACANCIES—SELECTION AND PROMOTIONS

Certificated

Certificated leadership team positions may be filled by direct appointment by the County Superintendent of Schools or the position may be posted for recruitment. SCCOE employees who apply for a posted leadership team position will be offered an interview provided they meet the qualifications for the position and pass the screening process and any required test.

Temporary Certificated Leadership Team Vacancies

If it becomes necessary to fill a certificated leadership team position for one (1) year or less, the County Superintendent of Schools may appoint an individual to the position.

If the individual filling the temporary vacancy already holds a leadership team position within the SCCOE, then that individual will be considered temporarily reassigned from their primary position to fill the temporary vacancy. The position vacated due to that individual's temporary reassignment may be backfilled with a non-permanent replacement for the duration of the leadership team member's reassignment.

Classified

Classified leadership team positions will be posted. The top three (3) ranks on the resulting eligibility list will be interviewed (see Merit System Rules).

1.3 PART-TIME ASSIGNMENTS

Part-time leadership team members are members who are hired into positions on a regular basis, but for less than a normal eight-hour day. Part-time leadership team members accrue rights to vacation, retirement and sick leave in the same manner as full-time leadership team members proportional to time served as a percentage of full-time.

1.4 REASSIGNMENT

1.4.1 Administrative Reassignment

Certificated

A certificated leadership team member may be involuntarily reassigned with or without cause and for any reason effective June 30 of the year in which notice of reassignment is provided. Depending on the facts and circumstances of the situation, reasonable effort will be made to provide the member as much advance notice as possible. Such notification should normally be made by the appropriate Division Head at an individual conference. The circumstances surrounding the reassignment, the nature of the new position and the position's requirements should normally be discussed during the conference. Involuntary reassignments may include reassignment to non-administrator certificated positions.

Classified

With regard to classified leadership team members, the Merit System Rules shall apply unless the position is a contracted position of the County Superintendent or has been designated exempt. Classified leadership team members may appeal a reassignment directly to the Personnel Commission, which will meet with the member if the reassignment results in a decrease in salary.

1.4.2 Request for Change of Assignment

Certificated

A leadership team member may submit in writing a request to their immediate supervisor for a lateral transfer to another site or position within the department or program. For the purpose of this provision, lateral transfer is defined as movement from one position at a given leadership team salary level to another position at the same level. Authority for the decision to transfer rests solely with the County Superintendent of Schools.

Classified

A classified leadership team member may be transferred at their request or for the good of the organization from one position to another in the same class at the recommendation of the department head involved, and approval of appropriate Division Head(s) provided that such action shall not be taken for punitive or preferential reasons (see Merit System Rules). Authority for the decision to transfer rests solely with the County Superintendent of Schools.

1.5 REINSTATEMENT FOLLOWING REASSIGNMENT

A leadership team member who has been reassigned to a position because of reduction or elimination of services shall have the right to be considered for reinstatement to leadership team vacancies that may occur following reassignment, provided the following conditions are met:

The County Superintendent of Schools will reinstate a position based solely on the needs of the SCCOE; and

Certificated

The open position is at the same level, or a lower level, on the leadership team salary schedule as that of the position held at the time of reassignment, and the leadership team member has received satisfactory evaluations in the interim. Reinstatement is discretionary with the County Superintendent of Schools.

Classified

The leadership team member who has taken a voluntary demotion in lieu of layoff may be restored to their former class or to a related lower class, as determined by the Personnel Commission, within 63 months, provided that the same tests of fitness under which he or she qualified for appointment to the class shall still apply consistent with Merit System Rules. Reinstatement is discretionary with the Personnel Commission.

SECTION TWO—WORK SCHEDULE

2.1 WORK YEAR

Except for Program Specialists, the work year for full-time leadership team members is twelve (12) months (260 paid days). The County Superintendent of Schools will define the annual calendar, which will be distributed to all leadership team members on or before the beginning of the fiscal year.

Program Specialists are paid only for days worked, do not accrue vacation, and are not paid for holidays.

2.2 WORKDAY/WEEK

The normal workday shall be defined as eight (8) hours per day. However, due to the requirements of leadership team positions, these hours must be balanced against the needs of the SCCOE, and the time required to fulfill the responsibilities of the position. Each leadership team member shall spend the hours per day of the work week necessary to perform that member's duties. Leadership team members are expected to leave information with their immediate supervisor or designee regarding where they can be contacted during regular work hours.

Leadership team members are exempt employees and are not eligible for overtime compensation, with the exception of Confidential Executive Assistants (includes Senior Executive Assistants and Executive Assistants). As exempt employees, leadership team members regularly work more than eight (8) hours in a workday to complete their responsibilities. Provided their work, customer service, and supervision responsibilities are completed when required, leadership team members may occasionally take personal time off during the workday without loss of accrued compensation. The leadership team member shall inform their direct supervisor or their designee when taking personal time off during the workday.

2.3 HOLIDAYS

Except for Program Specialists, the SCCOE will provide leadership team members with a schedule of holidays to be developed prior to the beginning of each fiscal year. Holidays will include at least the following:

Independence Day	Christmas Day
Labor Day	New Year's Eve
Floating Holiday (2)	New Year's Day
Veteran's Day	Martin Luther King's Birthday
Thanksgiving Day	Lincoln's Birthday
Day following Thanksgiving	President's Day
Christmas Eve	Memorial Day
Juneteenth Independence Day (June 19 th)	

Additionally, a day officially declared by the President of the United States or the Governor of California as a holiday, or any day legally adopted as a holiday by the County Superintendent of Schools, will be a paid holiday for all leadership team members.

Subject to Section 2.1, leadership team members are entitled to payment for authorized holidays as long as they are in paid status during any portion of the workday immediately preceding or succeeding the holiday. Pay for part-time regular employees will be the same as their normal daily pay.

In general, leadership team members are expected to observe the holidays set out in the SCCOE's annual published calendar. However, in recognition of the fact that clients may schedule holiday observances on alternate dates, the SCCOE may request members to work on days otherwise scheduled as holidays in order to ensure continuity of service. In such cases, members may then arrange with their immediate supervisors for alternate days off.

2.4 VACATION

2.4.1 General

Except for Program Specialists, leadership team members shall use appropriate vacation time. Vacation may be scheduled at any time consistent with the desire of the leadership team member and the needs of the SCCOE.

A leadership team member shall submit vacation requests to their supervisor for approval. The provisions of this section shall control unless agreed to differently in a duly executed employment agreement.

2.4.2 Prorating

Vacation shall be prorated for leadership team members hired after the beginning of a fiscal year or for those members working less than a full day.

2.4.3 Vacation Accrual and Carry Over

Leadership team members earn vacation at a rate of 1.83 days per month for a total of 22 vacation days per year (see chart below). Leadership team members shall be credited in advance, on July 1st, with 22 vacation days provided that their vacation balance on June 30 of the same calendar year does not exceed 44 vacation days. In the event that a leadership team member's vacation balance exceeds 44 days on June 30, the July 1 vacation credit shall be reduced accordingly so that the member's total vacation balance will not exceed 66 days on July 1. (For example, a leadership team member with 46 days of unused vacation as of June 30 would receive only 20 days of vacation credit on July 1.)

Month	Accrual	Vacation Days
July	1.83	1.83
August	1.83	3.67
Sept	1.83	5.50
Oct	1.83	7.33
Nov	1.83	9.17
Dec	1.83	11.00
Jan	1.83	12.83
Feb	1.83	14.67
March	1.83	16.50
April	1.83	18.33
May	1.83	20.17
June	1.83	22.00
Total Annual Vacation Accrual		22.00

2.4.4 Compensation in Lieu of Vacation

General

Cash reimbursements for vacation balances may be granted only by approval of the County Superintendent of Schools. The SCCOE shall not grant compensation in lieu of vacation unless it can be demonstrated that the leadership team member has been prohibited from taking any of the member's authorized, accrued, unused vacation during the fiscal year because of job requirements. Members shall make their request for reimbursement through their Division Head, who will in turn make a recommendation regarding the request to the County Superintendent of Schools. If approved, reimbursements shall be paid at their daily rate. Vacation payoff shall not exceed eleven (11) days per fiscal year, unless otherwise approved by the County Superintendent of Schools.

Extreme Emergencies

Leadership team members may request up to five (5) days per year compensation in lieu of vacation for an extreme emergency. Members shall make their request for reimbursement in written form, with an explanation of their need, directly to the County Superintendent of Schools. A copy of such request shall be submitted to their respective Division Head. Approval is at the sole discretion of the County Superintendent of Schools.

2.4.5 Vacation Compensation at Separation

When a leadership team member separates from service with the SCCOE, the member shall be entitled to compensation for earned, but unused vacation. If a member terminates employment after having taken vacation which he or she has not yet earned at the time of termination, the SCCOE shall deduct unearned vacation from the leadership team member’s vacation balance. The SCCOE shall issue a warrant for earned/unused vacation at the end of the subsequent pay period following the leadership team member’s date of separation.

For example, on July 1, a leadership team member receives 22 days of vacation and has a carryover balance of 10 vacation days. The total number of vacation days available, as of July 1, is 32. On October 31, the leadership team member separates from the SCCOE and has not taken any vacation; therefore, for vacation compensation purposes the leadership team member has a vacation balance of 17.33; see chart below.

Date	Vacation Action	Vacation Balance
June 30 – Carry over	10 vacation days	10.00
July 1 – advanced vacation days	22 vacation days credited	32.00
October 31 – separates from SCCOE	-14.67 unearned vacation days	17.33
Vacation Balance	Vacation payoff	17.33

NOTE: Information regarding payment for unused sick leave upon resignation appears in Section 3.2.

SECTION THREE—LEAVES, RESIGNATIONS AND RETIREMENTS

3.1 LEAVES

Leaves available to leadership team members are described in the following pages of this section. It should be noted that leadership team members who work less than full-time are eligible for the same leaves as those who work full-time, but on a pro-rata basis.

A leadership team member may take a leave for any reason approved by the County Superintendent of Schools. When a leadership team member wishes to take a leave of absence for any reason, the member must complete the form(s) required in any relevant SCCOE Policies and Procedures Document. Please see Superintendent's Policies (SP) 4161 which provides detailed information on leaves (see appendix).

Variations in the steps for processing leave requests occur for different types of leaves. All leaves are available to both classified and certificated leadership team members unless otherwise noted. For some types of leaves, additional information must be submitted with the written request, e.g., medical practitioner's statement, military orders, sabbatical proposal.

3.1.1 Types of Leaves

a. Sick Leave

Full-time leadership team members shall be allowed twelve (12) working days of sick leave per year, unused portions of which shall be accumulated without limitation as to number of days. The annual allowance of sick leave shall accrue immediately at the start of the new work year (July 1) and may be taken at any time thereafter. Members who start work after the new work year or who work less than full days will have their sick leave prorated.

Leadership team members who work less than a 12-month work year accrue sick leave according to their number of contracted workdays per year: personnel with 220 or more workdays accrue twelve (12) days of sick leave per year; those with between 200 and 219 workdays accrue eleven (11) days; those with between 180 and 199 workdays accrue ten (10) days. Sick leave is prorated for those with contracts of less than 180 workdays.

1) Written Verification

The SCCOE requires a doctor's written verification of illness if a leadership team member's medical absence exceeds one (1) month. However, the SCCOE reserves the right to request a note at any time.

2) Exhaustion of Paid Sick Leave

Sick leave is regulated by Education Code and is different for classified and certificated managers. Questions about paid sick leave should be addressed to Payroll Services.

Certificated

When all sick leave accrual has been exhausted and the employee is unable to return to work because of an accident or illness, 50 percent of the employee's salary shall be deducted whether a substitute is hired or not. Extended sick leave is a lifetime 100 days per accident or illness.

Classified

When all sick leave accrual has been exhausted and the employee is unable to return to work because of an accident or illness, 50 percent of the employee's salary shall be deducted whether a substitute is hired or not. Extended sick leave is 100 days per fiscal year.

If eligible, the employee may receive Workers' Compensation, short-term disability, or long-term disability payments coordinated with paid sick leave. Questions about disability payments may be addressed to the Personnel Services, Benefits Unit.

The Education Code provides another avenue for school employees who have exhausted all paid leave. Education Code § 44043.5 authorizes the sharing of unused sick leave between school district employees (see appendix). Employees may "donate" unused sick leave when an employee or member of an employee's family encounters a "catastrophic illness." Employees who work less than a 12-month work year may not receive catastrophic illness leave which would result in payment for days in excess of their regularly scheduled work year. Personnel Services has detailed information regarding this option. Please see AR 4161.9–Catastrophic Leave Program (see appendix).

3) Medical, Dental or Health Appointments

Leadership team members may take up to two (2) non-accruable hours off work per month for medical, dental, or health appointments for themselves or their immediate family without loss of pay or sick leave. The leadership team member's supervisor should be notified of the absence in advance, if possible, and approve the use of this time. If additional time off is needed, it shall be charged against the member's sick leave balance.

4) Prolonged Health Problem

(This leave will satisfy the requirements of the Federal Family and Medical Leave Act and the California Family Rights Act.)

When a leadership team member is unable to perform regular job duties due to a serious health condition, an unpaid leave may be granted for up to twelve (12) months after the exhaustion of all paid leaves, notwithstanding any prior policies or practices to the contrary. A statement of medical need from a qualified physician will be required.

5) Reemployment at the Conclusion of Medical Leaves - Classified

For permanent classified leadership team members, the Education Code § 45195 provides for reemployment in the class in which the member was assigned at the conclusion of all paid or unpaid medical leaves (see appendix). If at the conclusion of all medical leaves, the classified leadership team member is still unable to resume the duties of the position, he/she shall be placed on a reemployment list for 39 months.

6) Transferring Earned Sick Leave

Leadership team members are entitled to transfer earned sick leave accumulated while employed at another county office or district, provided the education agency was in California or otherwise approved and accepted by the County Superintendent of Schools. Note that it is the leadership team member's responsibility to transfer such sick leave in a timely manner.

7) Sick Leave and Retirement Service Credit

For information regarding the addition of sick leave to retirement service credit in accordance with PERS and STRS policy regulations, see Section 3.3-Retirements.

b. Family Leave

(This leave will satisfy the requirements of the Federal Family and Medical Leave Act and the California Family Rights Act. Fed-FMLA leave and CFRA leave run concurrently except for the following reasons: to care for a child without regard to age or dependency status, registered domestic partner, child of a registered domestic partner, parent-in-law, grandparent, grandchild, or sibling (CFRA only), incapacity due to pregnancy or prenatal care as a serious health condition (Fed-FMLA only), qualifying exigency leave as defined under the FMLA (Fed-FMLA only), qualifying exigency leave as defined under the CFRA (CFRA only), and military caregiver leave {Fed-FMLA only}).

1) Eligibility and Benefits

All leadership team members may use their annual allowance of sick leave for family illness on an incremental basis. Members who have completed twelve (12) months of service with the SCCOE and have worked at least 1,250 hours shall have the right to request an unpaid leave of absence for the purpose of caring for a seriously ill child, parent, spouse, grandparent, grandchild or sibling as defined below. Family care leave for the purpose of caring for a seriously ill child, parent, spouse, grandparent, grandchild or sibling shall only be available if the member provides certification by a health care provider that the member is needed to care for their seriously ill child, parent, spouse, grandparent, grandchild or sibling.

Military Family Leave

Eligible employees are entitled to up to twelve (12) weeks of leave because of “any qualifying exigency” arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty, or has been notified of an impending call to active-duty status, in support of a contingency operation.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered servicemember who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to 26 weeks of leave in a single 12-month period to care for the servicemember. The military caregiver leave is available during “a single 12-month period” during which an eligible employee is entitled to a combined total of 26 weeks of all types of FMLA leave.

2) Duration

A member has the right to take such leave for up to a total of twelve (12) weeks or 26 weeks within a 12-month fiscal year period. Family leave constitutes an unpaid leave of absence. This leave may be taken intermittently or on a reduced schedule and may run concurrently with sick, differential, industrial and other leaves of absence to which the member is entitled. There is no carry-over of unused leave from 12-month period to the next 12-month period.

3) Definitions/Limitations

“Serious health condition” is defined as an illness, injury, impairment or physical or mental condition that involves either (1) inpatient care (i.e., an overnight stay) in a hospital, hospice or residential medical care facility including a period of incapacity or subsequent treatment in connection with such inpatient care, or (2) continuing treatment by a health care provider as defined by federal and state regulations.

A “serious health condition” shall not include prenatal care or pregnancy related disability for purposes of determining family leave entitlement. Please see Section 3.1.1.d for pregnancy disability leave.

"Parent" is defined as a biological, foster or adoptive parent, a step-parent or a legal guardian. "Child" means a biological, adopted or a foster son or daughter, a stepson or a step-daughter, a legal ward, or a son or daughter of a person standing in place of a parent who is either under eighteen (18) years of age or an adult child who is incapable of self-care because of a mental or physical disability.

4) Family Leave Request

The member shall provide reasonable advance notice to the SCCOE of the need for a family care leave, the date the leave will commence, and the estimated duration of the leave. If the need for a leave becomes known more than 30 days prior to the date a leave is to begin, the member shall attempt to provide at least 30 days written advance notice.

The SCCOE may request medical verification from the treating health professional to verify the serious illness leading to the request for family leave.

5) Medical Benefits

Health insurance coverage shall be continued for a member on family leave for a period which together with the continued medical benefits provided under the Prolonged Health Problem provision, above, and the Parental and Child Rearing Leave and Pregnancy Disability Leave provisions, below, do not exceed twelve (12) weeks or 26 weeks within a fiscal year. The member may elect to use any accrued vacation and/or sick leave during this unpaid leave of absence.

6) Return from Leave

A member is entitled to reinstatement to an equivalent position upon return from leave under this section. Please see Section 3.1.2 for other return to work provisions.

c. Parental and Child Rearing Leave

(This leave will satisfy the requirements of the Federal Family and Medical Leave Act and the California Family Rights Act.)

Upon request, parental leave without pay shall be granted to eligible members who are the natural, adoptive, or foster parents for a period which together with periods provided in the Prolonged Health Problem Leave and Family Leave sections above do not exceed twelve (12) workweeks within a 12-month fiscal year. Leave under this section may also be provided to stepparents and legal guardians, but it shall be limited to twelve (12) weeks within a 12-month fiscal year period. Parental leave must be taken within twelve (12) months of the birth, adoption or placement in foster care of the child.

Members are eligible for parental and child rearing leave if they have been employed by the SCCOE for at least twelve (12) months and have worked 1,250 hours within the twelve (12) months preceding the commencement of the leave.

Health insurance coverage shall be continued for a member on such leave for a period which, together with the medical benefits provided under Medical Leave and Family Leave above and Pregnancy Disability Leave below, does not exceed twelve (12) weeks within a fiscal year.

d. Pregnancy Disability Leave

An employee who is pregnant may continue to work as her physician approves. Pregnancy disability leave will be treated like any other disability leave. Any female employee disabled from working due to pregnancy, childbirth, or related medical conditions will be granted pregnancy disability leave. Leaves will be granted in a nondiscriminatory manner. The duration of the pregnancy leave will be determined by the advice of the employee's physician, but employees disabled on account of pregnancy may take up to four (4) months of leave. An employee who takes pregnancy disability leave is also entitled to an additional twelve (12) weeks of medical, family, or parental and child rearing leave within any fiscal year(s) in which the member takes pregnancy disability leave. When making a request, a member must state the length of time for such leave. Please see Section 3.1.2 for other return to work provisions.

Health insurance coverage shall be provided by the SCCOE during the first twelve (12) weeks of leave as set forth by the "Medical Benefits" section of the Family Leave provisions above.

A member may elect to use accrued vacation and/or sick leave during this leave of absence.

e. Personal Necessity Leave

A leadership team member may elect to use up to seven (7) days sick leave in any one (1) fiscal year for personal necessity. Three (3) of these days may be used with no explanation given to the leadership team member's supervisor. (However, regular notification of the intended absence is required.) Personal necessity is defined as an emergency or a personal business matter which requires the leadership team member to be absent from work during the member's regular work hours. These instances are generally outside of the leadership team member's ability to control.

Leadership team members will, when possible, obtain advance approval from their supervisor prior to taking personal necessity leave, except in the instances enumerated below:

- (1) Death of a member of their immediate family, as defined in the Bereavement Leave section which follows, or any individual living in the immediate household when additional leave is required beyond that provided in bereavement leave provisions; and
- (2) Accident or illness involving the person or property of the leadership team member or the person or property of their immediate family, as defined in the Family Leave section.

f. Bereavement Leave

Leadership team members are entitled to a maximum of five (5) days leave of absence without loss of salary on account of the death of any member of their immediate family or any individual living in the immediate household. Immediate family includes the spouse, registered domestic partner, child (including loss of pregnancy), son-in-law, daughter-in-law, brother and sister of the employee and also the mother, father, grandfather, grandmother, grandchild, brother-in-law, sister-in-law, stepchild and step-parent of the employee or the spouse of the employee. Three (3) days of leave may be granted for attendance at the funerals of other family members or any person living in the immediate household of the team member. Such leave shall not be deducted from other earned leave.

g. Jury Duty

Leadership team members are provided paid leave for regularly called jury duty; such leave is not counted against sick leave. The member will submit a written request for an approved absence no less than ten (10) days prior to the beginning date of the leave, if possible.

While serving on jury duty, the leadership team member will receive full pay. Based on CA Code of Civil Procedure CCP 215 (b), a juror who is employed by a federal, state, or local government entity, or by any other public entity as defined in Section 481.200, and who received regular compensation and benefits while performing jury service, may not be paid the fee typically afforded to jurors.

Whenever practicable, and subject to rules that may be developed by the SCCOE, the leadership team member is to report to the member's work location during normal work hours when not occupied as a juror.

h. Military Leave

The SCCOE will grant military leave rights to leadership team members as provided in the Military and Veterans Code, and as specified in the Education Code § 44800 and AR 4161.5(a) (see appendix).

i. Elected Office Leave

Under certain circumstances, leadership team members shall receive a leave to serve in elected office. Those circumstances, along with detailed provisions governing such leaves, are detailed in the Education Code § 44987 (see appendix).

3.1.2 Return from Leaves

Certificated

a. Paid Leaves

It is the intention of the SCCOE to return a leadership team member to their original position once that member returns from a paid leave.

b. Unpaid Leaves

The best interests of the SCCOE, as well as the program from which the leadership team member has taken a leave, will always be considered when making an assignment after an unpaid leave. Consequently, the necessity to eliminate the position or to fill it with a permanent employee could obviate the rights of return. Each situation shall be judged upon its individual merit, and the decision of the County Superintendent of Schools is, in all cases, final.

Leadership team members who are on leave must notify Personnel Services of their intent to return 90 days prior to the end of the leave.

Classified

a. Paid Leaves

Classified leadership team members shall return to their original position unless their position has been eliminated (refer to Merit Rules).

b. Unpaid Leaves

Unpaid leaves may be granted for any period not exceeding one (1) year with the approval of the County Superintendent of Schools. The position may be filled for the duration of the leave.

3.1.3 Sick Leave and Vacation Accrual

Notwithstanding Section 3.1.1.a of this Handbook, sick leave and vacation time will not be credited to leadership team members during the period of any unpaid leave but will be credited during the period of any paid leave.

3.2 RESIGNATIONS

Upon resignation, leadership team members participating in STRS and hired after July 1, 1980, and in PERS who have five (5) continuous years of service with the SCCOE are entitled to 25 percent per diem pay for the first 60 days of unused sick leave and 12.5 percent per diem pay for unused sick leave in excess of 60 days. As noted in Section 2.4.5, members are entitled to lump-sum compensation for all earned but unused vacation.

3.3 RETIREMENTS

SECTION SIX—PERFORMANCE MANAGEMENT, DISCIPLINE AND APPEALS

6.1 Performance Management

6.1.1 Leadership Team Performance Management Process

The purpose of performance management is to assist employees in achieving success, excellence, joy, and wellness in their roles at the SCCOE. In service to this purpose, the performance management process aims to enhance each leadership team member's skills in alignment with the SCCOE's mission, vision, values, goals and guiding principles.

Throughout the course of the year, supervisors serve as coaches to leadership team members as they participate in a collaborative process that consists of goal setting, 1:1 check-ins, strengths-based coaching conversations, active reflection, and professional growth reviews three times per fiscal year.

Coaches may select one of two paths depending on the leadership team member's needs; *Coaching for Continuous Growth* or *Coaching for Performance Improvement*. It is recommended that all coaches begin with the *Coaching for Continuous Growth* process and move to the *Coaching for Performance Improvement* process when additional coaching and support is needed to help the leadership team member meet performance expectations and achieve goals.

Coaching for Continuous Growth

This is a collaborative process in which the leadership team member and their immediate supervisor, who serves as the coach, work together to set goals and assess progress toward those goals in a series of conversations dedicated exclusively to professional development and alignment with SCCOE expectations for members of the leadership team.

Coaching for Performance Improvement

This is a collaborative process involving the leader and their immediate supervisor, who serves as the coach. The *Coaching for Performance Improvement* process should be initiated only when the leader fails to meet performance expectations and requires additional support and/or structure.

The purpose of the *Coaching for Performance Improvement* process is to promote professional learning and leadership development in a manner more structured than in the *Coaching for Continuous Growth* process. In addition to defining goals, the timeline and resources provided to support goal attainment will be described.

6.1.2 Goal Alignment and Division Workplans

Goal alignment is the process by which all members of the SCCOE Leadership Team work collaboratively with our strategic plan. Division workplans ensure that members of the Leadership Team are informed about the priorities of their divisions and are primed to provide

guidance and support to departments and individuals in crafting appropriate and ambitious goals and work priorities. Individual goals generated in the Coaching for Continuous Growth or Coaching for Performance Improvement process should demonstrate a connection to the SCCOE strategic plan and the division work plan.

6.1.4 Leadership Team Performance Management Timelines and Forms

Coaching for Continuous Growth

Ongoing documentation of the coaching process will be captured each trimester by the coach and the leadership team member using the *Coaching for Continuous Growth* online form on the *Evaluat'd* performance management portal. If the leader is meeting performance expectations, coach and leader will continue the *Coaching for Continuous Growth* process. If the coach believes the leadership team member requires additional support to meet expectations and reach goals, they will initiate the *Coaching for Performance Improvement* process immediately upon completion of the *Coaching for Continuous Growth* cycle.

Coaching for Performance Improvement

The coach should begin documenting performance improvement goals immediately upon completing the *Coaching for Continuous Growth* cycle if it has been determined that performance expectations have not been met. The timeline for the *Coaching for Performance Improvement* cycle should be established by the coach in consultation with the leader as they identify the type of support and frequency of ongoing supervision that are required to help the leader meet expectations and achieve goals.

6.1.5 Due Dates

Certificated

Online forms for Coaching for Continuous Growth and Coaching for Performance Improvement for all certificated leadership team members shall be submitted to Employment Services at the end of each trimester.

Depending on the facts and circumstances of the situation, reasonable effort will be made to provide the member as much advance notice as possible before being released effective June 30. 6.2 DISCIPLINE

The SCCOE acknowledges and accepts its responsibility to work with leadership team members when job performance, rules infraction or other problems arise. The SCCOE holds strongly to the framework of progressive discipline, believing that a system of sequenced, tempered, and deliberate actions is the most effective and fair means of managing employee discipline.

Leaders may be placed on administrative leave with pay whenever the Superintendent or designee finds that doing so is in the best interests of SCCOE, which may include, but is not limited to, situations where a Leader is under investigation or disciplinary action is pending.

6.2.3 Due Process – Certificated Leaders

The following due process procedure applies to disciplinary action involving suspension, involuntary reassignments, involuntary demotion, and dismissal of certificated employees.

Prior to the implementation of a suspension, disciplinary involuntary reassignment, involuntary demotion, or dismissal, the appropriate Division Head will provide the certificated employee with notice of the proposed disciplinary action which will state the causes for discipline and summarize the grounds for the disciplinary action. Employment Status

Absence for military leave shall not affect the classification of any certificated employee. In the case of a certificated probationary employee, the period of such absence shall not count as part of the service required to obtain permanent status but shall not be construed as a break in the continuity of service for any purpose. (Education Code 44800)

(cf. 4116 - Probationary/Permanent Status)

Reinstatement Rights

At the conclusion of the military duty, an employee shall be promptly reinstated in the position held at the beginning of the leave, at the salary to which they would otherwise have been entitled, except under the conditions noted below. (Education Code 44800; Military and Veterans Code 395, 395.2; 38 USC 4304, 4313; 20 CFR 1002.180-1002.181)

(cf. 4030 - Nondiscrimination in Employment)

(cf. 4031 - Complaints Concerning Discrimination in Employment)

Any employee who performs active military duty in time of war, national emergency, or United Nations military or police operation has a right to return to their position within six months of

an honorable discharge or placement on inactive duty. Reinstatement rights shall not be extended to any such employee who fails to return within 12 months after the first date upon which he/she could terminate or could cause to be terminated their active service. (Education Code 44800; Military and Veterans Code 395.1)

When an employee has been on military leave for reasons other than war or national emergency, the time frame for reinstatement shall depend on the length of military service as follows: (38 USC 4312; 20 CFR 1002.115, 1002.118)

1. For a leave of 30 days or fewer, the employee shall report for duty no later than the beginning of the first full work day following the completion of military service, provided the employee has a period of eight hours to rest following transportation to their residence.
2. For a leave of 31-180 days, the employee shall submit a written or verbal application for reinstatement not later than 14 days after the completion of military service.
3. For a leave of more than 180 days, the employee shall submit a written or verbal application for reinstatement within 90 days after the completion of military service.

In cases where reporting within the periods specified in items #1 and #2 above is impossible or unreasonable through no fault of the employee, he/she shall report as soon as possible after the expiration of the period. (38 USC 4312; 20 CFR 1002.115, 1002.117)

An employee who is hospitalized for, or convalescing from, an illness or injury incurred in or aggravated during the performance of military service shall report for duty or submit an application for reinstatement at the end of the period that is necessary to recover from such illness or injury, but no more than two years after the completion of military service unless circumstances beyond the employee's control make reporting within the two-year period impossible or unreasonable. (38 USC 4312; 20 CFR 1002.116)

(cf. 4032 - Reasonable Accommodation)

Upon receiving an application for reinstatement, the Superintendent or designee shall reinstate the employee as soon as practicable under the circumstances of their case, but within a time period not to exceed two weeks, absent unusual circumstances. (20 CFR 1002.181)

If the employee's previous position has been abolished, they shall be reinstated in a position of like seniority, status, and pay, if such position exists, or to a comparable vacant position for which he/she is qualified. (Military and Veterans Code 395, 395.1; 38 USC 4313; 20 CFR 1002.192)

An employee failing to apply for reinstatement within the appropriate period does not automatically forfeit their rights, but shall be subject to the Board's rules governing unexcused absences. (38 USC 4312)

AR 4161.5 CONTINUED

The Superintendent or designee may elect not to reinstate an employee following military leave if any of the following conditions exists:

1. The SCCOE's circumstances have so changed as to make such re-employment impossible or unreasonable, such as a reduction in force that would have included the employee. (38 USC 4312; 20 CFR 1002.139)
2. The accommodation, training, or effort described in 38 USC 4313(a)(3), (a)(4), or (b)(2)(B) would impose an undue hardship on the SCCOE as defined in 20 CFR 1002.5 or 1002.198. (38 USC 4312; 20 CFR 1002.139)
3. The employee's position was for a brief, nonrecurrent period and there was no reasonable expectation that such employment will continue indefinitely or for a significant period. (38 USC 4312; 20 CFR 1002.139)
4. The employee's cumulative length of absence and length of all previous military leave while employed with the SCCOE exceeds five years, excluding those training and service obligations specified in 38 USC 4312(c). (38 USC 4312; 20 CFR 1002.99-1002.103)
5. The employee was separated from military service with a disqualifying discharge or under other than honorable conditions. (Military and Veterans Code 395.1; 20 USC 4304, 4312; 20 CFR 1002.134-1002.138)

Notices

The Superintendent or designee shall provide employees a notice of the rights, benefits, and obligations of employees granted military leave and of the SCCOE under the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 USC 4301-4334. (38 USC 4334)

This requirement may be met by posting the notice where the SCCOE customarily places notices for employees. (38 USC 4334)

When an employee or a member of their family experiences a catastrophic illness or injury which requires the employee to take time off from work for an extended period of time, and the employee has exhausted all available sick leave and other paid time off, they may request donations of sick leave credits. (Education Code 44043.5)

In making such a request, the employee shall provide verification of the catastrophic injury or illness. (Education Code 44043.5)

Verification shall be made by means of a letter, dated and signed by the sick or injured person's physician, indicating the incapacitating nature and probable duration of the illness or injury.

Upon determination that the employee is unable to work due to their own or a family member's catastrophic illness or injury, any other employee, upon written notice to the County Superintendent or designee, may donate and/or sick leave credits to the requesting employee. Donations shall be in one day increments to a sick leave bank. (Education Code 44043.5)

All transfers of eligible leave credit shall be irrevocable. (Education Code 44043.5)

The County Superintendent or designee shall ensure that all donations are confidential.

The employee who is the recipient of the donated leave credits shall use those credits until end of work year.

Last Revised	October 25, 2017

When it is beneficial to the Santa Clara County Office of Education (SCCOE), the Santa Clara County Superintendent of Schools (County Superintendent) may offer certificated employees the option to retire early in accordance with law.

Two Years of Service Credit Retirement Incentive

As an incentive to early retirement for certificated employees participating in the State Teachers' Retirement System (STRS), the County Superintendent or designee may offer such employees an additional two years of service credit. (Education Code 22714, 44929)

Before taking formal action to approve this service incentive, the County Superintendent shall determine that encouraging early retirement would be in the best interest of the SCCOE due to the curtailment of services or changes in the manner in which services are performed and that the retirement will result in a net savings to the SCCOE. The County Superintendent shall demonstrate and certify that the formal action taken would result in a net savings to the SCCOE. (Education Code 22714, 44929)

The County Superintendent or designee may also consider the impact of the early retirement option on the staffing needs of SCCOE schools.

To be eligible for the two years of service credit option, the employee must have five or more years of service credit and must retire during a period of 60 to 120 days after the County Superintendent takes formal action to implement the option. (Education Code 22714)

In providing the early retirement option, the SCCOE shall meet all conditions as specified in Education Code 22714 and 44929.

Two + Two Retirement Incentive: 2 Years of Service Credit + 2 Years of Age Credit

As an incentive to early retirement for certificated employees participating in the State Teachers' Retirement System, the County Superintendent may offer an additional two years of service credit and two years of age credit to employees who retire within the "window period" established by the SCCOE prior to January 1, 2005 pursuant to repealed Education Code 22714.5.

Every person employed by a school district as a probationary or permanent employee in a position requiring certification qualifications who enters the active military service of the United States of America or of the State of California, including active service in any uniformed auxiliary of, or to, any branch of such military service, created or authorized as such auxiliary by the Congress of the United States of America or by the Legislature of the State of California, or in the service of the United States Merchant Marine, or in full-time paid service of the American Red Cross, during any period of national emergency declared by the President of the United States of America or during any war in which the United States of America is engaged, shall be entitled to absent himself from his duties as an employee of the district.

Such absence shall not affect in any way the classification of such employee. In the case of a probationary employee, the period of such absence shall not count as part of the service required as a condition precedent to the classification of such employee as a permanent employee of the district, but such absence shall not be construed as a break in the continuity of the service of such employee for any purpose.

The dismissal or termination of any probationary employee because of reduced attendance due to war conditions, after his entry into the active military service or service in the American Red Cross, shall not deprive him of any of the benefits of this section.

Within six months after such employee honorably leaves such service or has been placed on inactive duty he shall, subject to the provisions of this section, be entitled to return to the position held by him at the time of his entrance into such service, at the salary to which he would have been entitled had he not absented himself from the service of the school district under this section.

If such employee was employed under a lawful contract for a period in excess of one year in a position in which he had not become a permanent employee of the district, he shall be entitled to return to such position for the period his contract of employment had to run at the time he entered such service. Notwithstanding any provision of this code to the contrary, a person employed to take the place of any such employee shall not have any right to such position following the return of such employee to the position.

(a) The governing board of a school district shall grant to any employee, upon request, a leave of absence without loss of compensation for the purpose of enabling the employee to serve as an elected officer of any local school district public employee organization, or any statewide or national public employee organization with which the local organization is affiliated.

The leave shall include, but is not limited to, absence for purposes of attendance by the employee at periodic, stated, special, or regular meetings of the body of the organization on which the employee serves as an officer. Compensation during the leave shall include retirement fund contributions required of the school district as employer. The required employer contribution rate shall be the rate adopted by the Teachers' Retirement Board as a plan amendment with respect to the Defined Benefit Program as provided in Section 22711. The employee shall earn full-service credit during the leave of absence and shall pay member contributions as prescribed by Section 22711. The maximum amount of the service credit earned may not exceed twelve years. Any employee who serves as a full-time officer of a public employee organization is not eligible for disability benefits under the State Teachers' Retirement Plan while on the leave of absence.

Following the school district's payment of the employee for the leave of absence, the school district shall be reimbursed by the employee organization of which the employee is an elected officer for all compensation paid the employee on account of the leave. Reimbursement by the employee organization shall be made within 10 days after its receipt of the school district's certification of payment of compensation to the employee.

For purposes of this section, "school district" also means "county superintendent of schools."

(b) An employee who after August 31, 1978, was absent on account of elected-officer service, shall receive full service credit in the State Teachers' Retirement Plan; provided that, not later than April 30, 1981: (1) the employee makes a written request to the employer for a leave of absence for the period of the elected-officer service, and (2) the employee organization of which the employee is an elected officer pays to the employee's school district an amount equal

The school district, following this written request and payment, shall transmit the amount received to the State Teachers' Retirement System, informing it of the period of the employee's leave of absence. The State Teachers' Retirement System shall credit the employee with all service credit earned for the period of the elected-officer leave of absence.

If the employee has been compensated by the school district for the period of the service, then, as a condition to the employee's entitlement to service credit for this period, the school district shall be reimbursed by the employee organization for the amount of the compensation.

The provisions of this subdivision shall apply retroactively to all service as an elective officer in a public employee organization occurring after August 31, 1978.
