AGENDA ITEM VI – A (NEW BUSINESS - ACTION)

APPROVAL / RATIFICATION OF
ESTABLISHING CLASSIFICATION, ASSOCIATED CLASSIFICATION SPECIFICATION AND RECOMMENDING
SALARY RANGE

BACKGROUND

The School Climate, Leadership and Instructional Services Department proposes establishing the Administrative Data Technician - Senior position to better meet the needs of the program and the schools and districts that it supports.

The purpose of the TUPE program is to reduce youth tobacco usage by helping young people make healthy tobacco-related decisions through research-validated educational instruction and activities, as well as empower the next generation of tobacco-free advocates. An increase in grant revenue necessitates the need for an Administrative Data Technician – Senior to perform high-level duties related to the preparation of fiscal, expenditure and program reports needed by the grant funders as well as SCCOE Accounting Department, in additional to essential data collection to meet the grant goals and objectives.

Based on the concept of the classification, and an audit of similar positions and positions within the department and SCCOE, to ensure a robust internal structure, the salary range for Administrative Data Technician - Senior is recommended at Range 48.0.

A copy of the classification specification is enclosed.
