AGENDA ITEM VI – A (NEW BUSINESS – ACTION)

**APPROVAL / RATIFICATION OF CLASSIFICATION SPECIFICATION REVISION, RETITLING
AND RANGE MODIFICATION**

BACKGROUND

The Santa Clara County Office of Education proposes revising the Custodian classification concept into an alternate classification series titled, Custodian I/II.

The creation of the alternate class series will better meet the needs of the department as added duties will address identified departmental needs and will support increased standards for the maintenance of classrooms and sites. This change will also provide a growth opportunity for Custodial staff as following one year of incumbency as a Custodian I, they will move to Custodian II upon demonstration of required skills.

Current Custodians with one year or more of incumbency will be reassigned to Custodian II following the completion of training related to added duties, which will be provided following the approval of these revisions. The Custodian I will remain at the current Range 36.5. The recommended Salary Range for Custodian II is 38.0.

A copy of the classification specification is enclosed.

PERSONNEL COMMISSION ANNUAL REPORT 2021 - 2022

BACKGROUND

An Annual Report is prepared each year summarizing the activities of the Commission's staff during the preceding fiscal year. A copy of the Annual Report is included.

RECOMMENDATION

It is recommended the Personnel Commission approve the Annual Report for 2021-2022.

OPENING STATEMENT

In compliance with the requirements of the California Education Code, section 45266, the Personnel Commission presents an Annual Report of its activities. This Annual Report highlights the personnel actions and activities completed by the Commission's staff during the 2021-2022 fiscal year.

ABOUT THE PERSONNEL COMMISSION

The Merit System was established and enacted into law in 1935 to provide statutory protection to classified employees through the Education Code against politically or personally motivated employment, promotion, discipline, or dismissal actions.

The Santa Clara County Office of Education's Merit System and its Personnel Commission were established on July 1, 1973, when the County Office of Education formally separated from the County Board of Supervisors and the County of Santa Clara.

The Merit System is a personnel system of rules and procedures administered by the Personnel Commission. Education Code section 45260 states that the rules and regulations adopted by the Personnel Commission shall be binding on all classified employees and provides procedures to be followed by the Governing Board as they pertain to classified staff.

The Merit System ensures fair and equitable treatment in all personnel management matters without regard to race, color, age, ancestry, religion, political affiliation, disability, marital status, medical condition, sexual orientation, or gender and with proper regard for individual privacy and constitutional rights.

The Personnel Commission establishes, amends and interprets rules and regulations to ensure the efficiency of the classified service, conducts recruitment from all segments of society and advancement on the basis of relative ability, knowledge, and skill, provides for the selection and retention of classified employees upon a basis of merit and fitness, and maintains a classification plan that allocates positions into classes on the basis of duties and responsibilities assigned by the County Superintendent of Schools.

MEMBERS OF THE PERSONNEL COMMISSION

The Personnel Commission is an independent body comprised of three persons appointed for three-year terms. Commissioners must be residents and registered voters of the County of Santa Clara, and, also, be known adherents to the principles of merit. Each member is appointed in a different manner.

- **Nicholas R. Gervase, President**, is retired from the Santa Clara Unified School District and serves as the Board's appointee to the Commission. During his 38-year career in public education, Commissioner Gervase served in both teaching and administrative positions including, District Superintendent and Associate Superintendent - Personnel/Employee Relations for the Santa Clara Unified School District.

Commissioner Gervase was originally seated on the Commission in March 1999. His current term expires in December 2024.

- **Libby Spector, Vice President**, is a retired Field Representative from the Service Employees' International Union (SEIU), Local 521 and serves as the classified employees' appointee to the Commission. In addition to her Commission responsibilities, Commissioner Spector is a past member of the Personnel Board for the County of Santa Clara.

Commissioner Spector was originally seated on the Commission in March 1996. Her current term expires in December 2023.

- **Rod Adams, Member**, is a retired employee of the Santa Clara Unified School District and serves as the Commission's Joint Appointee. Meaning, the Board's Commission appointee, and the classified employees' Commission appointee, jointly appoint this Commissioner position. Through his career, Commissioner Adams has also held various roles including Teacher, Principal, Human Resources Director, and Superintendent of Schools.

Commissioner Adams was originally seated on the Commission in December 2021. His current term expires in December 2022.

PERSONNEL COMMISSION DIRECTOR AND STAFF

The Director of Classified Personnel Services and staff are responsible to the Personnel Commission for carrying out all procedures in the administration of the Merit System and the rules of the Personnel Commission.
