## Goals and Actions

### English-Language Arts

**All Students will Reach High Standards in English Language Arts by 2013-14**

- **Provide Students with Supplemental Materials to Help Them Master the English Language Art Standards**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

- **Support English Language Arts Curriculum with Real-Life Experiences via Fieldtrips**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

- **Provide Students with Supplemental Services to Master Grade Level Standards**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

- **Increase student engagement by reducing the student to staff ratio.**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $1,102

### Mathematics

**All Students will Reach High Standards in Mathematics by 2013-14**

- **Provide Students with Supplemental Materials to Help Them Master the Math Standards**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

- **Support Math Curriculum with Real-Life Experiences via Fieldtrips**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

- **Provide Students with Supplemental Services to Master Grade Level Standards**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

- **Increase student engagement by reducing the student to staff ratio.**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $1,102

### English Language Development

**All Limited English Proficient Students will become Proficient in English**

- **Provide English Learners with Supplemental Materials to help Them Master Grade Level Standards**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

- **Support English Language Development with Real-Life Experiences via Fieldtrips**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

- **Provide Students with Supplemental Services to Master Grade Level Standards**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

- **Increase student engagement by reducing the student to staff ratio.**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $1,102

### School Climate

**Students will be Educated in Learning Environments that are Conducive to Learning**

- **Provide Students with Supplemental Materials to Support Safe Learning Environments**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

- **Motivate and Educate Students with Real-Life Experiences via Fieldtrips**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

- **Provide Students with Supplemental Services to Master Grade Level Standards**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

- **Increase student engagement by reducing the student to staff ratio.**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $1,102

### Other

**All Students will Graduate from High School**

- **Provide Students with Supplemental Materials to Help Them Master the Requirements for Graduation**
  - Start Date: 7/1/2011
  - Completion Date: 6/29/2012
  - Amount: $55

Total Annual Expenditures for Current Site Plan: $6,332.00
Goals

Form A: Planned Improvements in Student Performance
The school site council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet API and AYP growth targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of student groups not meeting state standards:

Goal Area: English-Language Arts

Goal Title: All Students will Reach High Standards in English Language Arts by 2013-14

All students will reach high standards; at a minimum, attaining proficiency or better in reading by 2013-14.

What data did you use to form this goal (findings from data analysis)?

How does this goal align to your Local Educational Agency Plan goals?
This goal is included in our Local Educational Agency Plan.

What did the analysis of the data reveal that led you to this goal?

Which stakeholders were involved in analyzing data and developing this goal?

Who are the focus students?
All underachieving students

What is the expected growth?
Each year all significant underachieving student subgroups will decrease by 33% the number of students performing below the proficient level as measured on the English Language Arts portion of the California Standards Test (CST). Maintaining this yearly rate of improvement will enable all students to attain a score of Proficient or better on the English Language Arts portion of the CST by 2013-14.

What data will be collected to measure student achievement?
Formative Assessments
California Standards Test
California High School Exit Exam

What process will you use to monitor and evaluate the data?
Progress towards this goal will be measured based on the CST results.

Actions to improve achievement to exit program improvement (if applicable).
**Action Title:** Provide Students with Supplemental Materials to Help Them Master the English Language Art Standards

**Means of Achievement:** Improvement of instruction strategies and materials

**Tasks:**
Evaluate current core and supplemental curriculum and determine what; materials, software, instructional supplies, equipment, etc. are needed to help underachieving students master the English Language Arts academic standards.

**Measures:**
The numbers of students passing the California English Language Development Test will increase.
Students' academic performance will improve as measured on standards aligned formative assessments
Students' academic performance will improve as measured on the California Standards Test.
The percentage of students passing the California High School Exit Exam will increase.

**People Assigned:**
Director of Alternative Schools
Principal
Teacher
Coordinator of Categorical and Special Projects

**Start Date:** 7/1/2011  
**Completion Date:** 6/29/2012

Form A: Planned Improvements in Student Performance

The school site council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet API and AYP growth targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of student groups not meeting state standards:

**Goal Area: English Language Development**

**Goal Title: All Limited English Proficient Students will become Proficient in English**

The Alternative Placement Academy, in collaboration with the Coordinator of Multilingual Programs from the SCCOE Educational Services Department, has developed a master plan describing the English Learner (EL) program. The plan details how APA will implement program policies, EL Academic plans, curriculum, assessment tools as well as professional development to assure that all of our EL students become proficient in English.

**What data did you use to form this goal (findings from data analysis)?**

**How does this goal align to your Local Educational Agency Plan goals?**

**What did the analysis of the data reveal that led you to this goal?**

**Which stakeholders were involved in analyzing data and developing this goal?**

**Who are the focus students?**

All underachieving English Learner (EL) students

**What is the expected growth?**

The numbers of students passing the California English Language Development Test will increase. Students’ academic performance will improve as measured on standards aligned formative assessments. Students’ academic performance will improve as measured on the California Standards Test. The percentage of students passing the California High School Exit Exam will increase.

**What data will be collected to measure student achievement?**

Performance of underachieving EL students on CELDT, CST in ELA, and course completion

**What process will you use to monitor and evaluate the data?**

CELDT Results
CAHSEE Results

**Actions to improve achievement to exit program improvement (if applicable).**
Action Title: Provide English Learners with Supplemental Materials to help Them Master Grade Level Standards

Goal Area: Other

Goal Title: All Students will Graduate from High School

Alternative Placement Academy will reduce the percentage of students dropping out of school, and therefore, increase the percentage of students who graduate from high school. The utilization of Student Success Plans (SSPs) will help to support students in achieving graduation or its equivalency through the process of completing an educational plan to get the most from the time they are enrolled in one of the sites. Students will be given the opportunity to participate in a Credit Recovery Program to earn specific credits in courses in addition to the regular courses offered during the school day. The California High School Exit Exam (CAHSEE) is offered 3 times during the school year as well as 1 time during the summer to maximize passing rates.

What data did you use to form this goal (findings from data analysis)?

How does this goal align to your Local Educational Agency Plan goals?

What did the analysis of the data reveal that led you to this goal?

Which stakeholders were involved in analyzing data and developing this goal?

Who are the focus students?
All underachieving students

What is the expected growth?
The percentage of students passing the California High School Exit Exam will increase.
The numbers of students passing the California English Language Development Test will increase.
Students’ academic performance will improve as measured on standards aligned formative assessments
Students’ academic performance will improve as measured on the California Standards Test.

What data will be collected to measure student achievement?
California High School Exit Exam data
Graduation Rate data

What process will you use to monitor and evaluate the data?
California High School Exit Exam Passing Rate
Graduation Rate

Actions to improve achievement to exit program improvement (if applicable).
**Action Title: Provide Students with Supplemental Materials to Help Them Master the Requirements for Graduation**

**Means of Achievement: Alignment of instruction with content standards**

**Tasks:**
Evaluate current core and supplemental curriculum and determine what; materials, software, instructional supplies, equipment, etc. are needed to help underachieving students master the academic standards required for graduation.

**Measures:**
The percentage of students passing the California High School Exit Exam will increase.
The graduation rate will increase.
Students’ academic performance will improve as measured on standards aligned formative assessments
Students’ academic performance will improve as measured on the California Standards Test.

**People Assigned:**
Director of Alternative Schools
Principal
Teacher
Coordinator of Categorical and Special Projects

**Start Date:** 7/1/2011  
**Completion Date:** 6/29/2012

Action Title: Support the High School Academic Graduation Requirements with Real-Life Experiences via Fieldtrips

Means of Achievement: Increased educational opportunity

Tasks:
Assist underachieving students in mastering the High School Academic Graduation requirements with real-life experiences in community-based education via trips to museums and other educational settings that are specifically aligned to core curriculum.

Measures:
The percentage of students passing the California High School Exit Exam will increase.
The numbers of students passing the California English Language Development Test will increase.
Students' academic performance will improve as measured on standards aligned formative assessments.
Students' academic performance will improve as measured on the California Standards Test.

People Assigned:
The Director of Alternative Schools
Principal
Teacher
Coordinator of Categorical and Special Projects

Start Date: 7/1/2011 Completion Date: 6/29/2012

**Means of Achievement: Auxiliary services for students and parents**

**Tasks:**
Evaluate current student needs and then procure services, trainings, and other supplemental services to help underachieving students perform at grade level.

**Measures:**
- Students’ academic performance will improve as measured in standards aligned formative assessments.
- Students’ academic performance will improve as measured on the California Standards Test.
- The percentage of students passing the California High School Exit Exam will increase.

**Action Title:** Increase student engagement by reducing the student to staff ratio.

**Means of Achievement: Extended learning time**

**Tasks:**
Provide under achieving students with additional academic support by increasing the Educational Assistants available hours in the academic day.

**Measures:**
- The number of High school graduates will increase.
- Students' academic performance will improve as measured on standards aligned formative assessments. Students' academic performances will improve on the California Standards Test (CST).
- The percentage of students passing the California High School Exit Exam (CAHSEE) will increase.
- The percentage of students passing the California English Language Development Test (CELDT) will increase.

**Total amount of categorical funds allocated to this school:** $6,332 $6,332 $0
1. Use of state and local assessments to modify instruction and improve student achievement (ESEA):

State assessments were reviewed at the beginning of the school year and goals were established. The teacher developed personal goals based on standards analysis. Local benchmark assessments are taken throughout the year. The school is to developing strategies to provide differentiated instruction for students not meeting mastery.

2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC):

The school uses system of frequent formative assessments and local benchmark assessments aligned to standards that provides timely data on students' progress. Results from these assessments are used to inform the teacher on the students' progress, and the effectiveness of instruction.

3. Status of meeting requirements for highly qualified staff (ESEA):

At this school, 100% of teachers of core academic subjects qualify as Highly Qualified Teachers. All teachers of core academic subjects possess at least a bachelor's degree, hold the appropriate credential for the academic subjects they teach, and have demonstrated knowledge and competence in the subjects they teach.

4. Principals' Assembly Bill (AB) 75 training on State Board of Education (SBE) adopted instructional materials (EPC):

The district provides additional hours of professional development for all subject areas, grade levels, and ELD, that focuses on curricular and instructional materials.

5. Sufficiency of credentialed teachers and teacher professional development (e.g., access to AB 466 training on SBE-adopted instructional materials) (EPC):

We have a comprehensive staff development program that is supported in our calendar and is aligned with our school plan goals. The process of the school plan supports our analysis of data to establish goals for the following year.

6. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA):

The district provides instructional assistance and ongoing support to teachers of all subjects and grade levels. Teachers receive professional development from content experts from the Educational Services Branch to deepen their knowledge about the subject content and delivery of instruction.

7. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC):

The school utilizes textbooks and supplemental materials that are aligned with state standards in English language arts, mathematics, and science.

8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA):

The school complies with and monitors the daily implementation of instructional time for English language arts and mathematics core programs, the intensive interventions, as well as additional time for strategic support and ELD for identified English Learners. This time is given priority during the school day.

9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K-8) (EPC):

The district prepares, distributes, and monitors the use of the annual instructional/assessment pacing guide being used for all subjects, including strategic support and intensive intervention reading and mathematics programs, in order for all teachers to follow a common sequence of instruction and assessment.

10. Lesson pacing schedule (K-8) and master schedule flexibility for sufficient numbers of intervention courses (EPC):

Every student has access to standards-based instructional materials appropriate to his or her student group description, which include English Learners and Title I.

11. Use of state and local assessments to modify instruction and improve student achievement (ESEA):

The school is to developing strategies to provide differentiated instruction for students not meeting mastery.

12. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA):

The district provides additional hours of professional development for all subject areas, grade levels, and ELD, that focuses on curricular and instructional materials.

13. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC):

The school utilizes textbooks and supplemental materials that are aligned with state standards in English language arts, mathematics, and science.

14. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA):

The school complies with and monitors the daily implementation of instructional time for English language arts and mathematics core programs, the intensive interventions, as well as additional time for strategic support and ELD for identified English Learners. This time is given priority during the school day.

15. Adherence to recommended instructional minutes for reading/language arts and mathematics (K-8) (EPC):

The district prepares, distributes, and monitors the use of the annual instructional/assessment pacing guide being used for all subjects, including strategic support and intensive intervention reading and mathematics programs, in order for all teachers to follow a common sequence of instruction and assessment.

16. Lesson pacing schedule (K-8) and master schedule flexibility for sufficient numbers of intervention courses (EPC):

Every student has access to standards-based instructional materials appropriate to his or her student group description, which include English Learners and Title I.
The school provides universal access to the current core subject programs, and the ancillary materials for those programs. The school also provides the current intensive interventions for English language arts, ELD, and mathematics. These programs are implemented as designed and are documented to be in daily use in every classroom, with materials for every student.

1. Use of standards-based State Board of Education (SBE)-adopted (kindergarten through grade eight) or standards-aligned (grade nine through twelve) English/reading/language arts and mathematics instructional materials, including intensive interventions and * English Language Development materials.

2. Implementation of instructional minutes for basic core Reading/Language Arts and mathematics programs, intensive intervention and strategic support courses as well as additional instructional time for structured English Language Development at all grade levels.

3. Use of an annual district instructional/assessment pacing guide for grades K-8 and high school.

4. Implementation of School Administrator Instructional Leadership Training Program- Instructional materials based professional development and ongoing targeted professional development and support for instructional leaders to ensure the full implementation of the district adopted program and the EPCs.

5. Fully credentialed, highly qualified teachers, per the requirements of the Elementary and Secondary Education Act (ESEA) and professional development on SBE-adopted instructional materials.

6. Implementation of ongoing instructional assistance and support for R/LA, ELD and mathematics teachers through the use of content experts, specialists, and instructional coaches.

7. For all grade levels, implementation of a student achievement monitoring system that provides timely data from common formative and curriculum-embedded and summative assessments for teachers and principals to use to monitor ongoing student progress, identify student needs, inform instruction and determine effectiveness of instructional practices and implementation of the adopted programs.

8. Implementation of monthly structured teacher collaboration for all RLA/ELD and mathematics teachers by grade level (K-8) and common course and department levels (9-12) facilitated by the principal.

9. Implementation of Fiscal Support aligned to full implementation of EPCs.
