

## SCHOOL EXCURSIONS

### PARENT/GUARDIAN PERMISSION FORM

Throughout your child's enrollment in our school program, there will be many times when his/her class will be going on outings to nearby parks, stores or restaurants. Such excursions are fully supervised and planned according to the weather, each individual child's tolerance for the activity and the validity of the activity as a contribution to the child's social and emotional growth. Some of these trips will be made by public transportation.

In the event of illness or injury, I do hereby consent to whatever x-ray, examination, anesthetic, medical, surgical or dental diagnosis or treatment and hospital care are considered necessary in the best judgment of the attending physician, surgeon or dentist and performed by or under the supervision of a member of the hospital or facility furnishing medical or dental services.

I fully understand that participants are to abide by all rules and regulations governing conduct during the trip. Any violation of these rules and regulations may result in that individual being sent home at the expense of his/her parent/guardian.

My son/daughter has permission to participate in the school-sponsored excursions for the duration of his/her attendance in this program, as well as to use public transportation.
