PERSONNEL COMMISSION ANNUAL REPORT 2019 - 2020

BACKGROUND

An Annual Report is prepared each year summarizing the activities of the Commission's staff during the preceding fiscal year. Thus, presented before the Personnel Commission is a draft of the Annual Report for 2019-2020, for Commissioner review. The final version of the Annual Report will be presented at the February, 2021 Personnel Commission meeting. Among other information, the Annual Report provides statistical information relating to applications, recruitment and classified staffing, as well as disciplinary hearings and appeals data.

A copy of the draft Annual Report is included.

RECOMMENDATION

It is recommended the Personnel Commission review the Annual Report draft for 2019-2020, for approval at the February, 2021 Personnel Commission meeting.
OPENING STATEMENT

In compliance with the requirements of the California Education Code, section 45266, the Personnel Commission presents an Annual Report of its activities. This Annual Report highlights the personnel actions and activities completed by the Commission's staff during the 2019-2020 fiscal year.

ABOUT THE PERSONNEL COMMISSION

The Merit System was established and enacted into law in 1935 to provide statutory protection to classified employees through the Education Code against politically or personally motivated employment, promotion, discipline, or dismissal actions.

The Santa Clara County Office of Education's Merit System and its Personnel Commission were established on July 1, 1973, when the County Office of Education formally separated from the County Board of Supervisors and the County of Santa Clara.

The Merit System is a personnel system of rules and procedures administered by the Personnel Commission. Education Code section 45260 states that the rules and regulations adopted by the Personnel Commission shall be binding on all classified employees and provides procedures to be followed by the Governing Board as they pertain to classified staff.

The Merit System ensures fair and equitable treatment in all personnel management matters without regard to race, color, age, ancestry, religion, political affiliation, disability, marital status, medical condition, sexual orientation, or gender and with proper regard for individual privacy and constitutional rights.

The Personnel Commission establishes, amends and interprets rules and regulations to ensure the efficiency of the classified service, conducts recruitment from all segments of society and advancement on the basis of relative ability, knowledge, and skill, provides for the selection and retention of classified employees upon a basis of merit and fitness, and maintains a classification plan that allocates positions into classes on the basis of duties and responsibilities assigned by the County Superintendent of Schools.
MEMBERS OF THE PERSONNEL COMMISSION

The Personnel Commission is an independent body comprised of three persons appointed for three-year terms. Commissioners must be residents and registered voters of the County of Santa Clara, and, also, be known adherents to the principles of merit. Each member is appointed in a different manner.

- **Libby Spector, President**, is a retired Field Representative from the Service Employees’ International Union (SEIU), Local 521 and serves as the classified employees’ appointee to the Commission. In addition to her Commission responsibilities, Commissioner Spector is a past member of the Personnel Board for the County of Santa Clara.

  Commissioner Spector was originally seated on the Commission in March 1996. Her current term expires in December 2020.

- **Nicholas R. Gervase, Vice President**, is retired from the Santa Clara Unified School District and serves as the Board’s appointee to the Commission. During his 38 year career in public education, Commissioner Gervase served in both teaching and administrative positions including, District Superintendent and Associate Superintendent - Personnel/Employee Relations for the Santa Clara Unified School District.

  Commissioner Gervase was originally seated on the Commission in March 1999. His current term expires in December 2021.

- **Rodney Martin, Member**, is a retired facilities, maintenance, and operations manager from the Oak Grove School District, and serves as the Commission’s Joint Appointee. Meaning, the Board’s Commission appointee, and the classified employees’ Commission appointee, jointly appoint this Commissioner position. Commissioner Martin has also held principal and teaching positions for the Santa Clara Unified School District.

  Commissioner Martin was originally seated on the Commission in January 2002. His current term expires in December 2022.

PERSONNEL COMMISSION DIRECTOR AND STAFF

The Director of Classified Personnel Services and staff are responsible to the Personnel Commission for carrying out all procedures in the administration of the Merit System and the rules of the Personnel Commission. The Director serves as secretary and executive officer to the Personnel Commission, supervises commission staff, and oversees all other activities relating to recruitment, selection, classification, compensation, and disciplinary appeal hearings for the classified service of the Santa Clara County Office of Education.

### HIGHLIGHTS

- The second half of the year provided many challenges due to COVID and the shelter-in-place order. Ongoing and new recruitments were put on hold until late April and were sporadic until July when new recruitments returned at full force. The CPS team worked diligently to transition all in-person recruitment processes to completely virtual processes. While these changes presented their own set of challenges, we have been successful in moving forward recruitments.
- In 2019-2020, Classified Personnel Services received 2,174 applications, down from the previous year, but expected due to the current circumstances. Every application received requires CPS staff to review, analyze, and collect information, as well as communication to applicants and responding to inquiries.
- SCCOE continues to be successful in promoting from within, with approximately 25% of vacant positions (excluding lateral transfers) being filled via promotion.
- Staff attended two job fairs during the 2019-2020 fiscal year. A number of job fairs that we were scheduled to attend in the Spring were cancelled due to COVID.
