Goals

- **Professional development goals**
 - GOAL 5: The SCCOE will be the premier employer in Santa Clara County with an organizational culture that supports employee success.
 - To participate in professional development lectures and networking opportunities.

Goals Cont.

- **Project goals**
 - Give one an opportunity to practice business presentations in a safe, professional, and respectful environment.
 - Provide a great experience for both individuals with preference for introversion and extraversion.
 - Save time and effort while improving customer service.

Accomplishments/Successes

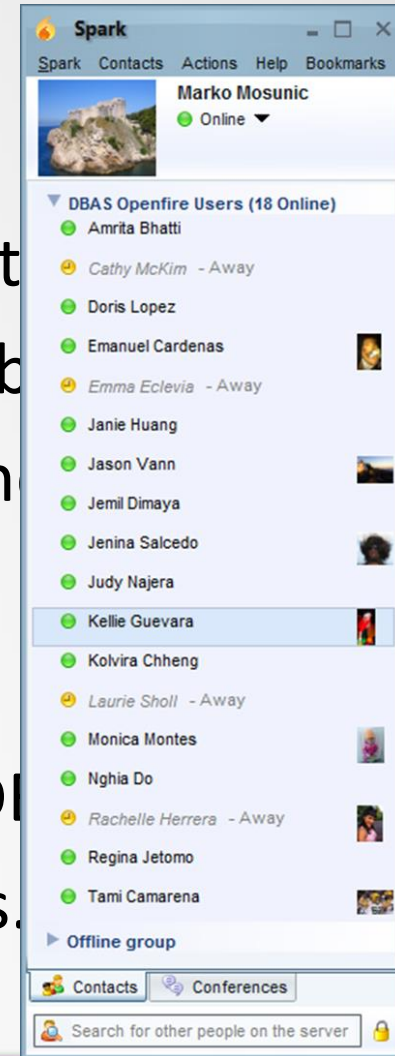

- **Department wide participation**

- All employees gave at least one 10 minute presentation
- Allowed an opportunity for all voices to be heard
- Gave an opportunity to better understand the different communication styles of all employees.

- **Department wide participation**

to all members in Department and print screens.

Key Learning

- **Communication styles of different individuals**
 - When one feels able to freely speak to their peers, they gain confidence in themselves and project that confidence to others.
 - The ability to express concern and give feedback on procedures within the organization will help foster a strong department and build a more cohesive unit.
 - Competitive environment may dampen progression by intimidation.
