Purpose of this Training

• To increase understanding of the requirements for the LCAP Federal Addendum

• To give information about timeline and guidelines for the document
LCAP and LCAP Addendum

• LCAP is a state plan that meets the LCFF requirements
• LCAP Federal Addendum, in combination with the Consolidated Application (ConApp) meets the requirements for ESSA
• both are connected to funding sources
Consolidated Application

• Districts apply for funding in CARS

• This application corresponds to which sections you will fill out on the federal addendum

• CARS is open May 15-June 30
Foundational Principle 2

Federal LEA Plan Requirements

LCAP

LCAP Federal Addendum

ConApp
About the Template

• The LCAP Federal Addendum should not drive the LCAP, the funds are supplemental to LCFF base and supplemental/concentration funds.

• LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.
Connection to LCAP

• Each provision for each program must be addressed, unless the provision is not applicable to the LEA.

• LEAs must provide a narrative that addresses the provision within the LCAP Federal Addendum Template (even if addressed in LCAP)
Supplement vs. Supplant

Title 3

Title 1

LCFF Supplemental and Concentration Grant

Additional Note From CDE:

LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA’s responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

Tips for Completing the Addendum

● Use lot of verbs
● Limit the use of adjectives and adverbs
● Write specifically to the provision
● Keep in mind that additional detail addressing requirements need to be maintained for compliance monitoring
Single Plan for Student Achievement (SPSA) Updated Template

● Voluntary template (may continue to use district or commercial templates)

● Aligned with LCAP format:
  ○ stakeholder involvement
  ○ goals, strategies and proposed expenditures, annual review and update
  ○ Budget summary and consolidation
Updated Template continued

- Includes a section for identification of verifiable state and/or local data used as a basis for each goal
- Section for identification of students to be served
- Outcome format includes metric, baseline and expected outcome
- Analysis mirrors LCAP implementation, effectiveness, material budget differences, changes
Single School District and Charter School Plans

- Previous Single School District (SSD) Plan Template is no longer applicable since it was aligned with NCLB.
- All charters and SSD’s must have an approved LCAP (for charters this is approved by charter board).
- In addition, charters and SSD’s applying for Federal funds currently must have:
  - LEA Plan Addendum
  - ConApp
  - SPSA
Singe School District and Charter School Plans

● CDE is looking at how to consolidate plans for SSD’s and charter schools
● Issues to be resolved:
  ○ LCAP is required by state law for all LEAs
  ○ CDE may not require access to LCAPs as part of compliance monitoring; therefore, SPSA is required to meet state and federal (For SWP) requirements
● LEA Plan Addendum is required for receipt of federal funds
Review and Approval

The Addendum is not included or submitted as part of an LEAs LCAP.

Addendums will be submitted to the CDE and will be reviewed at a readers conference in late September.

CDE will work with LEAs to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.
