

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP) COUNTY APPROVAL SUMMARY

District: East Side Union High School District

Contact: Assistant Superintendent Glenn Vander Zee

LCAP Year: 2015 – 2018

Overview: The Local Control Funding Formula (LCFF) is a significant change in the way California funds schools with the goal of providing more equitable funding to California schools with Local Control and flexibility to address the unique needs of districts to best serve their students and improve outcomes. As part of the LCFF, school districts, [County Offices of Education](COEs), and charter schools are required to develop, adopt, and annually update a three-year Local Control Accountability Plan, using a template adopted by the California State Board of Education (SBE). In addition the SBE is required to adopt evaluation rubrics to assist LEAs and oversight entities in evaluating strengths, weaknesses, areas that require improvement, technical assistance needs, and where intervention are warranted on or before ~~October 1, 2015~~, [July 1, 2016]. County superintendents must review school district LCAPs and ensure alignment of projected spending, services, and goals. COEs are required to provide technical assistance when they disapprove an LCAP.

Criteria for Approval:

Currently, there are three criteria for COE approval of a district LCAP [Education Code 52070 (d)]:

- **Criteria 1 – Adherence to the SBE Template**

The LCAP or annual update to the LCAP adheres to the template adopted by the SBE pursuant to Education Code Section 52064 (Appendix F)

- **Criteria 2 – Budget includes sufficient expenditures to support the LCAP**

The budget for the applicable fiscal year adopted by the governing board of the school district includes expenditures sufficient to implement the specific actions and strategies included in the district's board-adopted LCAP, based on the projections of the costs included in the plan. EC 42127(d)(1) states the county superintendent of schools shall disapprove a budget if the county superintendent of schools determines that the budget does not include the expenditures necessary to implement an LCAP.

- **Criteria 3 – Adherence to Expenditure Regulations**

The LCAP or annual update to the plan adheres to the expenditure requirements adopted pursuant to Education Code Section 42238.07, and Title 5, California Code of Regulations, Sections 15494-15497.5 (Appendix G), for funds apportioned on the basis of the number and concentration of unduplicated pupils pursuant to Sections 42238.02 and 42238.03

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP) COUNTY APPROVAL SUMMARY

District: East Side Union High School District

Approval Process: Each District (LEA) was assigned a SCCOE technical assistance team of 1 Educational Services Branch (ESB) member and 1 District Business/Accounting Services (DBAS) member. Each district submitted a local governing board approved LCAP on or before July 1. SCCOE team members reviewed the document and sent preliminary letters to district teams with clarifying questions and an LCAP Checklist based on the guidelines. Clarifying questions were based on the approval guidelines. The most common clarifying questions from ESB referred to the inclusion of the required metrics to address the 8 State Priorities. The most common clarifying question from business services referred to the inclusion of state approved account codes so the LCAP could be clearly linked to the district's budget. Prior to a recommendation to the County Superintendent for LCAP/Budget approval, districts were asked to address clarifying questions and edit or correct the LCAP. No LCAPs required substantive changes to actions and services as no district was found to have a budget insufficiency. Edited final versions of LCAPs were submitted in August. Upon receipt of the final version edited LCAPs were reviewed and recommendations were made to the superintendent for approval prior to the September 15th budget approval date.

LCAP Approved by Santa Clara County Office of Education? <u>Yes</u>

Criteria 1 – East Side Union High School District LCAP adheres to the SBE Template.

Comments: The district described the engagement process with stakeholders for development of the LCAP and the Annual Update. The 8 State Priorities are addressed in the LCAP. Required metrics and additional metrics are provided to measure the actions/services. All the goals from the prior year were carried into the Annual Update, and changes to the LCAP are described.
--

Criteria 2 – East Side Union High School District has sufficient expenditures articulated in the budget to support the actions and services in the LCAP.
--

Comments: Review by SCCOE District Business Services has made the determination that the budget is sufficient to support the LCAP.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP) COUNTY APPROVAL SUMMARY

District: East Side Union High School District

Criteria 3 – East Side Union High School District was found to adhere to Expenditure Regulations.

Comments: The district identified the amount of LCFF funds \$14,807,194 in LCFF Supplemental and Concentration funding generated by unduplicated pupils in Section 3A and provided a narrative description of how the funds were allocated to improve outcomes for unduplicated pupils. Services include coaching to improve instruction, additional counseling, and community involvement specialists. In 3B the district identified the Minimum Proportionality Percentage (MPP) 7.83%, and provided a narrative description of how it met the MPP through qualitatively or quantitatively improved services for unduplicated youth, including additional ELD and Sheltered classes and a Director of Student Services to adapt alternative programs toward greater parent participation and student success. **An A-G / Credit recovery / acceleration summer program will be offered.**

The district is using the funds in a district-wide and school-wide manner. The district's percentage of unduplicated youth is not greater than 55%. District percentage = 53.5%, the district provides a narrative description of the effectiveness of some programs and services are directed toward all students as systemic improvement is a key element of addressing needs for all students including the unduplicated.
