Each of the priorities have established data requirements, allowing the tracking and reporting of student progress into twelve different subgroups. This in-depth review allows the Roberto Cruz Leadership Academy to work with our stakeholders to develop and meet our annual goals. The eight State Priority areas are:

2019-20 Goals

Goal #1:
To support all students to graduate from high school and complete A-G requirements at least at an equivalent rate of our neighboring district.

Goal #2:
To provide ELL with reclassification support and access to core curriculum

Goal #3:
Students will be prepared for college and career opportunities upon graduation measured by success on student projects, classroom grades, student surveys and SBAC performance.

The LCAP Development and Adoption Process

The specific actions and funding allocation identified in the LCAP will be a result of the direction set, by the stakeholders, for the students at Latino College Preparatory Academy. In an effort to ensure a seamless plan, schools develop a LCAP planning cycle a year before the Plan is adopted to ensure that the school budget is aligned to the priorities and actions identified in the LCAP.

The stakeholders review the local implications after the proposed State budget is received. The public is then invited to comment on the draft of the following year’s LCAP. In addition, the annual report for the current year is finalized. Once the Plan is approved by The Foundation for Hispanic Education, it is then submitted to the County and State Board of Education.
