Dear Colleague,

The MARTY MATHIESEN SCHOLARSHIP is awarded by the ACSA (Association of California School Administrators) Region 8 Retiree Charter. The purpose of this scholarship is to provide recognition and financial assistance to beginning or aspiring administrative credential candidates who work in Region 8 (Santa Clara County). Awards of \$1000.00 each will be presented to successful applicants to assist them in completing their current Administrative Credential Program.

Candidates do not need to be members of ACSA to apply for the award but do need to be currently attending an approved credential program. Each awardee will be honored by ACSA members and will receive the scholarship award at a meeting (zoom) on Tuesday, May 10, 2022, at 11:30 AM. Details and any changes will be sent as we near the date in May.

The Scholarship Committee asks that you provide copies of this letter and the attached application form to those aspiring or beginning administrators within your organization or college classes who you believe are deserving of this scholarship and meet the above criteria. The completed application and accompanying materials must be submitted no later than Saturday, April 02, 2022, to the following address.

Barbara Anderson
6389 Janary Way

Thank you,
Your ACSA Region 8 Retiree Charter Board
