Cognitive Coaching℠

Foundation Training Seminar

8-Day Seminar
$850.00 per individual

Facilitator: Dr. Mary Stone

Cognitive Coaching Agency Trainer

The Cognitive Coaching training enhances leading, coaching, and communication skills as participants learn how to:

- Increase consciousness and craftsmanship in applying interpersonal communication skills to develop trust and rapport
- Understand and use the power of structured professional conversation for planning, reflecting, and problem-resolving
- Detect and mediate cognitive shift
- Increase consciousness and skills in asking mediative questions to amplify and focus thinking
- Extend coaching skills to mediate self-directed learning in others when they are struggling with a problem
