Approved by the California Commission on Teacher Credentialing (CTC), Education Preparation for Inclusive Classrooms (EPIC) prepares candidates to become teacher specialists in an inclusive classroom. We offer the following credentialing specializations:

- Early Childhood Special Education (ECSE)
- Mild to Moderate
- Moderate to Severe

Furthermore, we offer two additional credential options for currently credentialed teachers

- Accelerated Pathway
- Induction

Offering three entry points, Fall, Spring, & Summer, EPIC provides the working educator flexibility in earning their credential through an online program. Plus, we offer customized support and job coaching. With a built in network and a proven reputation amongst districts, EPIC is the program of choice for Special Education.
