Approved by the California Commission on Teacher Credentialing (CTC),

Education Preparation for Inclusive Classrooms (EPIC) prepares candidates to become teacher specialists in an inclusive classroom.

We offer the following credentialing specializations:

- Mild to Moderate
- Moderate to Severe
- Early Childhood Special Education (ECSE)

And the following credential approved program options:

- Preliminary Education Specialist Credential
- Accelerated Pathway-
 - option for currently credentialed teachers
- Induction
 - Special Education
 - General Education

Offering three entry points, Fall, Spring, & Summer, EPIC provides the working educator flexibility in earning their preliminary credential through an online program. Plus, we offer customized support and job coaching through our intern and induction program.

With a built in network and a proven reputation amongst districts, EPIC is the program of choice for educators.

Preparing Educators for a
Teaching Career in Education
