Welcome Message

The Santa Clara County Office of Education (SCCOE) Credentialing Programs faculty and staff are looking forward to working with you as you fulfill your professional and educational goals. We are also very excited to offer programs that reflect inclusive practices for all children and build your capacity to actively perform your duties using the principles and the core values of Equity and Social Justice.

The Education Preparation for Inclusive Classrooms (EPIC) program began in 2015 and offers the Preliminary Early Childhood Special Education and Moderate to Severe Disability credentials. We also support teachers in obtaining their Clear credential in Mild to Moderate, Moderate to Severe and Early Childhood Special Education.

The Leaders in Education Administration Program (LEAP) offers coursework leading to the Administrative Services Credential for both preliminary and clear credentials. LEAP at SCCOE has been in existence for over a decade.

We are committed to your success and to providing you with a quality educational experience that will build not only your technical skills as a teacher and leader, but will also emphasize the relational skills necessary to impact school change and outcomes for our students.

Congratulations on starting your journey with us! We are privileged to work with you and know the knowledge of equity and inclusive practices you gain from our program will make a difference in the lives of your future students and their families.

Sincerely,

Adora Fisher
Director of Credentialing Programs

Santa Clara County Office of Education Mission and Goals

Our Mission Statement
The Santa Clara County Office of Education is committed to serving, inspiring, and promoting student and public school success.

Our Goals
1. Improve access to inclusive, equitable, high quality education
2. Provide quality support to districts, schools, students, and communities
3. Be a premier service organization

Educator Preparation Programs Accreditation
Special Education (Education Specialist Instruction) Intern Credentials, the Clear Teacher Induction, and the Preliminary and Clear Administration Services Programs are accredited by the California Commission on Teacher Credentialing (CTC). We were reviewed by CTC in spring of 2016 and received accreditation to 2023.

Educator Preparation Programs Advisory Board
An Advisory Board made up of faculty members, community members, program graduates and staff meet quarterly to receive updates of our SCCOE Educator Preparation Programs and provide input to staff in implementation. The Advisory Board also reviews course and program surveys to provide guidance and monitoring in meeting CTC requirements. If you are interested in serving on the Advisory Board, please contact the director.

Evaluation of Program
Ongoing program evaluation is an integral part of the Educator Preparation Programs. Surveys are administered to students and participating districts to collect data on program quality and effectiveness. The evaluation forms and surveys are reviewed by the program leadership and the Educator Preparation Programs Advisory Board to provide information for continuous improvement to the program. Additionally, the ePortfolio, and fieldwork, will be reviewed, using formal and informal assessments. From the feedback, surveys, and evaluation forms, adjustments and updates to materials will be made accordingly.

Non-Discrimination
In accordance with applicable Federal and State law and SCCOE board policy, in regard to admission, retention, graduation and all other processes, Educator Preparation Programs does not discriminate on the basis of race, color, national origin, religion, sex, gender identity, pregnancy, physical or mental disability, medical condition (cancer related or genetic characteristics), ancestry, marital status, age, sexual orientation, citizenship, or service in the uniformed services.

Leaders in Educational Administration

Program Description

Education Preparation for Equity, Inclusion, and Social Justice

The SCCOE Preliminary Administrative Services Program (PASC), is grounded in three dimensions: 1) Scholarship which consists of collection, analysis and utilization of data to improve performance; 2) Theory which incorporates the foundational principals of leadership such as organizational culture, communities of professional learning, systems thinking and adult learning theory; and 3) Practice which is the application, in the field, of the learned knowledge and skills.

Mission

The mission of the LEAP program is to prepare educational leaders to transform California schools, with particular emphasis on high priority, under performing schools and schools that experience high turnover of formal school leaders. The core elements of the LEAP program reflect this mission. The program includes a carefully developed curriculum which integrates course work and field experiences and is designed for participants to demonstrate the ability to:

- Facilitate the development and implementation of a shared vision of learning and growth for all students
- Build and sustain a positive school culture focused on continuous improvement of teaching and learning, implementing a model of communities of practice
- Ensure safe, effective and equitable learning environments
- Create culturally proficient and responsive schools
- Motivate teacher growth, equity awareness and build leadership capacity
- Demonstrate the connection of school and community to a larger context

The LEAP PASC program is based in transformative learning theory as a means to provide applicable task-oriented and program solving opportunities for candidates to earn their preliminary administrative credential (Thompson, 2013). The program design reflects the belief that the best learning is job-embedded (Davis and Darling-Hammond, 2012). In addition to the required standards-based coursework, all students will be required to complete the CalAPA.

Program Learning Outcomes

We deliver a cohesive and comprehensive curriculum which integrates coursework and field experiences based on the six standards of the California Professional Standards for Educational Leaders (CPSEL). These standards are now aligned to the California Administrator Performance Standards (CAPE). (See Appendix)
California Administrative Preliminary Expectations

**Standard 1: DEVELOPMENT & IMPLEMENTATION OF A SHARED VISION**
Course: Visionary Leadership
Course Description: Visionary Leadership instructs participants on how to facilitate the development and implementation of a shared vision of learning and growth of all students. Program participants will learn how to shape a collective vision using multiple measures of data and focusing on equitable access, opportunities, and outcomes for all students. Participants will learn how to engage others in collaborative processes to develop a shared vision of teaching and learning, and will then learn how to guide and monitor decisions and outcomes using that shared vision.

**Standard 2: INSTRUCTIONAL LEADERSHIP**
Course: Instructional Leadership
Course Description: Shape a collaborative culture of teaching and learning, informed by professional standards and focused on student and professional growth. Leaders guide and support the implementation of standards-based curriculum, instruction, and assessments that address student expectations and outcomes.

**Standard 3: MANAGEMENT AND LEARNING ENVIRONMENT**
Course: Professional Learning
Course Description: Leaders promote a culture in which staff engage in individual and collective professional learning that results in their continuous improvement and high performance.

**Standard 4: FAMILY AND COMMUNITY ENGAGEMENT**
Course: Facilitating Teacher Growth
Course Description: Aspiring leaders will learn to facilitate teacher growth through coaching, evaluating and provide feedback to teachers to improve instructional practice. Aspiring leaders will understand and distinguish between coaching and evaluation. Aspiring leaders will learn facilitation, consultation, and mediation/problem solving skills.

**Standard 5: ETHICS AND INTEGRITY**
Course: Management, Learning Environment, and Ethics
Course Description: The Management, Learning Environment & Ethics course teaches aspiring leaders the importance of modeling and behaving in ways that demonstrate professionalism, ethics, integrity, justice, and equity to cultivate a safe and productive learning and working environment. This course addresses a variety of management and learning environment elements including: operations and facilities, plans and procedures; school and district climate; and fiscal and human resources. Participants learn ethical decision-making strategies that will help identify personal and institutional biases that derive from educational disadvantage and/or discrimination. Participants will also learn reflective practice in order to continuously improve and be up-to-date with educational research, literature, and best practices.

**Standard 6: EXTERNAL CONTEXT AND POLICY**
Course: Education, Policy, Systems & Leadership
Course Description: Education Policy, Systems, and Community Leadership provides candidates an overview of the role of educational leaders in influencing political, social, economic, legal and cultural contexts affecting education. This course will address how leaders develop greater public understanding of education policy and how leaders use their understanding of social, cultural,
economic, and political contexts to shape policies so every student graduates ready for college and career. Additionally, participants will learn how to successfully engage with governing board, district, local leaders and the broader community to influence policies that benefit students and support the improvement of teaching and learning.

Our program is designed for candidates to demonstrate the ability to:

- Facilitate a shared vision of learning focused on social justice and equity
- Build and sustain a positive school culture focused on teaching and learning
- Ensure a safe and effective learning environment
- Create culturally proficient and responsive schools
- Develop professional leadership capacity focused on social justice
- Demonstrate the connection of school success to a larger context

Accreditation

LEAP is approved and accredited by the California Commission on Teacher Credentialing (CTC). We were reviewed by CTC in spring of 2016 and received accreditation to 2023.

Credentialing Programs Advisory Board

An Advisory Board made up of faculty members, community members, program graduates and staff meet quarterly to receive updates of our SCCOE Credentialing Programs and provide input to staff in implementation. The Advisory Board also reviews course and program surveys to provide guidance and monitoring in meeting CTC requirements. If you are interested in serving on the Advisory Board, please contact the director.
California Preliminary Administrative Services Credential

CTC document: [https://www.ctc.ca.gov/credentials/req-services](https://www.ctc.ca.gov/credentials/req-services)

California has a two-tier credential structure. A five-year preliminary credential is the first credential issued after an individual meets basic credential requirements. A professional clear credential is issued when all credential requirements have been completed.

Part I: To obtain a preliminary credential, candidates must first meet and satisfy the following requirements prior to program admission:

1. Possess one of the following:
   a. A valid clear or life California teaching credential requiring a baccalaureate degree and a program of professional preparation, including student teaching or the equivalent, and holds an English learner authorization
   b. A valid clear or life California Designated Subjects Teaching Credential in adult education, career technical education, vocational education or special subjects provided the applicant also possesses a baccalaureate degree and holds an English learner authorization
   c. A valid clear or life California Pupil Personnel Services Credential, Teacher Librarian Services Credential, Speech-Language Pathology Services Credential, Clinical or Rehabilitative Services Credential, or a School Nurse Services Credential, requiring a bachelor’s degree and a program of professional preparation, including field practice or the equivalent

2. Show evidence of satisfying the Basic Skills Requirement (CBEST or other CTC approved method via the 41-BSR)

3. Complete a minimum of four years of successful full-time teaching, or other qualifying pupil or health services credentialled, experience in the public schools or private schools of equivalent status. This must be verified on employer letterhead and signed by the Superintendent, HR Asst. Superintendent, HR Director, or district administrator.

4. Verify current full-time employment in a teaching, or other qualifying pupil or health services, position in the public schools or private schools of equivalent status. This must be verified on employer letterhead and signed by the Superintendent, HR Asst. Superintendent, HR Director, or district administrator.

Part II: Once admitted into a program, participants must

1. Complete one of the following:
   a. A Commission-approved program of specialized and professional preparation in administrative services which results in the formal recommendation of the program sponsor LEAP.
   b. A one-year administrative services internship consisting of supervised in-service training taken through a California college or university with an approved internship program and obtain the recommendation of a California college or university with a Commission-approved program
   c. Achieve a passing score on the California Preliminary Administrators Credential
Examination.

2. Pass all three cycles of the CalAPA

3. Verification of an offer of employment in a full or part-time (*an average of 4 or more hours per day*) administrative position on form CL-777. An individual who has completed requirements all of Part I and #1 and #2 of Part II above but does not have an offer of employment as an administrator may apply for a Certificate of Eligibility.

The preliminary credential is valid five years from the date of issuance. However, the Administrative Services Credential is limited by the expiration date of the prerequisite credential. It will expire with and may be renewed with the prerequisite credential during the preliminary period. By the end of the five-year preliminary period, the holder must meet the requirements for the professional clear credential.
Program Overview

The Leaders in Education Administration Program - LEAP Preliminary Administrative Services Credential (PASC Tier I) experience builds the capacity of instructional leaders to improve teaching and learning so that each and every student meets or exceeds standards.

Phases of Preliminary Administrative Services Credential Program

The PASC credential leads to a certificate of eligibility, or preliminary administrative services credential. PASC candidates will engage in a 11-month program that requires coursework, outside of class fieldwork experiences, assessment and concludes with an evaluation of a portfolio. A Fieldwork supervisor will be provided to each candidate as they advance through the program and into their administrative career.

**PHASE 1: Admission Requirements**
- Application (online)
- Letter of Intent
- Two letters of Recommendation
- Verification of Employment
- Valid California Credential

**PHASE 2: Program/Curriculum Progression**
- Participation in six courses
- Fieldwork experience with supervisor to complete the CalAPA

**PHASE 3: Program Completion**
- Successfully pass all required coursework and the three leadership cycles of the CalAPA
PHASE 1: Admissions Requirements
Submission of application materials by eligible participants are to include:

- Application (online)
- Letter of Recommendation from candidate’s administrator/supervisor
- Verification of Eligibility
  - Valid California credential
  - A minimum of four years teaching or services experience or the equivalent
  - Current employment in a full-time teaching or services position
- Analysis of application materials.

PHASE 2: Progression through the Program/Curriculum
Participates in coursework that is grounded in the California Administrator Performance Expectations (CAPE) and align with California Professional Standards for Education Leaders (CPSEL). Students will collaboratively explore literature, theories, and the application of these standards. Each course is six or seven weeks in length, 3 1/2 hours per class one evening per week. (Saturday courses are three Saturdays in length, 7 hours each class.)

- EDA 631 - Visionary Leadership
- EDA 632 - Professional Learning
- EDA 633 – Instructional Leadership
- EDA 634 – Management Learning Environment and Ethics
- EDA 635 – Facilitating Teacher Growth
- EDA 636 – Education Policy, Systems and Community Leadership

Fieldwork experiences will account for the remainder of the program. The experiences will be focused on teaching and learning, and school improvement leadership

PHASE 3: Completion

- Participants are expected to enroll during consecutive courses. (Extensions may be granted for specific circumstances).
- Successful completion of the required LEAP PASC - coursework and signature projects.
- Successful completion of the CalAPA.

Equity Principled Leadership

By design, the administrative services preparation program provides each candidate with an opportunity to understand and apply theories and principles of educational equity within the educational context, for the purposes of creating more socially just learning environments.

Equity is the solution where educational leaders identify and eliminate systemic barriers (instructional, policies, practices, perceptions), that prevent students access to a full educational experience, that can be measured through various educational outcomes.

Equity Principled Leadership is defined as follows:
Restorative and just, knowledge, skills and actions, applied to culturally and racially diverse educational communities to create inclusive, nondiscriminatory environments for adults and students.
CANVAS (Learning Management System)

Class materials, resources, and assignment for each course, including fieldwork are housed in CANVAS. This includes fieldwork assignments, course syllabi and assignments, calendars of due dates, a message inbox, and gradebook. Students will submit assigned coursework and fieldwork and correspond with instructors and other course participants within Canvas.

Each participant will be guided to create a SCCOE Canvas account with a secure password to access the materials and assignments during orientation.

It is the responsibility of the student to check course requirements, notifications and review the assignments in CANVAS.

Components of Fieldwork and the CalAPA

The administrator at a school site has numerous responsibilities that lead to the improvement of student performance. By gaining the necessary skills, attitudes, and behaviors as outlined in the California Administrative Performance Expectations (CAPEs), students have the best opportunity to meet the expectations of high standards for student learning while achieving the mission and vision of the district. Inherent in these standards is a strong commitment to cultural diversity.

- Fieldwork Supervisor supports completion of the CalAPA
- The CalAPA must be completed in conjunction with coursework
- Apply a model of investigate, plan, act, reflect to identify a problem of practice and develop a plan to address the identified area of need.

Written Assignments

As a leader it is important to develop professional communication habits including writing for different audiences. The courses you are taking are graduate level courses. It is an expectation that written assignments citing research will be written in a scholarly fashion and meet APA style format guidelines. APA style guide and information will be posted in CANVAS to support you. Your course instructors will also provide support in class. All written assignments must be typed using appropriate spacing, font size and margins. Work must be submitted free of grammatical errors, spelling polished and publish-ready.
Program Information

EPPscholar
https://eppscholar.sccoe.org/
The department uses EPPscholar as our student enrollment system to maintain your information. Please make sure you remember your login and password information to access information and to keep your information current. Please keep your personal contact information current. Tuition and fees are to be paid through EPPscholar. Grades from the CANVAS system are transferred to EPPscholar.

Tuition and Tuition Policies
Candidates are charged tuition at the rate specified for the year of program entry.
- All tuition payments must be received prior to the first date of class.
- Faculty may not accept tuition payments
- Payments are to be made in EPPscholar using a credit or debit card. You may write a check to SCCOE / LEAP. Please know that if you choose to pay by check, this may delay processing. We do not accept cash.
- A late fee of $75 will be charged if payment is received after the due date.
- Tuition Refund Policy
  - Refunds are not available on application fees, deposits or once classes have begun.
- LEAP makes every effort to keep costs to a minimum. Fees listed in published schedules or student accounts may need to be increased in order to assure ongoing program improvement, meet changing CTC requirements, and keep in line with comparable program expectations. Therefore, Leap must reverse the right, even after the fees are initially charged or initial payments are made, to increase or modify any listed fees
- Tuition and fees are subject to change until the date when instruction for a particular course has begun. All LEAP listed fees should be regarded as estimates that are subject to change.

Coursework
The LEAP Educator Preparation Program hires faculty to deliver instruction and monitor candidates’ academic progress. Candidates are enrolled in a cohort and take classes over a 11-month period of time. All candidates are required to come prepared for class each night. The program is not responsible for lost, stolen, or damaged electronic devices.

Candidates must successfully complete the coursework and the CalAPA and demonstrate growth towards meeting the California Administrative Performance Assessments (CAPEs) and the California Professional Standards for Educational Leadership (CPSELs) as well as other requirements of the Commission on Teacher Credentialing (CTC) to be recommended for the Preliminary Services Administrative Credential.

Class Attendance
A core concept of the program is the contribution of individual candidates and that of the collective cohort. In addition to learning content, and so that they may contribute insight, experience, and reflection, candidates must attend each class meeting. To reflect the importance of attendance and
participation, a separate component of each class grade is class attendance. Prompt attendance will have a direct impact on learning, performance, and grades. If a candidate must miss a class due to illness, etc., the candidate must contact the faculty prior to not attending class.

Should an unforeseen event (family emergency, illness, etc.) occur, contact the instructor AND program administrator immediately. Each absence will be handled on a case-by-case basis. With your instructor you will determine what is needed to make-up the missed class. This could mean attending one full-day on Saturday or a night session on Tuesday, Wednesday, or Thursday. When this is not possible a 5-7 page research paper may be assigned or you will have to retake the class the following year.

Each faculty member will implement the attendance policy understanding that: (1) attendance is a priority, and (2) the second absence may result in dismissal from class. A consistent problem with attendance may result in dismissal from the program.

**Grading Policies**

All courses are expected to be completed at mastery level. Faculty is solely responsible for the determination of course grades and grading criteria needs to be clearly defined on the course syllabus, including the effect of attendance on the final course grade.

**Anything Below B is not acceptable**

Grade A  
Outstanding knowledge and application of course content; assignments turned in on time and reflect professionalism, effort and application above and beyond minimum course requirements.

Grade B  
Good knowledge and application of course content, assignments reflect professionalism, effort and application of course requirements.

Grade B- 
Failure; course will need to be retaken and Candidate will be placed on academic probation. (Does not meet standards)

Grade I  
Incomplete (see information below)

A = EXCELLENT
- Prepares thorough and exceptional assignments, handouts, visuals, etc.
- Completes all assigned readings and summaries as assigned
- Completes all assignments on-time
- Participates in all group in-class exercises; takes leadership role
- Demonstrates work beyond the minimum requirements
- Assignments show extra effort
- On-time and no unexcused absences
B = ABOVE AVERAGE
- Prepares assignments, handouts, visuals above minimum standards
- Completes all assigned readings and summaries
- Completes all assignments on-time
- Participates in class group exercises
- On-time and no unexcused absences

B and below = anything below a B, candidates will have to retake the course

Incomplete Course Grade
When a candidate fails to complete any component of LEAP PASC Credentialing Program successfully, the Program Administrator will review progress and determine corrective action. All coursework must meet standards and be completed before the end of the course or program year at the instructor’s discretion. If the candidate must repeat the class that following year, it will be at his/her own expense.

Evaluation of Program
Ongoing program evaluation is an integral part of the Leaders in Education Administration Program. Surveys are administered to students to collect data on program quality and effectiveness. The surveys are reviewed by the program leadership and the Credentialing Programs Advisory Board to provide information for continuous improvement to the program. From the feedback and surveys, adjustments and updates to materials will be made accordingly.

Leave of Absence
If a candidate cannot continue with courses during the program year, a Leave of Absence can be requested. This Leave must be requested in writing and submitted to our office. Upon approval, the Leave of Absence will be issued for one year. This will keep the completed courses on file and the candidate may restart the program the following year taking only the courses not completed. If the candidate does not return the following program year, the Leave of Absence will no longer be valid and the candidate will need to restart the program.

Program Completion
Once you have completed the requirements, the Credential Programs Department staff will provide you with a letter of verification which will allow you to apply for the Certificate of Eligibility (COE). The COE memorializes the fact that you have met the requirements for the administrative services credential, which never expires.

Once you are offered an administrative leadership position, will need to obtain CTC Form CL-777, Verification of employment from your employer. You will submit this form to the county office in which you are employed, complete CTC Form 41-4 to apply for the Preliminary Administrative Services credential and pay the required fees. You will receive notification from CTC once the credential is processed. You may always check the website to review the status of your credentials: https://www.ctc.ca.gov/

It is recommended that you begin the Clear Induction Program as soon as you begin your first administrative position to support you with coaching. LEAP also offers the Clear Administrative Services Credential (CASC) Induction program.
Candidate Information

Acts of Dishonesty
All candidates are expected to pursue honesty and integrity in all aspects of their academic work. Academic dishonesty, including plagiarism, falsification of records or documents, personal misrepresentation, theft, and evasion of program financial obligations will not be tolerated and may end in dismissal from the program.

ADA Accommodations
Candidates with disabilities are eligible for reasonable accommodations in their academic work in this program. In order to receive assistance, the candidate must provide Program Administrators with documentation that describes the specific disability (i.e. psychologist, physician, or educational diagnostician).

Individuals with disabilities who need to request accommodations should upload documentation into their student portal first and then contact the program coordinator, Kalpana Thatte at kthatte@sccoe.org or 408-453-4259. Once documentation is on file, arrangements for reasonable accommodations can be made. Candidates will then work with faculty directly to determine what reasonable accommodations are necessary.

Ethical Principles Professional Responsibilities – Code of Conduct
Candidates participating in the LEAP shall adhere to the American Association of School Administrators professional ethical principles.

The educational leader:
- Makes the education and well-being of students the fundamental value of all decision making.
- Fulfills all professional duties with honesty and integrity and always acts in a trustworthy and responsible manner.
- Supports the principle of due process and protects the civil and human rights of all individuals.
- Implements local, state and national laws.
- Pursues appropriate measures to correct those laws, policies, and regulations that are not consistent with sound educational goals or that are not in the best interest of children.
- Avoids using his/her position for personal gain through political, social, religious, and economic or other influences.
- Accepts academic degrees or professional certification only from accredited institutions.
- Maintains the standards and seeks to improve the effectiveness of the profession through research and continuing professional development.
- Honors all contracts until fulfillment, release or dissolution mutually agreed upon by all parties.
- Accepts responsibility and accountability for one's own actions and behaviors.
- Commits to serving others above self.
Grievance and Appeals Process
Should a student question program participation, program requirements, participation hours, special needs provision, discrimination policy, program extension request rationale, satisfactory progress requirement or other topic, the concern must be submitted in writing to the program directors using the appeal form available on the EPPscholar.org website. Next, a meeting will be scheduled by the student with the program directors to review and discuss concerns and determine next steps. Another meeting may be scheduled to further discuss the situation. Following discussion and review of the concern with the Program Administration, a decision will be made regarding the grievance. The decision will be final and will be forwarded to the participant.

Notification of Changes
It is the responsibility of the student to notify the Credentialing Programs Department Staff of changes in employment, work location, credential or changes in contact information.

Office Hours
Appointments will be available during regular business hours (8:00 a.m. to 5:00 p.m.) with LEAP Administration and can be scheduled by email or by phone. Faculty appointments are scheduled individually with each faculty member.
Completion of LEAP Preliminary Services Administrative Program
Letter of Verification from SCCOE Credentialing Programs Department is provided to participant

Teaching Position after completing PASC Program
Apply for Certificate of Eligibility (never expires)
Take Letter of Verification on completion of PASC program to county office of employment. You will apply for a Certificate of Eligibility.
You may not work in an administration position with only a Certificate of Eligibility.

Hired as an Administrator after completing PASC Program
Apply for Preliminary Administrative Service Credential and pay fees at county in which you are employed
• Complete CTC Form CL777 Verification of Employment as an administrator, Form 41-4 to apply for Preliminary Credential and pay fees at County Office in which you are employed.
• You will be issued a Temporary County Certificate
• Give copy of Temporary Certificate to your employer (HR department)

When you apply and are hired as an Administrator, you must apply for Preliminary Administrative Services Credential:
• Complete CTC Form CL777 Verification of Employment as an administrator, Form 41-4 to apply for Preliminary Credential and pay fees at County Office in which you are employed
• You will be issued a Temporary County Certificate
• Give copy of Temporary Certificate to your employer (HR department)

Preliminary Admin Services Credential
Upon notification from CTC, provide copy of credential to Employer (check CTC website within 3-4 months)
Note: The Preliminary Credential is limited by the expiration date of your prerequisite credential. You may file for an extension if needed.

Enroll in CASC Clear Induction Program within the five years and BEFORE your Preliminary Admin Services expires
LEAP Master’s Program Partnerships

As a part of your admittance to the LEAP PASC program, participants have the wonderful opportunity to earn their Master’s Degree through unique partnerships between National University or San Jose State and the Santa Clara County Office of Education. This is a completely optional opportunity and is not required for LEAP PASC program participants.

- National University offers a Master’s of Science in Applied School Leadership in conjunction with LEAP’s Preliminary Administrative Services Credential. Students complete the first year of the Master’s program through the PASC courses and then continue with National University to complete your Master’s the second year. You will need to sign up BEFORE your first LEAP Class. Late Admissions for National University are not accepted. Please contact Denise Cardoza (dcardoza@nu.edu) for information regarding National University’s Master’s Program.

- San Jose State University offers a Master’s in Emancipatory Leadership for Schools. Interested candidates will participate in this program after successful completion of the PASC Program. Please reach out to rebeca.burciaga@sjsu.edu for more information.
Person Centered Language

Attached is a handout on the use of Person First Language which is an excellent rule of thumb: When in doubt, put the word *person* first, particularly when referring to people with disabilities. But identity is complex and there are always exceptions. Like the My Name, My Identity Campaign, the best thing to do is to remember that everyone has the right to define themselves in whatever way feels best and most authentic to them.

We can all agree that you generally shouldn’t use a disability, a condition, a diagnosis, or even an identity as the only way to describe a person because it can dehumanize people by using an aspect of themselves as a stand-in for their personhood.

Person-first language set out to assure that we don’t demean, dehumanize, or stigmatize people by way of the language you use to describe them. Person-centered language builds on person-first language and folds in personal identity. It reminds us that the point is to put the actual person first—to remember that all people are people and should be treated as the first and foremost experts on themselves.

**So What Term Should Be Used??**
How can I refer generally to a group of people who don’t all use the same words?”

The answer is that there’s no simple or quick fix. Instead of seeking the perfect phrase that will avoid offense, we have to be willing to explore what will create the most respect and care in any particular situation. Here are some best practices:

- **Be clear:** Sometimes we use broad language when more specific words would be better, and vice versa. For example, if your context is wheelchair-accessible ramps, you can say “people with limited mobility” rather than “disabled people.”

- **Be creative:** You don’t need to find a single word or term. You can say things like “autistic people and people with autism” and explain why you are doing so.

- **Be humble:** If you feel reactive, defensive, or anxious, explore your feelings and consider how you can work to fully respect folks who use different language than you do.

- **Be respectful:** Remember that the point is to care about the people you are referring to and honor their personhood and agency.

- **Be curious:** Consult different sources, particularly groups and organizations led by the folks you’re referring to, to see what language they use and why.

There is no one “correct” answer. The invitation of person-centered language is to value a caring and complicated approach rather than searching for a pat solution.

A Pledge of Respect for Students with Disabilities

All students, especially students with disabilities, have the right to dignity and respect. The Americans with Disabilities Act states that “Americans with disabilities… are entitled to the same rights and freedoms as everybody else; a right to belong and participate fully in the American experience; a right to dignity and respect in the workplace and beyond….” Students with disabilities have a right to be respected as a whole person and not be judged by just their disability.

To ensure this right of respect, I will use respectful language in the form of person-first terminology in my communications. I pledge to:

- Place the student first before the disability
  - A child with autism, instead of an autistic child
- Place groups of students first before the disability
  - Students in special education, instead of special education students
- Use respectful terms when referring to peer groups
  - Students without disabilities instead of typical students
- Model back person-first terminology when others do not use it
  - When someone says, “special education students…” just continue the conversation by modeling back, “yes…. students in special education…”
- Inform others about person-first terminology
  - Remember that changing the way we speak is a process and takes time

For more information about person-first terminology, please contact the Inclusion Collaborative at (408) 453-6756 or visit www.inclusioncollaborative.org
LEAP and the entire Credentialing Programs Department is committed to the MY NAME, MY IDENTITY Campaign. The campaign—a partnership between the National Association for Bilingual Education, the Santa Clara, Calif., County Office of Education, and the California Association for Bilingual Education—focuses on the fact that a name is more than just a name: It's one of the first things children recognize, one of the first words they learn to say, it's how the world identifies them.

This Campaign asks “What does your name mean to you, your family, and the rest of the world?” Since each of us is unique, our name is tied to our identity. We would not wish to have our names changed or mispronounced. If you believe that all students have the right to be called by the names that represent their identity and culture, begin by asking them how they would like their names to be pronounced. As a program and as a global citizen we collectively agree to respect students’ names.

As our world becomes increasingly connected, cross-cultural communication increases. We interact with more people from diverse backgrounds and experiences, many with different languages and ethnicities. Having the ability to effectively communicate with others who are different from ourselves opens up possibilities for deeper understanding and friendship based on mutual respect. It is also an essential skill in the 21st century.

School is a community, which prepares our students to succeed in the global world. To be an effective member of this global world, we can model respect for each other in the school community by learning about each other’s stories, our unique names, and their proper pronunciations.

Please join SCCOE, EPIC and the Department and take the pledge today at https://www.mynamemyidentity.org/campaign/pledge

### 3: MANAGEMENT AND LEARNING ENVIRONMENT

**Education leaders manage the organization to cultivate a safe and productive learning and working environment.**

**3A: Operations and Resource Management**

New administrators know that day-to-day and long-term management strategies are a foundation for staff and learning environments that support student health, safety, academic learning, and well being. During preliminary preparation, aspiring administrators can:

1. Manage the interrelationships within the network of school operations; instructional programs; student services; and material, fiscal, and human resources.
2. Develop a plan to engage staff and other stakeholders in establishing routines and procedures for monitoring facilities, operations, and resource acquisition and distribution that help maintain a focus on access to learning opportunities and resources and positive outcomes for all students.
3. Follow regulations related to accessibility of the physical plant, grounds, classes, materials, and equipment for staff and students.
4. Use technology to facilitate communication, manage information, enhance collaboration, and support effective management of the school. Handle confidential matters relating to students and staff in a manner consistent with legal practices and ethical principles.

**3A: Operations and Facilities**

Leaders provide and oversee a functional, safe, and clean learning environment.

3A-1 Systematically review the physical plant and grounds during preliminary preparation, as ensuring they are safe, meet Americans with Disabilities Act (ADA) requirements, and comply with conditions that support accessibility for all students.

3A-2 Collaborate with the district to monitor and maintain student services (e.g., food, transportation) that contribute to student learning, health and welfare.

3A-3 Manage the acquisition, distribution, and maintenance of equipment, materials, and technology needed to meet the academic, linguistic, cultural, social-emotional, and physical requirements of students.

3A-4 Work with stakeholders and experts to plan and implement emergency and risk management procedures for individuals and the site.

**38: Plans and Procedures**

Leaders establish structures and employ policies and processes that support students to graduate ready for college and career.

38-1 Develop schedules and assign placements that are student-centered and maximize instructional time and staff collaboration.

38: Managing Organizational Systems and Human Resources
New administrators recognize personal and institutional biases and inequities within the education system and the school site that can negatively impact staff and student safety and performance and address these biases. During preliminary preparation, aspiring administrators learn how to:

1. Follow legal and ethical procedures for hiring, evaluating, supervising, disciplining, recommending for non-reelection, and dismissing staff.
2. Apply labor relations processes and collective bargaining in California and their application to contract implementation and management at the local level.
3. Use principles of positive behavior interventions, conflict resolution, and restorative justice and explain to staff and community members how these approaches support academic achievement, safety, and well being for all students.
4. Use a systems thinking perspective to set priorities and manage organizational complexity; develop schedules and assignments that coordinate human resources, physical space, and time to maximize staff collaboration and student learning; and to engage staff and other stakeholders in using data to help establish, monitor, and evaluate the alignment and effectiveness of organizational processes to meet school goals and provide equitable access to opportunities for all students.

3C: Managing the School Budget
New administrators know the school's budget and how the budget supports student and site needs. During preliminary preparation, aspiring administrators learn how to:

1. Apply foundational laws and regulations pertaining to California school finance, federal and state program funding, and local allocations.
2. Assess and analyze student and site needs and use this understanding as a base to support financial decision-making and efforts to prioritize

**CPSEL Elements and Example Indicators**

38-2 Manage legal and contractual agreements and storage of confidential records (both paper and electronic) to insure student security and confidentiality.
38-3 Set clear working agreements that support sharing problems, practices and results within a safe and supportive environment.
38-4 Engage stakeholders in using problem solving and decision-making processes and distributed leadership to develop, monitor, evaluate and revise plans and programs.

3C: Climate
Leaders facilitate safe, fair, and respectful environments that meet the intellectual, linguistic, cultural, social-emotional, and physical needs of each learner.

3C-1 Strengthen school climate through participation, engagement, connection, and a sense of belonging among all students and staff.
3C-2 Implement a positive and equitable student responsibility and behavior system with teaching, intervention and prevention strategies and protocols that are clear, fair, incremental, restorative, culturally responsive, and celebrate student and school achievement.
3C-3 Consistently monitor, review and respond to attendance, disciplinary, and other relevant data to improve school climate and student engagement and ensure that management practices are free from bias and equitably applied to all students.

30: Fiscal and Human Resources
Leaders align fiscal and human resources and manage policies and contractual agreements that build a productive learning environment.

3D-1 Provide clear rationale for decisions and distribute resources equitably to advance shared vision and goals focused on the needs of all students.
3D-2 Work with the district and school community to focus on both short and long-term fiscal management.
3D-3 Actively direct staff hiring and placement to match staff capacity with student academic and support goals.

5: ETHICS AND INTEGRITY

Education leaders make decisions, model, and behave in ways that demonstrate professionalism, ethics, integrity, justice, and equity and hold staff to the same standard.

**SA: Reflective Practice**

New administrators regularly review and reflect on their performance and consider how their actions affect others and influence progress toward school goals. During preliminary preparation, aspiring administrators learn how to:

1. Take responsibility for developing their professional leadership capacity and assess personal and professional challenges as a way to identify areas for self-improvement.  
2. Use a professional learning plan to focus personal and professional growth in order to achieve the school’s vision and goals.

**SA: Reflective Practice**

Leaders act upon a personal code of ethics that requires continuous reflection and learning.

**SA-1 Examine personal assumptions, values, and beliefs to address students’ various academic, linguistic, cultural, social-emotional, physical, and economic assets and needs and promote equitable practices and access appropriate resources.**

**SA-2 Reflect on areas for improvement and take responsibility for change and growth.**

**SB: Ethical Decision-Making**

New administrators develop and know how to use professional influence with staff, students, and community to develop a climate of trust, mutual respect, and honest communication necessary to consistently make fair and equitable decisions on behalf of all students. During preliminary preparation, aspiring administrators learn how to:

1. Recognize any possible institutional barriers to student and staff learning and use strategies that overcome barriers that derive from economic, social-emotional, racial, linguistic, cultural, physical, gender, gender identity, sexual orientation, or other sources of educational disadvantage or discrimination.
2. Guide staff in examining issues that may affect accomplishment of the school’s vision, mission, and goals, including issues that may be related to race, diversity, and access.
3. Involve family and community stakeholders in reviewing aggregated and, where appropriate, disaggregated student data and evidence-based best practices to identify and address actual and anticipated challenges that can negatively affect student success.

**SC: Ethical Action**

New administrators understand that how they carry out professional obligations and responsibilities affects the entire school community. During preliminary preparation, aspiring administrators learn how to:

1. Apply policies and practices that both support student learning and protect the rights and confidentiality of students, families, and staff.
2. Act with integrity, fairness, and justice and intervene appropriately so that all members of the school are given equal opportunities to succeed.

**5C-1** Communicate expectations and support for professional behavior that reflects ethics, integrity, justice, and equity.

**5C-2** Use a variety of strategies to lead others in safely examining personal assumptions and respectfully challenge beliefs that negatively affect improving teaching and learning for all students.

**6: EXTERNAL CONTEXT AND POLICY**

Education leaders influence political, social, economic, legal and cultural contexts affecting education to improve education policies and practices.

**6A: Understanding and Communicating Policy**

New administrators are aware of the important role education policy plays in shaping the learning experiences of students, staff, families, and the larger school community. During preliminary preparation, aspiring administrators learn how to:

1. Recognize that any school is part of a larger district, state, and federal contexts that is influenced by political, social, economic, legal, and cultural factors.
2. Understand and analyze governance and policy systems and use this knowledge to explain roles and relationships of school and district administrators, local and state boards of education, and the legislature to staff and the school community.
3. Facilitate discussions among staff and the community about aligning mandates and policies with staff and student goals for continuously improving instruction, learning, and well-being.
4. Operate within legal parameters at all levels of the education system.

**68: Representing and Promoting the School**

New administrators understand that they are a spokesperson for the school's accomplishments and needs. During preliminary preparation, aspiring administrators learn how to:

1. Improve their public speaking, writing, electronic communication, presentation, and advocacy skills.
2. Provide the public with a clear picture of what the school’s mission, vision, and goals are in order to garner public support for the school and its activities to promote student learning, safety, and well being.

**6A: Understanding and Communicating Policy**

Leaders actively structure and participate in opportunities that develop greater public understanding of the education policy environment.
