Approved by the California Commission on Teacher Credentialing (CTC) and based on the California Administrative Performance Expectations and the California Professional Standards for Educational Leaders, LEAP offers the following credentialing programs:

- Preliminary Administrative Services Credential (PASC)
- Clear Induction Administrative Services Credential (CASC)

Offering two entry points, Fall or Spring, LEAP provides the working educator flexibility in earning their PASC through a cohort model that meets once a week online throughout an 11-month program. The PASC program is instructed by Superintendents, Administrators and prominent educational leaders. Networking opportunities are endless.

Nestled within the tech hub of Silicon Valley, EPP is an educational branch of the Santa Clara County Office of Education. As a champion of public education, EPP is committed to promoting the values of Equity, Inclusion and Social Justice throughout its programs.
