

Letter of Intent

Program of Interest: ECSE Moderate to Severe

Date _____ Name _____

(Please type and use more room as necessary)

Please address your experience and interest in serving students in Special Education and the reason for your interest in the specific program to which you are applying.

Please address your skills and ability to handle an internship program which requires that you work as the teacher of record in your second year while continuing to take classes.

Please include anything else you believe that addresses what would make you a good candidate for the program to which you are applying.
