

# STEAM NEXT

## IGNITE STUDENT LEARNING

**NEW DATE!**

**JANUARY 26, 2018**

**MICROSOFT, 1020 ENTERPRISE WAY, SUNNYVALE, CA**

**What's next in STEAM Learning? How might we strategize your action plan for the year?**

**If you're a TK-12 teacher, administrator, or coach/TOSA, we invite you to join others in a like cohort!**

**REGISTER TODAY!**

<http://santaclara.k12oms.org/1545-132104>

Registration: \$125

(Includes breakfast, lunch, and materials)

Participants will receive guided practice and support with STEAM Integration followed by sessions in Computational Thinking, Making, and Technology Integration.

Participants will:

- Make computational thinking meaningful with robotics, coding, and sequencing continuum
- Identify ways to leverage a Maker Space and making processes with student learning outcomes
- Learn strategies for systemically integrating technology into classrooms, schools and districts
