MATHEMATICS INSTRUCTION GUIDANCE AND SUPPORT

Join us for a discussion on ways to leverage the TRU Math Framework in examining mathematically powerful classrooms during distance learning.

Through the lenses of three guidance documents published by NCTM/NCSM, Council for Greater City Schools, and Knowledgehook - Jo Boaler, we will explore ways to support high quality math teaching moving forward.

(1st offering)

August 24, 2020

2:00pm - 3:00pm
