original, groundbreaking high school  
mathematics course:

**Introduction to Data Science (IDS)**

<https://tinyurl.com/IDS-Webinar-2020>

Why offer this  
course?

- ✓ UCOP-approved "c" course
- ✓ Satisfies a 3rd- or 4th-year mathematics requirement
- ✓ Teaches students to apply mathematical and statistical thinking to real world problems
- ✓ Teaches students to code and to compute with data using the R programming language
- ✓ Currently offered in 26 school districts in California, Idaho, New Jersey, and Oregon
