UCLA Center X invites Secondary District Curriculum & Instructional Leaders to attend a special webinar to learn about the original, groundbreaking high school mathematics course: Introduction to Data Science (IDS)

When:
Wednesday, December 2nd, 2020
Time:
11:30am PT / 2:30pm ET
Where:
Via Zoom

www.idsucla.org

Why offer this course?
- UCOP-approved "c" course
- Satisfies a 3rd- or 4th-year mathematics requirement
- Teaches students to apply mathematical and statistical thinking to real world problems
- Teaches students to code and to compute with data using the R programming language
- Currently offered in 26 school districts in California, Idaho, New Jersey, and Oregon
