

Julia Robinson Mathematics Festival (JRMF)

Tuesday, February 11, 2020 | 5:00 to 7:00 p.m.

Math Problem Solving Activities, Games, and Puzzles: This festival will provide students with the opportunity to “play” with numbers and math problems in a social and cooperative setting. This is not a competition, but is an opportunity for students to have fun exploring math concepts.

Festival goals:

- To evoke mathematical interest and enthusiasm in problem solving and discovery
- To help students make connections among widely different areas of mathematics
- To broaden teaching and learning experiences in the students’ education

Location

Russo/McEntee Academy
2851 Gay Avenue
San Jose, CA 95127

Cost

Free
