

2021 Mathematics Framework Fireside Chats

For Chapter discussion dates, time, and registration, click [here](#)

The 2021 CA Mathematics Framework will be published later this year and there are many exciting revisions in this updated Framework. Join mathematics educators from across the county and state, along with the Santa Clara County Office of Education (SCCOE) Mathematics Coordinators, as we discuss the draft chapters of the Framework. Each “chat” will be focused on unpacking and surfacing key ideas from one or more of the chapters. Come prepared to engage in rich dialogue and learn alongside one another by becoming ***stronger together!***
