

## Math in the Early Years (Pre-School, TK)

Participants will learn ways to “bring math to life” in their classrooms. We will explore the important role early mathematical understanding plays in future mathematics success for preschool and TK students.

**Dates: February 24,  
March 3, April 14,  
and April 21, 2021  
3:45 to 6 p.m.**

**Location**  
Online
