

Verification Process for Special Settings (VPSS)

What is VPSS?

VPSS is a state-approved advanced certification process by which secondary teachers in “special settings” have an additional option to become compliant with No Child Left Behind legislation. Completion of VPSS will allow eligible teachers to become “Highly Qualified” without taking high-stress tests or spending long hours on college coursework. VPSS incorporates specific subject matter knowledge with practical application targeted to hard-to-staff settings.

Who is eligible for VPSS?

VPSS is designed for teachers who teach two or more core academic subjects in the following settings:

- Secondary Special Education Settings
- Secondary Alternative Programs
- Secondary Small Rural School Achievement (SRSA) programs
- Independent Study

For eligibility questions, please contact your district Human Resources representative.
