Outcomes:

- Support administrators and teachers with the implementation of CA Math Standards.
- Explore ways to increase the level of rigor in the mathematics classroom.
- Understand the dispositions and deeply held beliefs that students have about mathematics and how these affect student performance.
- Increase understanding of NCTM’s Principles to Actions and its core set of eight effective mathematics teaching practice.

Resources are available to offset cost for participants from Program Improvement Districts or Schools. Please contact david_kennedy@sccoe.org or (408) 453.6982.
