Session #5

## Queer Pedagogy in PK-16 Classrooms

Join our Mathematics Leadership Collaborative, a community of math educators, as we explore math tips and tools for the times!

March 16, 2023 3:45 to 5:15 p.m. on Zoom

**Brandie E. Waid, Ph.D.**

*Independent Math Coach -The Queer  
Mathematics Teacher (QMT)*

*& Co-Founder of Radical Pedagogy Institute*

Find out what it means to enact  
The Mathematical Queeries  
Framework: a framework of queer  
and trans pedagogy. Explore how  
we can apply elements of the  
framework to other content areas  
to promote the educational  
thriving of 2SLGBTQIA+ students in  
our classrooms.
